

Andries Hudde, I.S. 240 STEM Magnet School, promotes choice, equity, diversity, and excellence for all students. Students have full access to cutting edge, state of the art technology, preparing them for 21st century STEM based careers. Our students make real world connections through instruction. We create, collaborate, character build, and foster good self-esteem. We educate the whole child. We believe our instruction builds community, perks student curiosity, and bridges gaps. Our mission is to empower our students by providing solid academic skills, supporting them with resources that will make for dynamic future leaders and entrepreneurs. Our goal is to maximize student growth by providing them with a well-rounded, interdisciplinary education through project-based learning. Students will experience handson innovation, making for critical and creative thinkers. Students love to be at Hudde because of the many after-school and Saturday activities. We are rigorous, safe, and nurturing. We value the uniqueness of each student, preparing them for academic, artistic, musical, physical, and social/emotional growth. Hudde is more than a school, we are a family that is "Magnificent in Midwood".
