## **Educational Impact Statement**

### **I. Description of the subject and purpose of the proposed item under consideration.**

In the 2010-2011 school year, Emolior Academy (12X383, “Emolior”), an existing school that opened in 2008 and currently serves students in grades 6-7 as it phases in, will move from its current location in Community School District 12 (“District 12”) to school building P.S. 214 (hereinafter referred to as “X167”), located at 1970 West Farms Road, Bronx, in District 12.

Emolior is currently housed in school building X834 (hereinafter referred to as “X834”), located at 1330 Bristow Street, Bronx, in District 12. It is co-located with P.S. 134 George F. Bristow (12X134, “P.S. 134”), a zoned elementary school serving students in PK-5, in X834 and X134.

In the 2010-2011 school year, Emolior will be co-located with P.S. 214 in X167. P.S. 214 is an existing zoned school serving 811 students in PreK-8. The 2008-2009 target capacity of X167 was 1,501 and its target utilization rate was 54%. Emolior Academy will complete its phase in by adding grade 8 in 2010-2011. X167 has sufficient space for Emolior Academy and P.S. 214 to operate at full organizational capacity.

X834 does not have sufficient space to allow Emolior Academy to reach its full grade scale. The re-siting of Emolior Academy to X167 will enable the school to have sufficient space to serve students once it is at scale, serving grades 6-8.

At this time, there is no plan for the use of space at X834 once Emolior moves out. Any proposal to site an additional school or program in the building will be addressed in a separate educational impact statement.
