To Whom It May Concern:

We are pleased to submit the first section of an annual report for Achievement First Crown Heights Charter School for the 2009-2010 academic year. Following conversations with Erica Cervine, the complete annual report will be submitted at a later date in November 2010.

In keeping with our mission to close the achievement gap by providing a rigorous and high-quality college-preparatory academic and character development program, we had an exciting school year and worked toward delivering on our mission to parents and students in Brooklyn. Highlighted in this report is information about how our school performed this year, academically and fiscally. We continue to strive for excellence in our schools, and look forward to a prosperous upcoming academic year with even stronger results.

Enclosed in this report are the following documents for your review:

- Charter School Information/Contact Sheet
- School Calendar
- Disclosure of Financial Interest Statements
