The Proposed Opening and Co-Location of Success Academy Charter School – New York 6 (84KTBD) with Existing School P.S. 297 Abraham Stockton (14K297) in Building K297 Beginning in the 2016-2017 School Year

I. Description of the subject and purpose of the proposed item under consideration.

The New York City Department of Education (“DOE”) is proposing to open and co-locate Success Academy Charter School – New York 6 (84KTBD, “SA – Bed-Stuy 3”) in building K297 (“K297”), located at 700 Park Avenue, Brooklyn, NY 11206, in Community School District 14 (“District 14”) beginning in the 2016-2017 school year. If this proposal is approved, SA – Bed-Stuy 3 will be co-located in K297 with P.S. 297 Abraham Stockton (14K297, “P.S. 297”), an existing district elementary school that currently serves students in kindergarten through fifth grade and offers a full-day pre-kindergarten (“Pre-K”) program. K297 also provides space to a community-based organization (“CBO”): Good Shepherd. If this proposal is approved, SA – Bed-Stuy 3 will open in the 2016-2017 school year, serving approximately 140-160 students in kindergarten and first grade, and will add one grade level each year until it reaches full scale, serving approximately 350-400 students in kindergarten through fourth grade in the 2019-2020 school year.

Pursuant to recent amendments to the Education Law, which provide certain new and expanding charter schools with access to facilities, SA – Bed-Stuy 3 made a request to the DOE for co-located space in District 14 to open a new elementary school.

Success Academy Charter Schools (“SACS”) is a charter management organization (“CMO”) that currently operates elementary, middle, and high schools in New York City. If this proposal is approved, SA – Bed-Stuy 3 would open in the 2016-2017 school year and would serve students in kindergarten through fourth grade at scale in the 2019-2020 school year. SA – Bed-Stuy 3’s charter was authorized in the 2014-2015 school year by The State University of New York Trustees (“SUNY”).

SACS has informed the DOE of its intention to apply to serve pre-kindergarten at SA-Bed-Stuy 3 beginning in the 2016-2017 school year; however, the DOE has not yet released a Request for Proposals for charter schools interested in partnering with the DOE to offer pre-kindergarten for the 2016-2017 school year.

Prior to the 2015-2016 school year, P.S. 297 was co-located with The Ethical Community Charter School (“TECCS”) in K297. At the time of this school’s renewal process, TECCS had not demonstrated the necessary academic achievement and progress for charter renewal beyond their current charter term. The TECCS charter expired on June 30, 2015, at which time TECCS formally ceased operations. The Ethical Community Charter School Renewal Report and additional information about the charter renewal process

can be found online at: http://schools.nyc.gov/NR/rdonlyres/ADFC0943-B112-4098-ACEF-001F762188B2/0/TECCSRenewalReport201415_Final.pdf.

According to the 2014-2015 Enrollment, Capacity, Utilization Report (“Blue Book”), K297 has a target capacity to serve 659 students. Currently, the building serves approximately 199 students, yielding a utilization rate of 30%. The DOE strives to ensure that all students in New York City have access to a diverse range of high-quality schools at every stage of their education and therefore evaluates public school buildings throughout the City. As noted above, building K297 previously housed P.S. 297 and TECCS. Beginning in the 2015-2016 school year, as a result of the non-renewal of the TECCS charter, the space previously occupied by TECCS became available, therefore rendering building K297 as “under-utilized,” meaning it has space to accommodate additional students.

If this proposal is approved by the PEP, in 2019-2020, when SA – Bed-Stuy 3 is at scale serving students in kindergarten through fourth grade at K297, there will be approximately 548-658 total students served in the building, yielding a projected utilization rate of approximately 83%-100%, which demonstrates that there is sufficient space for all school organizations.

The Building Utilization Plan (“BUP”) that accompanies this proposal also demonstrates that there is sufficient space in the building to accommodate this co-location. Thus, the DOE believes that K297 can serve all students that attend SA – Bed-Stuy 3 and P.S. 297.
