Dear Parents/Guardians,

As you know, Tuesday, September 10th is **Primary Day** and many people will be voting at our school. Therefore, in order to ensure the safety of our students, **we will be implementing some changes for September 10th only.**

All Kindergarten students eating breakfast will enter the school building on Booth Street at 8:00 a.m. and proceed directly to the Multi-Purpose Room. **They are not to enter on Wetherole Street.** Students that eat breakfast will be escorted to their classrooms at 8:40 a.m. by a staff member.

All remaining Kindergarten students will enter the school building on Booth Street at 8:30 a.m. with their parents.

At 7:30 a.m., students in grades 1- 5 participating in the Morning Tutorial will have a bag breakfast in the upper schoolyard where there will be tables set up for dining. Students not participating in the Morning Tutorial will line up in the upper schoolyard at 8:30 a.m. Class signs will be displayed on the wall for morning line-up at 8:40 a.m. **Teachers of students in Grades 1 – 5 will pick up their classes in the upper yard at 8:02 a.m. for morning tutorial and 8:40 a.m. for regular line-up.**

Thank you for your cooperation.

Sincerely,

Monica Powers-Meade
Principal
