Educational Impact Statement

I. Description of the subject and purpose of the proposed item under consideration.

In the 2010-2011 school year, Metropolitan Lighthouse Charter School (“Metropolitan Lighthouse”), a new charter school that will serve grades K-12 at scale, will open and be temporarily housed in school buildings X093 (hereinafter referred to as “X093”) and minischool building X893 (hereinafter referred to as “X893”), located at 1535 Story Avenue, Bronx, in Community School District 8 (“District 8”). Metropolitan Lighthouse will open in 2010-2011 with approximately 130-140 students in Kindergarten and grades 1 and 2, and will add one grade each school year until it is at scale in 2021-2022. The long-term site for Metropolitan Lighthouse that would serve the full organizational needs of the school at its full grade scale has yet to be determined.

Metropolitan Lighthouse will be co-located in X093 and X893 with P.S. 93 Albert G. Oliver (“P.S. 93”) beginning in the 2010-2011 school year. The 2008-2009 target capacity of X093 was 513, and its target utilization rate was 72%. The 2008-2009 target capacity of X893 was 157 and its target utilization rate was 103%. P.S. 93 is currently co-located in the buildings with Carl C. Icahn North Bronx Charter School (“Icahn North”). Icahn North, however, is moving out of the building prior to the start of the 2010-2011 school year. Thus, there will be sufficient space in X093 and X893 for Metropolitan Lighthouse and P.S. 93 to operate at full organizational capacity in 2010-2011.

The co-location of Metropolitan Lighthouse in X093 and X893 will help to address elementary school overcrowding in Soundview, and will serve to increase access to high quality elementary school options for students residing in District 8.
