"Every Child Deserves a Dad"

We all have busy lives and everyone can use extra support. Come out, do your part and find out what services are available for fathers in our communities. Our aim is to provide a plethora of meaningful resources for fathers, ACS staff and community service agencies for fathers who are directly or indirectly involved in the lives of their children.

The Bronx Vision is comprised of a group of dedicated men from NYC Administration for Children's Services, who are strategically engaging fathers in the community by linking them to educational and vocational opportunities, along with beneficial services.

All Dads Invited:

- **Job and educational opportunities**
- **Health resources**
