

We want to know what YOU think about your school. This survey will give your school important information it can use to improve your education.

This survey is confidential. Your answers will be combined with those of other students at your school. No one at your school will ever see your individual answers. This is not a test and there are no wrong answers. You do not have to answer any question you do not wish to answer, but we hope you will answer as many questions as you can.

When you have finished the survey, include only the answer sheet in the envelope provided and seal the envelope. You may remove your name from the envelope by peeling the label with your name off of the front of the envelope. Hand the sealed envelope with your completed answer sheet to your teacher.
