4TH ANNUAL CAREER MENTOR DAYS!

On March 18th and 20th, Hudde will have guest speakers of various ethnicities within various careers speaking out to our eighth grade boys and girls. Projects will be given out to our eighth grade students on the week of February 10-14th in a student assembly. On the date of their event each student is asked to be dressed for an interview. They will hear from several guest speakers and enjoy a meet and greet luncheon.

Parents, we are asking for your support! If you or someone you know is a nurse, doctor, banker, lawyer, politician, singer, soldier, police officer, firefighter, actor, scientist, administrator, supervisor, etc. and can inspire one of our students we ask that you call Ms. Clemente. Our Career Days are each year successfully attended with career men and women inspiring our young boys and girls. We hope to have more parents involved to offer their triumph of success.

We would like to see a larger variety of career professionals so that every student can meet someone along the line of their dream career.
