CREDIT REQUIREMENTS: Use your transcript to fill out the number of credits earned in each subject area. You can then subtract this number from the minimum number of credits required to graduate to calculate the number of credits still needed in each subject area. Please talk to your guidance counselor if you have questions about specific credit requirements.

Subject Area	Minimum Number of Credits	Number of Credits Earned	Number of Credits Needed	Notes
English	8			Some subject areas require specific courses for graduation. Ask your guidance counselor whether you have met the course requirements for each subject area. Take notes about any outstanding courses here.
Social Studies Global History (4), US History (2), Participation in Government (1), Economics (1)	8			
Math, including at least 2 credits of advance math	6			
Science Life Science (2), Physical Science (2), Life or Physical Science (2)	6			
Languages Other Than English (LOTE)*	2			
Arts	2			
Physical Education, every year, distributed in specific patterns	4			
Health	1			
Electives	7			
Total Credits	44			

* Students earning an Advanced Regents diploma are required to earn 6 LOTE credits. Students pursuing an approved sequence in CTE or the Arts need a minimum of 2 LOTE credits for the Advanced Regents diploma. Students whose IEPs indicate a disability that affects their ability to learn a language are exempted from the LOTE requirement, but must still earn 44 total credits.
