Educational Impact Statement

I. Description of the subject and purpose of the proposed item under consideration.

In the 2010-2011 school year, KIPP Infinity Charter School (84M336, “KIPP Infinity”), an existing school that serves grades 5-9, will implement a gradual grade reconfiguration plan to expand its current grade configuration to K-8. (Grades 9-12 will be at sited M460, pending PEP approval). KIPP Infinity is currently housed in school building M195 (hereinafter referred to as “M195”), located at 625 West 133 Street in Community School District 5 (“District 5”). KIPP Infinity is currently co-located with I.S. 195 Roberto Clemente (05M195, “I.S. 195”) in M195.

The 2008-2009 target utilization rate of M195 was 66%, and its target capacity is 1,372. M195 has sufficient space for the grade expansion of KIPP Infinity and I.S. 195 to operate at full organizational capacity.

Beginning in 2010-2011, KIPP Infinity will serve grades K and 5-8 at M195. Grades 9-10 will be served at another location, which will be addressed in a future educational impact statement. Grade 1 will be added in 2011, grade 2 will be added in 2012, and grade 3 will be added in 2013. As KIPP Infinity’s reconfiguration plan is implemented, the school and the DOE will consider whether M195 will be able to accommodate KIPP Infinity’s and I.S. 195’s full operational capacity. The grade expansion of KIPP Infinity will create approximately 400 new seats in District 5. This proposal addresses the need to provide new high quality elementary options in District 5.
