REQUEST FOR PROVISION OF MEDICALLY PRESCRIBED TREATMENT (NON-MEDICATION)

PROVIDER TREATMENT ORDER FORM— OFFICE OF SCHOOL HEALTH - School Year 2017-2018

The Following Section To Be Completed By Student's Parent/Guardian

I hereby consent to the provision of medically prescribed treatment in accordance with the attached instructions of my child's health care practitioner. I understand that it is my responsibility to furnish all necessary equipment and supplies for the prevision of the requested treatment, and that I must immediately advise the school nurse of any change in the prescription or instructions stated above.

I understand that this consent is only valid until the end of a New York City Department of Education ("DOE") sponsored summer instruction program session; or such time that I deliver to the school nurse a new prescription or instructions issued by my child's health care practitioner regarding the administration of the above-prescribed monitoring and treatment (whichever is earlier).

By submitting this Request for Provision of Medically Prescribed Treatment (Non-Medication) Form, I am requesting that my child be provided with specific health services by the Department and the New York City Department of Health and Mental Hygiene ("DOHMH") through the Office of School Health ("OSH). Full and complete instructions regarding the provision of the above-requested health service(s) are included in this form. I understand that the Department, DOHMH and their agents, and employees involved in the provision of the above-requested health service(s) are relying on the accuracy of the information provided in this form.

I recognize that this form is not an agreement by the Department or DOHMH to provide the services requested, but, rather, my request, consent and authorization for such services. If it is determined that these services are necessary, a Student Accommodation Plan may also be necessary and will be completed by the school.

I understand that the Department or DOHMH, and their employees and agents, may contact, consult, and obtain any further information they may deem appropriate relating to my child's medical condition, medication and/or treatment, from any health care practitioner and/or pharmacist that has provided medical or health services to my child.

<u>SELF-ADMINISTRATION OF TREATMENT: Initial this paragraph for prescribed treatments self-administered by the student</u>**

__________ INITIAL HERE	I hereby certify that my child has been fully instructed and is capable of self-administration of the prescribed treatment. I further consent to my child's self-administration of the above-prescribed treatment in school. I acknowledge that I am responsible for providing my child with such equipment in containers labeled as described above, for any and all monitoring of my child's use of such treatment, for any and all consequences of my child's self-treatment in school. I understand that the school nurse will confirm my child's ability to self-treat in a responsible manner. In addition, I agree to provide "back-up" equipment in a clearly labeled container to be kept in the medical room in the event my child does not have sufficient medication to self-administer.
__________ INITIAL HERE	I consent to the school nurse storing equipment and/or administering treatment to my child in the event that my child is temporarily incapable of self-storage and/or self-treatment.

Please note: * Please note that parent prepared feeding or nurse prepared feeding, i.e. mixing powder with water, must receive approval from the Director/Deputy Director of Nursing
