South Carolina Band Trip

From April 23rd to April 26, the James Madison Symphonic and Jazz bands competed in the *Heritage Music Festival*, which took place in Myrtle Beach, South Carolina. We were the only school from New York to compete.

After the competition, the bands were treated to dinner and a show at *Medieval Times*, which is also where the Awards Ceremony took place. In their categories, our Jazz Band was the adjudicator's pick for overall top band and won a gold medal and a

trophy. The Symphonic band received a silver medal and a trophy for the most outstanding band group.

Along with these awards, two of our students were given individual awards. Drummer Joseph Messano and Trumpeter Vincent Ribeiro both received the *Maestro Award* for their outstanding achievement.
