Overview

Our school prepares students for careers in movie and television production. As a small school, we provide individualized academic support and extensive career mentoring. Students learn by working alongside industry professionals with state-of-the-art equipment. Our career programs are complemented by academic classes which prepare students for competitive colleges and careers. Teachers use films in classes to enhance lessons, and our school is a leader in using technology in innovative ways to support learning.

Academic Opportunities

Program Highlights: Students may receive CTE endorsement in: Film/Video, Introductory Production Classes; Specialized Courses in Production Crafts, Screenwriting and Directing, Post Production, The Business of Production; Mentors, Advisory, Work-based Learning Program, Internships

Language Classes: Spanish

Advanced Placement Classes: Calculus AB, English Literature and Composition, Psychology, United States History

Extracurricular Activities and Clubs

Academic Tutoring, City Harvest, Creative Writing, Drama, Gay/Straight Alliance, Movie Screenings, Next Step Pictures, Prom Committee, Screenwriting, Step Team, Yearbook

PSAL Sports – Boys: Basketball

PSAL Sports – Girls: Basketball, Softball, Volleyball

PSAL Sports – Co-ed: Cross Country

School Sports: Club Baseball, Club Soccer, Fitness Center

Overview

Our college preparatory school focuses on American history and its interdisciplinary connections. Students learn in a supportive environment, allowing them to grow socially, emotionally and academically. The flagship high school of the Gilder Lehrman Institute of American History school, our mission is to provide rich insights into America's history through a rigorous curriculum, including additional study in art, music (with a focus on opera), theatre and journalism. Our AP program and linkages with LaGuardia Community College and St. John's University allow students to earn college credits. Our curriculum is enriched with trips to historical sites, the theatre, and the opera, as well as community service, sports and additional activities.

Academic Opportunities

Program Highlights: Additional courses in American History and Law; Senior Thesis; Trips to historic sites; College Now (College Credit from LaGuardia Community College), College Advantage (College Credit through St. John's University: Human Biology), Digital Media, Painting, Journalism, Playwriting, Acting, Global Voices Through Film; Linkages with the Metropolitan Opera, The Noguchi Museum, 92nd Street Y, The Museum of Modern Art, Theatre for a New Audience, The Judith Shakespeare Company, New York State Theatre Education Association, Center for Arts Education, The Gilder Lehrman Institute of American History

Language Classes: French, Spanish

Advanced Placement Classes: Art History, Biology, Calculus AB, Economics: Macro, English Language and Composition, English Literature and Composition, Environmental Science, European History, Government and Politics: United States, Human Geography, Spanish Language, Spanish Literature, United States History

Extracurricular Activities and Clubs

Academy Gazette Newspaper, Literary Magazine, Big Sib, College Discovery, Debate Team, Eagles in the Afternoon Radio Show, Ecology and Environmental Concerns, History, Improvisational Theatre, International Thespian Society, Internships, Knitting, Model UN, Multicultural, National Honor Society, SADD (Students Against Destructive Decisions), Senior Committee, Spirit Squad (Cheerleaders), Student Government, Blood Donation Drives, Charity Walks

PSAL Sports – Boys: Baseball, Basketball, Volleyball

PSAL Sports – Girls: Basketball, Football, Softball, Volleyball

PSAL Sports – Co-ed: Bowling

School Sports: Baseball Club

Overview

Our goal is to bring opportunity to all of our students. We believe that performance-based assessment with an interdisciplinary focus allows our students to be college, career and life ready. We expect our students to engage in extended learning experiences. We offer a college preparatory program focusing on skills necessary to be successful in college and careers with the understanding that all knowledge is interrelated. It is our mission to graduate lifelong learners who will be change agents within their community, profession and world. Our various partnerships allow us to engage the community in students’ educational journeys. Our authentic relationships support families, allowing the school to truly serve its community. Our dress code provides a culture of professionalism. The Advisory program, where Advisors serve as student advocates and family liaisons, encourages students to take responsibility for their own academic and personal growth.

Academic Opportunities

Program Highlights: We offer advanced courses in aviation that allow students to sit for the Federal Aviation Administration written examinations toward the Private Pilot License. The Law Academy offers partnerships with various law firms across the city, Lincoln-Douglas Debates, Mock Trials and Moot Court. Our Communication Arts Program offers (1) Introduction to Behind the Scenes Careers in Film & Video Production Studio Residency, (2) Career Development & Arts Administration Workshops, (3) Youth and Professional Development Workshops, (4) Work-Based Learning/Peer Instructed Internships, (5) Cyber-Mentored Summer College Bridge Program. Our partnership with NFTE through our Business Program engages students in the process of opening their own business. All of our programs offer hands-on training from licensed professionals. We also have partnerships with Vaughn and York Colleges, which allow our students to take college-level courses.

Language Classes: French, Spanish

Advanced Placement Classes: English Literature and Composition, Environmental Science, Statistics

Online Advanced Placement Classes: English Language and Composition

Extracurricular Activities and Clubs

Mock Trial, Arista-National Honor Society, Art, Chess, Executive Internships, Key Club, Law, Legal Research Society, Lincoln-Douglas Debate Team, Math, Moot Court, Music, Peer Mediation and Conflict Resolution, Thespian Society, Young Men’s Leadership, Young Women’s Leadership

Overview

Our state-endorsed Career and Technical Education (CTE) program provides a world-class education. This unique curriculum prepares students for a Regents diploma and Federal Aviation Administration (FAA) certification as Aircraft Maintenance Technicians, leading to exciting and lucrative careers in the aerospace industry. All members of the school community work to create a culture that instills respect and self-discipline to meet the demands of today's colleges, universities and work force. Our world-renowned reputation for excellence reflects our tradition, mission and commitment to our students' future and the future of the aerospace industry.

Academic Opportunities

Program Highlights: Students may receive CTE endorsement in Aviation Maintenance Technology; Students can earn a Federal Aviation Administration (FAA) license/certification in Airframe and Powerplant certification with optional 5th Year Honors Program; Annex Internship and Program at John F. Kennedy (JFK) International Airport; Aerospace Pre-Engineering Program, Air Force Junior Reserve Officers' Training Corps (JROTC), College Now, For Inspiration and Recognition of Science and Technology (FIRST) Robotics, AutoCAD; Internships with national airlines; College visitation tours; All students are required to take Aviation Maintenance courses which are multiple periods in length, in addition to their math, science, English, social studies, physical education and art/music classes

Overview

Baccalaureate School for Global Education (BSGE) is authorized by the International Baccalaureate (IB) Organization to offer the Diploma program, a challenging college preparatory course of study that meets the needs of highly motivated students. We expect all students who successfully complete our course of study to be candidates for the International Baccalaureate Diploma. Our student body comprises an ethnically diverse and economically varied population of young people. BSGE students learn in an environment that encourages inquiry and intellectual and social development. Our school community is committed to fostering learning opportunities enriched by global understanding and social responsibility.

Academic Opportunities

Program Highlights: Pre-International Baccalaureate Diploma Program, International Baccalaureate Diploma Program, Personal Project, Extended Essay, Theory of Knowledge; Creativity, Action, Service (CAS) Community Service requirement; Academic Advisory: Metacognitive Reading Program required; Students take International Baccalaureate Diploma examinations in Experimental Sciences, Mathematics, Foreign Language, World Literature, History, Art

Language Classes: Chinese (Mandarin), French, Spanish

Overview

Bard High School Early College Queens (BHSEC Queens) was founded on the belief that many students are ready to do serious college work at age sixteen. Bard College partnered with the NYC Department of Education to create an innovative program that enables high school students to move, in four years, from 9th grade through the first two years of college, earning a high school diploma, up to 60 college credits and an Associate of Arts (AA) degree upon graduation.

Academic Opportunities

Program Highlights: In their first two years at BHSEC Queens, students receive a solid foundation in mathematics, science, history, English, a foreign language and the arts. In the final two years, the college program balances core requirements in critical reading and analysis, mathematics, science, language & culture and the arts, with opportunities for students to pursue their individual interests. We offer a variety of college courses and opportunities for students to engage in independent studies of their own design. Students completing 60 college credits receive the Bard College AA degree. Students may then transfer to colleges and universities with up to two years of college credit.

Language Classes: Arabic, Chinese (Mandarin), Latin, Spanish

Extracurricular Activities and Clubs

Anime, Art, Ballroom Dancing, BHSEC Cares, Book, Community Council, Computers, Technology, Dance, Debate, Fencing, Film, Gardening, Habitat for Humanity, Knitting, Math Team, Medical, Model UN, Mock Trial, Movie, Mural, Music, Music Camp, Literary Magazine ('HYPE'), Newspaper ('B.Q. Broadside'), Outing, Peer Counselors, Peer Mentors, Peer Tutors, Ping-Pong, The Alliance, Seekers, Step Team, Student Ambassadors, Student Government, Weightlifting

PSAL Sports – Boys: Basketball, Cross Country, Outdoor Track, Wrestling

PSAL Sports – Girls: Basketball, Cross Country, Football, Outdoor Track, Rugby, Softball, Volleyball, Wrestling

PSAL Sports – Co-ed: Cross Country, Outdoor Track, Wrestling

School Sports: Basketball, Cross Country, Fencing, Flag Football, Track and Field, Ultimate Frisbee, Weightlifting; Girls: Soccer, Volleyball

Admissions Priorities and Programs

Admissions Priorities

1. Open to New York City residents

Program Name	Code	Interest Area	Admissions Method	Grade	2014 Seats	2014 Applicants
Bard High School Early College Queens	Q74B	Humanities & Interdisciplinary	Screened	9	160	2877
				10	5	133
<p>Program Description: Inquiry and critical thinking promoted across all subject areas.</p> <p>Selection Criteria</p> <ul style="list-style-type: none"> • English (85-100), Math (85-100), Science (85-100), Social Studies (85-100) • Standardized Test Scores: Math Levels: 3-4; English Language Arts Levels: 3-4 • Interview • Qualifying Assessment • Review of Attendance & Punctuality 						

2014-2015 Assessment Information

- To be considered for admission to Bard High School Early College (and/or Manhattan Campus), student report cards should reflect a cumulative average of an 85 or above in English, Math, Science, and Social Studies.
- Students may apply to both schools. They must, however, indicate each one as a separate choice on the Department of Education High School Application.
- Students only need to take one assessment in order to apply to either or both schools. The assessment may be taken in either our Manhattan or Queens location.
- All students wishing to be considered for admission to Bard High School Early College (Queens and/or Manhattan Campus) must register online via the school's website at www.bard.edu/bhsec. Registration for the assessment begins September 3, 2014.
- Students who demonstrate strong abilities in their grades and the assessment will be invited to an interview at BHSEC. Students receive an email invitation for an interview.
- When evaluating applicants, BHSEC seeks to build an incoming 9th grade class that is representative of the entire City of New York.

ELA and Math test results will not be the sole, primary or major factor in admissions decisions, consistent with applicable law. Instead, multiple measures, which may include State test results, will be used to make admissions decisions for screened/audition programs.

Overview

Your education at Bayside will combine challenging, college-focused academics; learning through authentic professional experiences and internships; a wide selection of engaging clubs, teams and events along with personalized guidance support – all designed to ensure your success in college and beyond. Our consistent focus on postsecondary achievement begins at freshmen orientation and continues beyond graduation through our alumni network. Bayside, a New Visions High School, aims to ensure that all New York City public school students, regardless of race or economic class, have access to a high-quality education that prepares them for the rigors of college and the workforce. New Visions is committed to sharing innovative tools, strategies and lessons learned with others to prove that meaningful change is achievable and that success is possible for every child.

Overview

At the Benjamin Franklin School for Finance & Information Technology (Franklin IT) our mission is to provide young men and women with the foundations for success in college and for careers in Information Technology & Finance. As a Career & Technical Education (CTE) school, we nurture and support our students while providing rich, industry-approved coursework and recognized certification in the fields of IT & Finance. Our curriculum focuses on communication skills, critical thinking and personal and academic planning. Franklin IT students will work on project-based and hands-on learning activities that develop college-readiness skills and offer them an edge in their future careers.

Overview

Students attending Business Technology Early College High School (B-TECH) use technology to solve everyday world problems. Our students become expert readers, writers and critical thinkers with the technical skills to be successful in our modern, information-based global economy. Students have up to six years to earn a high school diploma and an Associate's degree – free of cost – from Queensborough Community College. Students also receive hands-on job training and apprenticeship with SAP (an international enterprise software development company). Upon graduation, our students have the knowledge, skills, Career and Technical Education certifications and work experience to make them highly competitive for employment and/or four-year colleges.

Academic Opportunities

Program Highlights: Associate's degree - at least 2 years of college coursework in business, computer science, and internet technology; College classes as early as the 9th grade; College and Career Advisement; Mentoring and Peer-Tutoring programs; Internships, Apprenticeships, Student-led conferences, Students' e-portfolio; Collaborative group project-based learning

Language Classes: Based on student interest

Extracurricular Activities and Clubs

Robotics, MOUSE Squad, Network for Teaching Entrepreneurship (NFTE), Virtual Enterprise and other student-organized clubs of interest

PSAL Sports – Boys: Baseball, Basketball & JV Basketball, Cricket, Cross Country, Indoor Track, Outdoor Track, Soccer, Volleyball

PSAL Sports – Girls: Basketball, Indoor Track, Outdoor Track, Soccer, Softball, Tennis, Volleyball & JV Volleyball

Overview

At Channel View School for Research, students learn by doing. Our Learning Expeditions and field visits get students out of the classroom and into the practice of investigating solutions to real world problems. Our Expeditionary Learning emphasis invests students in their community, teaches them the value of leadership and service and establishes a solid academic base from which students can launch careers in fields like science, government, medicine, law and education. Character development is the pillar of our foundation at Channel View. Our students' habits of work and learning are 'Service,' 'Trust,' 'Accountability' and 'Respect' (STAR).

Academic Opportunities

Program Highlights: College Preparation: Early College, Kaplan SAT Prep, College Now; ACT Prep, Pre-law, Forensics, Environmental Science; Fine Arts Program: Visual Arts Three-Year Sequence, Vocal and Instrumental Music, Jazz and Steel Band; Web Design & Development, Film and Mass Media, Spanish Cultural Dance, Community Service, Crew (Advisory), Student Led-Conferences

Overview

Civic Leadership Academy is a small school offering a challenging academic program with the goal of every student going to college. Our high expectations and focus on strong work habits, combined with an emphasis on critical reading, writing and thinking skills, promote college and career readiness. The learning environment is highly personalized and supported by a dedicated and caring staff. Our curriculum is enhanced by a focus on community service, which gives students opportunities to discover their place in the world and their capacity to make a difference in their communities. We encourage parents to take an active role in helping us reach the goal of every student going to college.

Academic Opportunities

Program Highlights: College Now at Queens College; Science Technology Entry Program (STEP) Academy at Baruch College, New York University and St. John’s University; Kaplan SAT Prep, Regents Prep, Peer Tutoring, College Awareness, College Tours, Teacher Office Hours; Music, Art, Dance Programs; New York State School Music Association (NYSSMA) Competition, Science Olympiad, Saturday ESL program for students and parents; After-School programs: Out-of-School Time (OST), The After-School Corporation (TASC)

Overview

Eagle Academy III is an all-male college preparatory school (grades 6-12) that educates and develops young men into future leaders. This is done through strategic partnerships between our scholars, administrators, teachers, parents, mentors, and community supporters. Through Eagle's mission to cultivate integrity, students use team-building and community service while working in a nurturing and academically rigorous environment. Thus, these young men will exhibit our core values of academic excellence, leadership and character, supported by the following initiatives: Mentoring, Saturday Institute, Summer Programs, Community Service, Parental Engagement and Extended Learning Opportunities.

Academic Opportunities

Program Highlights: Saturday Academy, Chess, Debate, Drumline, Homework Assistance, Academic Intervention Service (AIS), Robotics, Guitar, Violin

Extracurricular Activities and Clubs

Chess, Debate, Drumline, Guitar, Homework Assistance, Robotics, Violin

PSAL Sports – Boys: Baseball, Football, Outdoor Track

School Sports: Intramural Basketball, Flag Football

Overview

Located a block away from the Queens Botanical Garden, East-West is a small school focused on preparing students for college and career readiness. In a supportive environment upheld by our four pillars of Honor, Excellence, Curiosity and Celebration, students engage in a rigorous academic program of Regents, Advanced Placement (AP) and College Now courses. While at our school, students can become highly proficient in Chinese, Korean or Japanese. In addition to a college-bound academic program, we offer a robust after-school club culture supported by an active student government. We promote a positive school atmosphere by encouraging acts of kindness through Rachel’s Challenge, a nationwide anti-bullying program. Parent-teacher communication is important to us. We cultivate parent partnerships through monthly PTA meetings on evenings or weekends. Grades and transcripts, along with progress reports, are readily available to parents online through PupilPath. All seniors must attend daily college preparatory courses, and can take onsite Kaplan SAT prep courses to gain a competitive edge in the college application process. Our team works hard to ensure that 100% of our graduates continue on to higher education.

Academic Opportunities

Program Highlights: College Bound Initiative with a dedicated full-time college counselor; College Now courses are offered for free college credits after school on our campus and at nearby Queens College and LaGuardia Community College; Pre-Calculus; TEALS Computer Science classes; Regents in: Chemistry, Physics; Queens College Literacy Lab; Opportunities for semester and summer abroad programs; ASD Nest Program for students; Mighty Milers; Classes in dance and drama

Language Classes: Chinese (Mandarin), Japanese, Korean

Advanced Placement Classes: Calculus AB, Computer Science A, English Language and Composition, English Literature and Composition, Environmental Science, Human Geography, Psychology

Extracurricular Activities and Clubs

Advisory, All School Yearbook, Anime, Art, Can You 24?, Chinese Erhu, College Trips, Community Service Opportunities, Cultural Studies in China, Dance Show, Dance Team, Drama, Friends of Rachel, Gay/Straight Alliance, Hispanic Club, Judo, Junior NAACP Club, Key Club, Korean Painting, Korean POP Dance, Leadership Trip to Korea, Literacy Lab, Martial Arts, Model UN, Multicultural Night, National Honor Society, NYPD Explorers Program, OST Homework Help, Peer Mediation, Photography, Pre-Med, Robotics, Student Government, Summer in Japan, School Musical, School Newspaper, Talent Show, Team Soccer, Team Basketball, other clubs by student request

Overview

At Energy Tech, students interested in engineering, science, math, and technology follow a unique pathway to high-demand careers in a fast-growing industry. To prepare for these competitive engineering careers, we provide extensive academic support and mentoring. Our students learn through hands-on problem solving in and out of the classroom through partnerships with LaGuardia Community College, Con Edison, and National Grid. Students can remain at our school for up to six years, earning a high school diploma and an Associate’s degree – free of cost – and participate in training and internships. Students leave ready to go directly into careers or as strong candidates for 4-year colleges.

Academic Opportunities

Program Highlights: Associate’s degree - up to two years of college coursework in engineering; College classes as early as 10th grade; Internships and apprenticeships in later years of the program; Off-site technical training; Energy-focused projects through Solar One; Mentoring Program, College and career trips, Small-group supports; Daily advisory groups and team-building activities; FRC FIRST robotics, Monthly Town Hall meetings, Student e-portfolios, Wide variety of after-school programs; Opportunities for collaborative and problem-based learning; As we expand, we plan to offer Spanish and Spanish Native Language Arts

Extracurricular Activities and Clubs

Robotics, Computer Programming/Gaming, Urban Explorers, Arts and Crafts, Film, Community Service, Peer Mediation, Student Government/Advisory Council, Class Ambassadors, Tutoring, Math Team, Young Women’s Group, student-proposed clubs and activities

School Sports: Basketball, Flag Football, Track, Cheerleading, and Soccer - as well as student-proposed clubs and intramural sports

Overview

Excelsior Preparatory High School, a collaborative, college preparatory learning community, offers a challenging academic and multicultural program. We are a small high school that was created in partnership with the Institute for Student Achievement (ISA). All students are expected to take four years of math, English and science in order to be college-ready. We are one of the few small schools affiliated with the Gateway Institute for Pre-College Education program and pride ourselves on being a diverse school community.

Academic Opportunities

Program Highlights: Extended Day Enrichment classes in Digital Photography, Debate, Drama, African American Literature, Culinary Arts, Advanced Art & Creative Writing; Credit-earning College Now classes including Aviation Business, Fine Arts, Genetics, Environmental Biology, Medical Technology, Pre-Calculus, Sociology & Psychology; Advisory classes, Saturday Academy, On-site health clinic, DMV certification, SAT & Regents prep, STEM research internships, Queens College lab research in Chemistry, Biology & Physics, Annual Science Symposium with Queens College, The Urban Barcode project

Language Classes: Spanish

Online Language Classes: Arabic, Chinese (Mandarin), French, German, Korean

Advanced Placement Classes: Calculus AB, English Literature and Composition, World History

Extracurricular Activities and Clubs

After-school Enrichment Classes, Ambassador’s Clubs, Brain Bee, Brothers and Sisters Groups, Men of Distinction, Cheerleading, College Fairs and Trips, Conflict Resolution, Digital Photography, Exemplary Women, Gateway Institute, Math, Mayor’s Youth Leadership Council, National Honor Society, Peer Tutoring, Student Advisory Council, Studio Art, Portfolio Planning

Overview

Flushing High School is a vibrant, international community of students, educators, families and community leaders working together to develop active, independent learners and productive global citizens. Our mission is to prepare students to graduate with the essential and critical skills required for post-secondary and career success, and a well-developed concept of individual and civic responsibility. Our programs provide a rigorous standards-based education built on the premise that all students have the ability to meet the academic, career and societal demands of the 21st Century. Graduates of Flushing High School will demonstrate College and Career Readiness, critical problem-solving abilities, a collaborative spirit and a commitment to civic duty. All adult stakeholders, including school administrators, teachers and support staff, accept responsibility for creating a safe and nurturing learning environment for students in which these goals can be achieved. Adult stakeholders also provide leadership and serve as role models for the young people we serve.

Overview

We serve recent immigrants who are both new to the United States and new learners of English. Teachers and students work in teams and teachers know their students well. Teams of teachers integrate interdisciplinary curriculum in which students work on projects that connect ideas from different classes. Both native language and English language development are supported across content areas. Our program is designed to help immigrant students succeed in college and the world of work.

Academic Opportunities

Program Highlights: Collaborative group work and interdisciplinary study, small group advisories, elective courses in academic subjects, arts and technology; internships in technology, arts and community-based organizations, as well as at local businesses; College Now

Extracurricular Activities and Clubs

Before- and after-school Academic Support, Book, Drama, Digital Video/Photography, IT, Green Team, Korean Fan Dancing, MultiSquad (Multicultural Student Group), Regents Prep, SAT Prep, Science Challenge, Chess, Creative Writing, Soccer, Volleyball, Baseball, Guitar, Badminton, Dream Team, Student Government

PSAL Sports – Boys: Basketball, Badminton

PSAL Sports – Girls: Handball, Badminton

School Sports: Boys Soccer, Co-ed Soccer, Boys Baseball

Admissions Priorities and Programs

Admissions Priorities

1. Open only to New York City residents living in the United States four years or fewer who are English Language Learners per New York City Department of Education guidelines scoring at the Beginner or Intermediate level on the NYSESLAT or LAB-R.

Quality Review Score (2007-2008): Well Developed

Overview

It is the policy of Frank Sinatra School of the Arts (FSSA) High School that every student receives the most challenging academic and arts program possible. We offer every student the opportunity to take four years of science and math, in addition to four years of English and social studies. The studio arts program provides students an intensive sequential study of an art form that includes the chance to explore the history, cultural significance and aesthetics of their selected art form. Students will be introduced to all of the disciplines offered at FSSA through a curriculum that enables students to make connections with all art forms and fosters a true artistic community.

Academic Opportunities

Program Highlights: Extended Day program (90-120 minute classes per day in major), enrichment programs, internships with arts agencies, apprenticeships with artists, projects with cultural institutions, community service through the arts, College Now
Language Classes: Spanish
Advanced Placement Classes: Calculus AB, Calculus BC, English Language and Composition, Physics B, United States History, World History

Extracurricular Activities and Clubs

After-school and Saturday Tutoring, Chamber Music, Community Mural Painting, Community Service through the Arts, Dance for non-Dance Students, Fundraising Committees, Gay-Straight Alliance, Greek, Helping Hands, Improvisation, Preparatory Jazz Band, Literary Magazine, Music Composition, National Chorale, National Honor Society, Photojournalism, Prom, School Newspaper, Step Dancing, Student Government, Yearbook, various internships and apprenticeships
PSAL Sports – Boys: Baseball, Basketball
PSAL Sports – Girls: Basketball, Soccer, Softball, Tennis, Volleyball

Admissions Priorities and Programs

Admissions Priorities

1. Open to New York City residents

Program Name	Code	Interest Area	Admissions Method	Grade	2014 Seats	2014 Applicants
Film and Media Arts	Q40F	Film/Video	Audition	9	28	245
				10	5	13
<p>Program Description: Study includes text analysis, film as a cultural & historical document, analysis of artist work; courses in video production, film theory & history, industry practices & legal issues. Students have access to state-of-the-art digital technology.</p> <p>Audition Information: During the audition, students will submit for review 10 original drawings or photographs on 18” x 24” poster board that tells a sequential story without words. Images should demonstrate the applicant’s knowledge of visual composition and storytelling. Students will be shown four images and asked to develop an original story that could be the basis for a film. Three questions should be considered while writing: Who are the characters? What problems do they face? What do they do to resolve them?</p>

				10	5	26
<p>Program Description: Intensive study of art (theory, production, history, assessment); museum and gallery visits, student exhibitions, visiting artists. Courses – Foundation, 2-D and 3-D Design, Painting, Sculpture, Communication Arts, Print-making, Portfolio, Digital Photography.</p> <p>Audition Information: Present a portfolio with 10-15 pieces of original work created from observation and from student’s own imagination, with a diversity of subject matter and use of media, including examples of line, value and color. Student work should be unframed and need not be matted. Three-dimensional work can be shown in photographs. You will also be required to draw from observation and memory, using pencil.</p>						
Instrumental Music	Q40K	Performing Arts	Audition	9	32	358
				10	5	22
<p>Program Description: Small group instruction on orchestral & band instruments; jazz & concert bands, advanced wind ensemble, string & symphonic orchestras, chamber music of all instrument families, theory, ear training, music history & keyboard harmony.</p> <p>Audition Information: Perform at least one solo selection and three major scales. Take a sight-reading test and a rhythmic comprehension test in which you are required to tap back rhythmic patterns. Bring your own instrument (except piano, tuba, double bass, percussion instruments, guitar amplifiers); bring 2 copies of audition music.</p>						
Vocal Music	Q40L	Performing Arts	Audition	9	32	847
<p>Program Description: Students perform in the Concert Choir, Chorale, Chamber Singers, musical theatre, Great American Songbook ensemble, opera workshop and participate in cabaret; curriculum includes voice training, music theory, keyboard, sight singing, diction and audition preparation.</p> <p>Audition Information: Perform the “Star Spangled Banner” (accompaniment will be provided) and one minute of a classical or a standard musical theatre piece. Bring sheet music in your key.</p>						
Dance	Q40M	Performing Arts	Audition	9	25	563
				10	5	42
<p>Program Description: Ballet, modern dance, dance history, choreography & dance criticism courses; Jazz, tap, ballroom dancing, kinesiology, anatomy, career management & dance production classes; Students attend live performances and take part in school productions.</p> <p>Audition Information: Students will take an abbreviated ballet class followed by modern and jazz dance combinations. Participants are to audition in appropriate dance attire: leotard, tights and ballet shoes.</p>						
Drama	Q40N	Performing Arts	Audition	9	25	570
				10	5	46
<p>Program Description: A four-year course of study that includes acting technique, scene study, speech for actors, dramatic writing and course work in performing Shakespeare; The Drama Studio creates mainstage productions each year.</p> <p>Audition Information: Present two memorized, contrasting, one-minute monologues that must be from published plays – no Internet or original material will be accepted; do a cold reading from selected scenes.</p>						

2014-2015 Audition Information						
Audition Information: Please bring a copy of your June 2014 report card to your audition.	Audition Groups	Last Name	Date	Start Time	End Time	
	Manhattan, Brooklyn, Bronx, Staten Island	A-M	Saturday, November 22, 2014		7:30 AM	N/A
		N-Z	Sunday, November 23, 2014		7:30 AM	N/A
	Queens	A-M	Saturday, November 8, 2014		7:30 AM	N/A
		N-Z	Sunday, November 9, 2014		7:30 AM	N/A
	Makeup	A-M	Saturday, December 6, 2014		7:30 AM	N/A
		N-Z	Sunday, December 7, 2014		7:30 AM	N/A

ELA and Math test results will not be the sole, primary or major factor in admissions decisions, consistent with applicable law. Instead, multiple measures, which may include State test results, will be used to make admissions decisions for screened/audition programs.

Overview

Frederick Douglass Academy (FDA) VI High School is a high school built on Dr. Lorraine Monroe's vision of academic and personal excellence for all students. The emphasis on college preparation is supported by a challenging academic program and cultural enrichment. A set of core rules visible at every Frederick Douglass Academy signals the seriousness of purpose for the school, its students and teachers. All students must adhere to a code of student conduct, the Scholar's Creed and a strict uniform code. Students are also required to participate in extensive after-school academic enrichment programs.

Overview

The mission of our school is to provide students with an in-depth, well-rounded education with an emphasis on science and mathematics. Classroom teaching and learning are complemented with authentic, inquiry-based research experiences. The combined research and teaching experiences prepare students to become critical thinkers and problem solvers to pursue careers in biological sciences, physical sciences, mathematics, engineering and veterinary sciences. The physical, emotional and social well-being of our student populace is nurtured through Advisories and service in a small and personalized learning community.

Academic Opportunities

Program Highlights: Honor Classes, Gateway Institute for Pre-College Education (9th & 10th Grade): Honors program in partnership with the City College of New York (CCNY), participation in competitive research, academic enrichment programs, internships; Science Research, Animal Husbandry, Genetics, Parasitology, Anatomy, Physiology, Advanced Laboratory Techniques and Applications

Overview

High School for Construction Trades, Engineering and Architecture (CTEA) is a Career and Technical Education (CTE) high school preparing students for college, technical school and/or apprenticeships in the fields of construction trades, engineering and architecture. The instructional program is supported by state-of-the art facilities that house specialized laboratories for computer-aided design, mechanical drafting, technical drawing, model building and construction technology, as well as electrical installation, digital electronics and engineering. We are partnered with many of New York City's finest construction, architecture and engineering companies, as well as non-profit organizations that support the overall work of our school and the unique experiences of students and teachers. Our school is committed to providing young men and women of diverse cultural, ethnic, and socio-economic backgrounds with a sense of belonging. This is conducted in an educational environment that allows them to explore their talents and interests while receiving a solid academic foundation that prepares them for post-secondary education, as well as careers in construction trades, engineering and architecture. Our learning environment is specifically designed to promote academic achievement through the integration of the student's career interests while making connections of that learning to the world in which we live.

Academic Opportunities

Program Highlights: Students may receive CTE endorsement in the following areas: Construction Technology, Architecture, Academy of Engineering; Themed/integrated curriculum and courses geared for college preparation, career opportunities, internships, mentoring, industry certification, postsecondary apprenticeship opportunities; Advisory Board; ACE Mentor Program; Skills USA; Honors courses that offer opportunities for Advanced Placement classes in the 11th or 12th grade and/or College Now (Psychology, Biology, Calculus, English, Statistics); Studio Art; Non-fiction writing

Language Classes: Spanish

Advanced Placement Classes: Biology, Calculus AB, English Language and Composition, English Literature and Composition, Statistics, United States History, World History

Extracurricular Activities and Clubs

Anime Manga, Architecture, Art, Chess, Community Service, SkillsUSA, Construction Challenge, Field Trips, Job Shadowing, Internships, Mentors, Music, National Honor Society, Philosophy, Science, Portfolio Development, Robotics, Student Government, Yearbook, Theater Arts Program (TAP)

PSAL Sports – Boys: Baseball, Basketball, Cross Country, Indoor Track, Outdoor Track

PSAL Sports – Girls: Basketball, Cross Country, Indoor Track, JV Softball, Outdoor Track, Softball, Volleyball

Quality Review Score (2012-2013): Developing

Overview

We provide our students with a state-of-the-art facility. We work in collaboration with the New York City Police Department and Police Athletic League. Our school offers a challenging academic program and an introduction to careers in law enforcement and public safety. By fully integrating the themes of law and public safety throughout the educational program, students come to understand how all areas of study are interrelated and how their educational experience supports career choices. Our students are offered a well-rounded experience.

Academic Opportunities

Program Highlights: Introduction to Law Enforcement, Introduction to Science and Public Safety, Introduction to Forensic Science, Forensics and Anatomy; Syracuse University Project Advance: Advanced Forensic Science (four college credits), Psychology (three college credits), Criminology, Constitutional Law, Theater Production, Annualization, Police Athletic League (PAL) Center, Mentoring, Media Center, Courtroom, Forensic Laboratory, Fitness Center, Rooftop Track, Television Production Studio

Language Classes: Spanish

Advanced Placement Classes: United States History

Extracurricular Activities and Clubs

Student Government, New York Police Department (NYPD) Explorers, National Organization of Black Law Enforcement Executives (NOBLE) Mentoring Program, National Honor Society, Music Production/Songwriting, Drama, Expanded Success Initiative (ESI) program, Cheerleading, Hip Hop 4 Life, ELITE, Art, Yearbook

PSAL Sports – Boys: Basketball & JV Basketball, Cross Country, Indoor Track

PSAL Sports – Girls: Basketball, Cross Country, Indoor Track

PSAL Sports – Co-ed: Double Dutch

Admissions Priorities and Programs

Overview

Humanities & the Arts is an exciting high school that fires the imagination and challenges students to dream big dreams and accomplish big things. The strong academic focus is coupled with an experience in the Performing and Visual Arts that is every student's dream. We are proud of our college-going culture, our affiliation with the College Summit program, College Now, AP classes, college tours and workshops. Students also have the opportunity to experience the art of ballet, jazz and hip hop. Students learn to read and write music, study and create art, and act in the yearly theater productions, while attending college courses in the afternoons for college credit. We pride ourselves on providing the complete high school experience.

Academic Opportunities

Program Highlights: Advanced Regents and Regents course sequence, Honors courses, Art Regents diploma and Arts Endorsed diploma; Opportunity to audition for The HAI Theater Company; Classes in set design, theater production and acting; Audition for The Transitional Dance Ensemble; Learn classical and modern dance; Perform in the jazz band, marching band or orchestra; Work with visiting artists; Young Audiences program; Experience the Julliard Repertory Dance performance, Yearly College Summit summer leadership program at prestigious universities; A&E Networks Television Mentor Program

Language Classes: French, Spanish

Advanced Placement Classes: Art History, English Language and Composition, European History, Government and Politics: United States, Studio Art: Drawing

Overview

The Institute for Health Professions at Cambria Heights prepares students for college and careers in medicine. The school strives to meet individual learning needs by creating goals for all members of our community. Students will take their learning beyond the classroom by collaboratively solving problems, completing labs based on the realities of emergency medicine and hospital care and attending Health Occupation Students of America conferences. Students will participate in training exercises at North Shore LIJ’s Center for Learning and Innovation, complete rotations on an ambulance or in a hospital and earn certification in either Emergency Medical Services or Nurse Assisting.

Academic Opportunities

Program Highlights: Leadership Development Program in Advisory, Focus on literacy in all subjects, Career and Technical Education programs in Emergency Medical Services and Nurse Assisting, College Counseling
Language Classes: Spanish (**Expected:** Spanish Native Language Arts)
Advanced Placement Classes: As we expand, we plan to offer Calculus BC, English Language and Composition, English Literature and Composition, Government and Politics: United States, Statistics

Extracurricular Activities and Clubs

Health Occupations Students of America, Student Government, Mentoring, Fairness Committee, Student Ambassadors, Dance, Step Team, Art, Service Learning Program
PSAL Sports – Boys: Basketball & JV Basketball, Bowling, Football & JV Football, Indoor Track, Outdoor Track, Soccer, Tennis, Volleyball
PSAL Sports – Girls: Basketball, Bowling, Gymnastics, Indoor Track, Outdoor Track, Soccer, Softball, Tennis, Volleyball

Overview

The International High School for Health Sciences offers limited-English speaking students who are new to the country an opportunity to develop skills necessary to pursue college and careers in medicine. Classes focus learning on reading, writing, and communicating fluently in English while also providing opportunities to maintain students’ native languages. We use real-world learning by giving our students experiences in local healthcare settings before they graduate. Students gain practical skills including CPR and first aid, explore careers through 11th grade internships at local medical centers, and take early college coursework with our university partners. These hands-on opportunities both provide a context for language acquisition and allow students to use their native language as an asset in their service to the community.

Academic Opportunities

Program Highlights: Extended class periods, Small class sizes, Project-based instruction, Emphasis on collaborative coursework, Medical career focus, Team setting, Advisory courses, Internships, Early College programs

Extracurricular Activities and Clubs

DNA Research Team, Astronomy, Anime
PSAL Sports – Boys: Baseball & JV Baseball, Basketball & JV Basketball, Bowling, Cross Country, Golf, Handball, Indoor Track, Outdoor Track, Soccer, Tennis, Volleyball, Wrestling
PSAL Sports – Girls: Basketball, Cross Country, Gymnastics, Indoor Track, Outdoor Track, Soccer, Softball & JV Softball, Tennis, Volleyball & JV Volleyball

Overview

Jamaica Gateway to the Sciences serves students interested in exploring the sciences and mathematics, especially medicine and related fields. Our students will benefit from reduced class size and an extended school day and week. Monthly Saturday seminars include community service projects, preparation for competitions and field trips. We offer PSAT & SAT Prep, Regents Review, College Readiness and internship opportunities. Starting in the 9th grade, mandatory internships will expose our students to college and career options. Our graduates will be prepared for the challenges they will encounter in competitive colleges, universities and careers.

Academic Opportunities

Program Highlights: Weekly advisories, Career and College Counseling, Peer Tutoring, Big Brother Big Sister, Research classes; Internship process including exploration, application and evaluation; Data analysis emphasis; Participation in local and national competitions; Hospital experience

Language Classes: Spanish

Advanced Placement Classes: Environmental Science, Psychology

Overview

John Adams High School combines the best of what both large and small schools have to offer. As a large school, students get to choose from a broad array of Advanced Placement and College Now classes, as well as numerous electives in expanding technology, science, writing, art and music programs. We also offer more than thirty clubs and teams. Individualized attention and a sense of community are developed in each of our eight Small Learning Communities, led by directors and guidance counselors who work with the same group of students during their four years of high school. We are supported in our mission to prepare all students for college and career by partners such as New Visions for Public Schools (a recognized leader in promoting student success), York College and New York City College of Technology.

Academic Opportunities

Program Highlights: John Adams High School is composed of eight Small Learning Communities, each with its own area of focus. Each Small Learning Community has roughly 300 students, as well as its own director and guidance counselor team. Special programs include: Pre-Advanced Placement classes, Advanced Placement classes, College Now

Language Classes: Bengali, Spanish, Spanish Native Language Arts

Online Language Classes: French, Spanish

Advanced Placement Classes: Biology, Calculus AB, Calculus BC, Chemistry, English Literature and Composition, Environmental Science, Spanish Language, United States History, World History

Online Advanced Placement Classes: Biology, Calculus AB, Calculus BC, Chemistry, English Literature and Composition, Environmental Science, Spanish Language, United States History, World History

Overview

We opened our doors in September 2011 with a 9th grade and will add one grade every year until 2015-2016. We operate under the classical philosophy that all knowledge is interrelated. We expect all of our students to graduate in four (4) years and attend top 4-year colleges and universities. A graduate of Maspeth High School will be fully prepared for college, career and productive citizenship.

Academic Opportunities

Program Highlights: Interdisciplinary curriculum with emphasis on the Classics. Students are required to read and write on a daily basis using technical speech, active listening techniques and critical thinking skills; 4 years of mathematics, science, arts, Latin and English are required; extensive and fully-integrated fine arts program featuring Visual Arts, Music, Dance, Theater

Language Classes: Classical Greek, Latin

Advanced Placement Classes: Biology, Calculus AB, Calculus BC, Chemistry, Economics: Macro, English Language and Composition, English Literature and Composition, Government and Politics: United States, Latin: Vergil, Physics B, Studio Art: 2-D Design, United States History, World History

Extracurricular Activities and Clubs

Chess Team, Classics, Debate Team, Art Exhibitions, Green Club, International Thespian Society, Key Club, Math Team, Mock Trial Team, Model UN, Moot Court Team, National Honor Society, Robotics, Science, Student Government, Yearbook, Future Doctors, Fitness, buildOn, 4H Club, Junior State of America, Science Olympiad, Philosophy, Maspeth Aeronautics and Space Association (MASA), Literary Magazine, Homeric Society, Gilder Lehrman, String Ensemble, MHS Choir, Dance Company, Cheerleading, Speech Team, Unity, Red Cross

PSAL Sports – Boys: Baseball, Basketball & JV Basketball, Lacrosse, Soccer, Wrestling

PSAL Sports – Girls: Basketball & JV Basketball, Softball, Volleyball

PSAL Sports – Co-ed: Cricket

School Sports: Golf, Soccer, Fencing, Football, Tennis, Track & Field, Flag Football

Overview

Students that come to our school are interested in math and science. Students learn how to conduct scientific research and have an opportunity to receive college credit through our affiliation with Queens College (College Now), Queensborough Community College, University at Albany – State University of New York (University in the High School) and the State University of New York College of Environmental Science and Forestry (SUNY-ESF). Students graduate from our school prepared with the necessary skills to succeed in college and in the world of work.

Academic Opportunities

Program Highlights: NYU School of Medicine STEP High School Fellows Program, Urban DNA Bar Code Project (Museum of Natural History), State of NY College of Environmental Science & Forestry (SUNY-ESF), University in the High School (SUNY @ Albany), American Historical Society, Department of Education FitnessGram Program, Forensic Science

Language Classes: Spanish

Quality Review Score (2012-2013): Proficient

Overview

We follow the Expeditionary Learning model, in which students engage in learning expeditions and have multiple opportunities for hands-on learning. Students participate in fieldwork experiences with civic leaders, industry figures and environmental scientists who take them outside of the classroom and give them a chance to experience the concepts they are learning. Students receive a strong background in science, technology and sustainability and have many opportunities to apply the ideas learned in class to real-world projects after school.

Academic Opportunities

Program Highlights: Four-day wilderness/backpacking adventure, Crew (small Advisory groups), Project-based learning, multiple opportunities for fieldwork; as we expand, we plan to have a Travel Abroad/Cultural Exchange Program

Language Classes: French, Spanish

Advanced Placement Classes: Biology, Calculus AB, English Literature and Composition, Government and Politics: United States

Overview

Our mission is to offer students opportunities to achieve success by providing a small personalized environment on a college campus. We provide concrete experiences that help students connect to the next stages of their academic and social lives as well as their careers. They have open access to the campus of LaGuardia Community College and may enroll in college classes as part of their high school instructional program.

Academic Opportunities

Program Highlights: The focus in grades 9 and 10 (lower division) is academic and literacy skill development to prepare students for college course work. Starting in the 10th grade students become eligible to apply for college courses. During their senior year, students can apply to remain a 5th year to receive their Associate Degree or earn college credits from LaGuardia Community College. All students are required to enroll in college classes. All students who are enrolled in college classes receive extra support through seminar classes.

Language Classes: American Sign Language

Quality Review Score (2009-2010): Well Developed

Overview

Our outstanding educational program provides a pathway for new immigrants to pursue their academic dreams. Newcomers is internationally recognized for the exceptional quality of teaching, learning and support services for English Language Learners offered. An essential part of the school is an orientation program that begins on the first day. Recognizing that students initially face challenges to adapt, the orientation process eases our students' transition to a new educational, social, linguistic and cultural setting. The program assists our students in acquiring necessary survival skills, from learning about the subway system to adopting key phrases to help them function in their daily lives.

Academic Opportunities

Program Highlights: Intensive ESL and bilingual programs, Virtual Enterprise, digital design, Math Team, orchestra, chorus, advanced visual art program, media/TV production studio, Photoshop, Big Brothers Big Sisters, Junior Achievement, 21st Century Grant Programs, Arts Achieve, College Now Program in partnership with LaGuardia Community College

Language Classes: Chinese (Mandarin), Spanish Native Language Arts

Overview

The Pan American International High School is a diverse learning community of recently-immigrated English Language Learners (ELLs). Our primary focus is English language development; at the same time we provide opportunities to enrich students’ Spanish language skills. Students learn about Latin American themes and topics which are integrated into both classroom learning and community service projects. The Puentes Program, a partnership with the Latin American Integration Center, cultivates the leadership skills of students in their communities through service learning projects and internships. We are committed to creating an environment that values students’ cultures, native languages and individual differences, while preparing them for success as they navigate a changing world.

Academic Opportunities

Program Highlights: Electives, After-school activities, Internships, Involvement with community organizations, Make the Road New York, College Prep

Language Classes: Spanish Native Language Arts

Extracurricular Activities and Clubs

Leadership Project, Peer Tutoring, Advanced English, Art Design and Exhibition, Baile Folklorico, Campaña Verde, Comics, Crochet, Dance, Drama Class, Family Festivals, Guitar, History Regents Prep, Latino Youth for Higher Education Program (LYHEP), Math Regents Prep, Music, Newspaper, Photography, Saturday Explorers, Science Regents Prep, Social Action Projects and Campaigns, Sports, Student Congress, Talent Show, Voice

School Sports: Badminton, Baseball, Fitness, Floor Hockey, Football, Soccer, Yoga

Admissions Priorities and Programs

Admissions Priorities

1. Open only to New York City residents living in the United States four years or fewer whose home language is Spanish and are English Language Learners per New York City Department of Education guidelines scoring at the Beginner or Intermediate level on the NYSESLAT or LAB-R.

Overview

Queens High School for Information Research and Technology (QIRT) provides a challenging academic program to students of diverse backgrounds, achievement levels and interests in a small, student-centered learning community. As a Community Learning School, we partner with community-based organizations to help our students become physically, mentally and academically well-rounded. We challenge our students to expand their intellect and talents through scientific research, field-based learning, web-based communication and problem-solving projects. We help each child become college-ready through rigorous coursework, Advanced Placement Classes and College Now courses. Our goal is for each student to acquire the ability to access, interpret and use information and technology to communicate effectively and prepare to meet the challenges in this ever-changing world.

Academic Opportunities

Program Highlights: Certification in IC3, preparation for Cisco Certification exam, programs in C++, Adobe, Cloud Applications, Life Application Research Project (LAP)
Language Classes: Spanish
Advanced Placement Classes: Biology, English Literature and Composition, World History

Extracurricular Activities and Clubs

Male Empowerment Group/Student Organization for Unified Leadership (SOUL), Student Government, Community Service, FIRST Tech Robotics Team 2895, Peer Tutoring, Arts and Crafts, Cheerleading, Music Club, Yearbook

Overview

At Queens High School for Language Studies, all students graduate ready for success in college, proficient in both Mandarin Chinese and English. Students master a well-rounded curriculum, taking a variety of advanced math and science classes, arts classes and Advanced Placement and College Now courses in higher grades. English proficient students commit to four years of Mandarin Chinese study. Native Chinese-speaking English Language Learner students take intensive English as a Second Language classes. All students graduate having communicated actively in both Mandarin Chinese and English. Our teachers strive to develop critical thinking skills and spark intellectual curiosity in a caring, small-school environment. Our entire community works to embody QHSLS PRIDE: persistence, responsibility, inquiry, determination, and empathy. By meeting the academic, emotional, and language needs of our students, we challenge and encourage our graduates to achieve their best potential, not just in one language but in two.

Academic Opportunities

Program Highlights: Our program is designed for students to work towards an Advanced Regents Diploma. We have a four-year Chinese language program and students have extended day for language, arts and enrichment classes (currently advisory, theater, statistics, and film studies). As we grow, we plan to offer additional arts classes in music and visual arts, as well as College Now classes. Advanced Placement classes we plan to offer include Biology, Calculus, Chemistry, Chinese Language and Culture, English Language and Composition, Government and Politics: United States, Physics B, Statistics, and/or United States History. SAT Prep, college admissions counseling, community service projects and internship opportunities will also be available as students advance to 11th and 12th grade.

Language Classes: Chinese (Mandarin), Chinese Native Language Arts

Extracurricular Activities and Clubs

Music, Anime, Chess, Community Arts, Drama, Math, Computer Programming, Student Government, Daily tutoring; As we grow, we plan to offer language labs, dance, newspaper, yearbook, and others proposed by students, and PM or Saturday school as needed; Taekwondo and Korean traditional dance classes are offered through school partnerships with community organizations.

PSAL Sports – Boys: Baseball, Basketball, Bowling, Football, Handball, Indoor Track, Soccer, Tennis, Volleyball, Wrestling

PSAL Sports – Girls: Basketball, Handball, Indoor Track, Soccer, Softball, Volleyball, Wrestling
School Sports: Intramural: Basketball, Badminton, Volleyball, Yoga

Admissions Priorities and Programs

Admissions Priorities

1. Fifty percent (50%) of the incoming 9th graders will be English Proficient students and fifty percent (50%) Chinese (Mandarin)-speaking English Language Learners as per New York City Department of Education guidelines
 - a. Priority to Queens students or residents
 - b. Then to New York City residents

Overview

Our school is dedicated to providing a challenging curriculum emphasizing the sciences, in collaboration with York College/The City University of New York (CUNY). Founded in September 2002, the school is one of the eight Specialized High Schools where admission is based on the score attained on the Specialized High Schools Admissions Test. The philosophy of the school is that students are more successful in life when nurtured in a small learning community. For this reason, our school accepts approximately one hundred students in each entering class and maintains an average class size of twenty-seven students.

Academic Opportunities

Program Highlights: We have a strong curriculum, including fourteen Advanced Placement courses and many electives, especially in math and science; Students have the opportunity to enter science, mathematics and technology competitions at city, state and national levels; College Now; Course offerings vary from year to year based on student interest

Language Classes: Chinese, Spanish

Advanced Placement Classes: Biology, Calculus AB, Calculus BC, Chemistry, Chinese Language and Culture, Economics: Macro, English Language and Composition, Environmental Science, Government and Politics: United States, Physics B, Spanish Language, Statistics, United States History, World History

Extracurricular Activities and Clubs

Amnesty International, Arista Honor Society, Art History, Art Portfolio Preparation, Biology, Board Game, Book, Chemistry and Physics Olympiads, Chess, Chorus, Christian Fellowship, Dance, Digital Photography, Drawing, Film, Intel Science Talent Search, Jazz Ensemble, Key Club, Knitting, Leadership Class, Literary Magazine, Math Competitions, Math Team, Model UN, Music, Music Appreciation, Newspaper, Peer Tutoring, Polar Bear Club, Radio Drama, Science, Siemens Science Competition, Sigma Sorority, Student Government, Volleyball, Environmental

PSAL Sports – Boys: Handball, Swimming, Tennis

PSAL Sports – Girls: Bowling, Swimming

School Sports: Bowling, Dance, Handball, Swimming, Tennis

Admissions Priorities and Programs

Admissions Priorities

1. Open to New York City residents who take the Specialized High Schools Admissions Test (SHSAT)

Program Name	Code	Interest Area	Admissions Method	Grade	2014 Seats	2014 Applicants
Queens High School for the Sciences at York College	NO CODE	Science & Math	Test	9	104	16859
				10	10	860

Selection Criteria: Admission to this Specialized High School is based solely on the score obtained on the Specialized High Schools Admission Test (SHSAT). Students should speak to their guidance counselors in the Fall to register for the SHSAT. Guidance counselors will provide each student with an Admission Ticket indicating the date, location and time of the SHSAT. The ticket must be presented at the test site. Students should inform their guidance counselor if they are unable to test on the day assigned.

Overview

Queens Metropolitan High School is a college preparatory school. Our mission is for 100% of our students to attend and graduate from a college of their choice. In order to prepare students for college, we require that they push their thinking in all content areas. Students will frequently be asked to write, defend their answers and apply what they are learning to new situations. In addition to coursework, students will take college trips and research college options to determine the college of their dreams.

Academic Opportunities

Program Highlights: Dance, Theatre, Visual Arts, Chorus, Guitar, College 101

Language Classes: French, Italian, Spanish

Advanced Placement Classes: Biology, Calculus AB, Calculus BC, English Language and Composition, English Literature and Composition, Government and Politics: United States, Spanish Language, United States History

Overview

The Queens School of Inquiry is an early college school designed to prepare students to succeed in and complete college early. Our students have the opportunity to earn up to 62 tuition-free Queens College credits while still in high school. We help students develop academic skills in an environment that promotes inquiry-based learning and self-management. A close collaboration with Queens College, The City University of New York (CUNY), and the Bill & Melinda Gates Foundation, along with a dedicated faculty, enables us to promote college readiness and career awareness. We are a neighborhood school that emphasizes real-life applications of academic content in our effort to educate caring and ethical citizens.

Academic Opportunities

Program Highlights: Students begin taking dual credit courses in the 9th grade through Queens College; By 11th and 12th grades, the majority of students have the opportunity to take college classes on the Queens College campus.

Language Classes: Spanish

Advanced Placement Classes: Biology, Chemistry, Psychology

Extracurricular Activities and Clubs

Anime, Drama, Early Morning Tutoring, Ivy Society, Math Tutorial, Mathletes, National Honor Society, Peer Mediation, Photography, Robotics, Senior Committee, Silver Chord, Spirit Squad, String Ensemble, Student Government, Studio Art, Yearbook; Students are encouraged to initiate clubs pertaining to their individual interests

School Sports: Boys Varsity Basketball, Girls Volleyball; Students are encouraged to initiate sports based on their interests

Admissions Priorities and Programs

Overview

"QV is a family. The teachers are always eager to help at a moment's notice and are very kindhearted and professional. I felt safe and at home when I was there as a student. With all of the trades available, the possibilities are endless. After the best four years of my life, with the help of all of my wonderful teachers, I became a skilled, outspoken, confident individual and a leader. QV made me into a hardworking young man, ready for whatever life throws at me." – Khiran Samsundar, Class of 2013

Overview

Through a college preparatory curriculum, our school focuses on the crucial life skills of problem-solving, critical thinking and literacy. Our school meets all students' educational needs beginning with the Ninth Grade Academy and continuing with focused Small Learning Communities. All our programs foster high expectations and academic achievement in a positive and supportive learning environment. The Small Learning Community pathways include themed programs for college and career readiness. We welcome our students and parents to join us in cultivating a professional learning community.

Academic Opportunities

Program Highlights: Students are provided the opportunity to explore and gain insight into their interests in a variety of career-related fields. Offerings include courses in Law, Engineering, Forensics and Health Sciences, Business and Finance, Travel and Tourism, and Virtual Enterprise. Additional courses include Achieve 3000 for Intermediate ESL/Bilingual students, Rosetta Stone for Beginner ESL/Bilingual students and APEX Virtual Learning School. College Now courses for college credit include: World History, Psychology, Genetics, and Teaching with Multimedia Computer Applications. Students have access to college application workshops and internships with local businesses.

Language Classes: Spanish

Advanced Placement Classes: Biology, Calculus AB, English Literature and Composition, Government and Politics: United States, Spanish Language, Spanish Literature, United States History, World History

Extracurricular Activities and Clubs

Law, Anime, Art, Conflict Resolution, Instructional Technology, Key Club, Leadership Program, Mural Painting, National Honor Society (ARISTA), Peer Mediation through the Anti-Defamation League, South Asian Youth Action (SAYA!), Student Government, Travel and Tourism, US Army STARS Program, Cheerleading, Art/Music Fair, After-school Tutoring and Regents Preparation, Mock Trial, Yearbook, Fashion/Talent Show, Beautification Club, Sports Night, Breast Cancer Walk, March of Dimes Walk, Blood Drives, Clothing Drive, Holy Child Food Pantry (Food Drive), Pep Rallies, HOSA (Future Health Professionals)

Overview

Our school is known for being welcoming and supportive. Many of our teachers have been here for more than 10 years and our graduates often visit. Once you are part of the Wagner family, you will always be a part of the Wagner family. Our teachers meet weekly to create a rich, meaningful curriculum. All students have an advisor responsible for monitoring their progress. Our college and career readiness curriculum helps our students become competitive candidates for college and prepares them for life beyond high school. Come to a place where people know your name, know what you need to learn and are dedicated to supporting you.

Academic Opportunities

Program Highlights: Year-long introductory courses in Arts and Technology for 9th graders; Piano, music composition, visual arts, advanced drawing and painting, theater, advanced theater; College Now; other Early College opportunities; Middle College National Consortium student leadership conference, monthly town hall meetings featuring student talent shows, APEX Learning (online curriculum)
Language Classes: Spanish
Advanced Placement Classes: Biology, English Literature and Composition

Extracurricular Activities and Clubs

Art (twice a week), Chess Team (nationally ranked), College Readiness, EatWise, Full piano lab with 30 keyboards, Garden Club at Long Island City Roots Community Garden, Gay-Straight Alliance, Crochet, Chinese Calligraphy, Foreign Film, Tech Team, Comic Book, Anime; Multiple field trips to museums and galleries; Music Composition Lab, National Honor Society/Arista, PENCIL; Portfolio development for students interested in applying to art school; Radio, School Leadership Team, Senior Give-Back projects, Student Talent Showcases; Theater program with professional-level productions; United Student Organization (USO), Yearbook

Overview

Our high school provides students with a challenging and enriching academic program that will prepare them for college. Given the size of our school community, the faculty and staff have the opportunity to work collaboratively with students. Our emphasis on the mastery of reading, writing and critical thinking prepares students to be successful in achieving their future goals. Classrooms are equipped with a variety of dynamic technology to fully immerse and engage students in the content they are studying. Our digital television studio allows students to generate TV programs, interviews and panel discussions that relate to our school and community.

Overview

Learning is a constant at Rockaway Collegiate High School (RCHS). We offer a collaborative educational experience in which talented students are challenged to expand their intellect and develop the habits of inquiry, expression, critical thinking, problem solving, research and presentation. We ensure this with the development of consistent structures, additional time and support when needed. RCHS strives to know each student personally through the provision of an individualized student success plan which outlines the steps each student needs to take, informed by precise data, in order to be academically successful. Every student is required to provide portfolios and pass Regents exams.

Academic Opportunities

Program Highlights: Individual Success Plans (ISP), Exploration Lab, Foundations in Personal Finance (Financial Peace Foundation), Public Speaking, Academic and Social Networking through our Mentorship Program, Summer Leadership Academy, Saturday Success Academy, Advisory, Community Service, Internships

Overview

The mission of Rockaway Park High School is to prepare students for college and career through a curriculum centered on environmental sustainability. We believe learning is most dynamic when students are given hands-on experiences through an inter-disciplinary curriculum that reaches a wide range of learning styles. Rockaway Park High School is a highly personalized environment in which each student is known well by the school community. Students graduate with the critical thinking skills necessary to pursue their scholarly passions and interests after high school.

Academic Opportunities

Program Highlights: Learning Voyages (in-depth investigations of themes or topics crossing multiple academic subjects that engage students in the classroom and the wider world through authentic projects and/or field work); Collaboration with many community partners to develop our students as future leaders; Extra tutoring for students before and after school; Specialized carpentry program that includes building boats and other exciting projects; Kaplan SAT prep classes and a four-year sequence of college trips provided for students in 9th-12th grade

Language Classes: Spanish

Advanced Placement Classes: English Language and Composition, English Literature and Composition, Environmental Science, Psychology, United States History

Extracurricular Activities and Clubs

After-school and Saturday classes provide extra support and preparation for the NYS Regents Examination; Advanced Placement Preparation, Accelerated Classes, Art, Dance, Fitness, Green Team, Nova Net (online classes), Student Government and Leadership Organization, Mentoring Program, Summer Bridges Program (for incoming freshman), Theatre, Yearbook Committee, Internships

PSAL Sports – Boys: Baseball & JV Baseball, Basketball & JV Basketball, Football & JV Football, Soccer, Tennis, Volleyball

Overview

Scholars' Academy is an academically accelerated selective high school that prepares students for the challenges of college learning. Comprised of multi-talented students, our diverse student body is challenged by an ambitious curriculum in English, Math, Science, Social Studies, Language and the Arts. All classes are honors or Advanced Placement (AP) and students have the opportunity to earn college credit in their junior and senior years. Teachers work closely with students on an individual basis within a school-wide cooperative group structure to ensure their success.

Academic Opportunities

Program Highlights: Scholars' Academy allows students to complete most high school graduation requirements by the end of grade 10; All students take AP courses in grades 11 & 12; Many apply for internships; College credit at St. Francis College; The Academy offers elective courses in media, visual arts, technology and music; Advanced courses in visual arts; online courses offered in grade 12

Quality Review Score (2008-2009): Well Developed

Overview

Townsend Harris is an academically selective high school that is recognized nationally as a model of secondary education. The student body is comprised of approximately 1,100 culturally diverse individuals who have demonstrated evidence of high academic motivation and achievement. Our program emphasizes mastery in the Humanities, Math and Science, with an emphasis on Classics, and requires of our students the leadership skills, discipline and work ethic expected by the most demanding colleges and careers.

Academic Opportunities

Program Highlights: Our Career and Technical Education opportunities include the following courses: Robotics, Bio-Medical Technology, Law Academy and New Media. All classes are Honors, Advanced Placement or college-level; advanced elective courses are offered in all subjects, including Social Science and Science Research programs. Our Humanities-focused curriculum includes two additional 9th grade English classes: Writing Process and Linguistics. All seniors take 12 tuition-free college credits at Queens College, including two electives and a Humanities Seminar co-taught by a professor from the college and a teacher from our school. We offer Concert Band, Chamber Music, Jazz Ensemble and Music Theory. Juniors may take College Now Classes at Queens College.

Language Classes: Classical Greek, French, Hebrew, Japanese, Latin, Spanish

Advanced Placement Classes: Calculus AB, Calculus BC, Economics: Macro, English Literature and Composition, Environmental Science, European History, French Language, Government and Politics: United States, Human Geography, Japanese Language and Culture, Music Theory, Physics B, Psychology, Spanish Language, Statistics, United States History, World History

Overview

At Veritas Academy, you will learn about the values of truth, dignity, and humanity. Dedicated staff members will help you reach your full potential through learning about your individual aspirations and strengths. Through disciplined study, you will collaborate with your teachers to make connections between what you learn in the classroom and the real world. By participating in advanced-level learning opportunities, internships, and volunteer work, you will use your individuality and creativity to help others. At Veritas, we will work together so you can bring justice, respect, and equity to the human race.

Academic Opportunities

Program Highlights: The Renzulli Schoolwide Enrichment Program includes an interdisciplinary academic curriculum and project-based enrichment electives with residencies and internship opportunities in the following areas: Athletics, Business and Entrepreneurship, Cultural Studies, Environmental Studies, Graphic Arts, Humanities, Photography, Music, Journalism, Law, Literary Arts, Media Studies, Medicine and Health Professions, Technological Sciences, and Visual and Performing Arts. As the school expands, we also plan to offer Advisory/Independent Studies, extensive AP courses, College Now, Korean Bilingual Program, Korean Cultural Studies, honors and accelerated classes, after school programs, SAT/ACT prep classes, and Latin and Greek Word Study. The school’s guidance department helps students with college and career portfolios, college applications, and college visits. A research-based thesis is required for graduation.

Overview

At World Journalism Preparatory, journalism is a tool used to share learning and practice the habits of critical thinking regarding citizenship and democracy. Student publications include a school newspaper, magazines, television programs, podcasts, websites, blogs and wikis. Immersion Journalism opportunities exist for fieldwork, creative projects, performances, interviews and readings set in the community. The school has writing labs for parents as well as students. Students visit television networks, newspapers, publishers, colleges and other post-secondary schools.

Overview

The mission of York Early College Academy is to develop the skills needed for success in college and careers. College preparation is introduced and continually communicated to our students. This goal is expressed by teachers, parents and the surrounding, supportive community. In addition to a challenging academic curriculum, we are pleased to offer students the opportunity to graduate from our school with a high school diploma and 60 college credits. Our students will have the opportunity to study with the full support of York College, the Early College Initiative and the Department of Education. York College Academy is an open road to college.

Overview

The Young Women's Leadership Schools (TYWLS) were established to nurture the intellectual curiosity and creativity of young women by supporting the 'whole girl' in order to maximize academic achievement, social emotional well-being, and postsecondary success. TYWLS is supported by The Young Women's Leadership Network and its CollegeBound Initiative in order to replicate the best practices of private and independent girls' schools. TYWLS of Astoria opened in 2006 as the 4th in the Network. The school approaches learning in a dynamic, participatory fashion, encouraging students to take responsibility for their own learning. TYWLS strives to instill in students a sense of self-efficacy and community responsibility, characteristics which will support them as they become the leaders of the next generation.

Academic Opportunities

Program Highlights: CollegeBound Initiative, small interdisciplinary learning environment, collaborative group work and project-based instruction; Advisory classes focusing on female adolescent development, positive self-image, early college awareness

Language Classes: Spanish

Overview

The Young Women's Leadership Schools (TYWLS) were established to nurture the intellectual curiosity and creativity of young women by supporting the 'whole girl' in order to maximize academic achievement, social emotional well-being, and postsecondary success. TYWLS, Queens is supported by Young Women's Leadership Network and its CollegeBound Initiative in order to replicate the best practices of private and independent girls schools. TYWLS of Queens opened in 2005 as the third school in the network. TYWLS, Queens strives to instill in students a sense of self-efficacy and community responsibility, characteristics that will support them as they become the leaders of the next generation. TYWLS of Queens expects families to play an active role in their daughters' education.
