Analysis

Based on our 3rd year of operation we are exceeding or matching our goals. Students are passing Regent exams far above the levels of the neighborhood schools. The school is clearly on track to meet all the measurement s established. We expect that a large percentage of each cohort will be eligible for Regents and Advanced Regent diplomas based on the rigorous 4 year college prep curriculum that is in place.

All of the results include IEP students as none were exempted from taking the exams.
