

Hello and Welcome to Connected Mathematics Project 3 (CMP3)!

To get started, please visit www.Pearsonschool.com/NYCCMP3 and click on “Resources & Toolkits”. Here is where you will find your NYC Teacher Implementation Toolkit.

Your NYC Teacher Implementation Toolkit includes the below components which you can download and print at any time. You will also receive an actual booklet version of the NYC Teacher Implementation Toolkit for your grade, along with the rest of your CMP3 materials.

Turn over to find out how you can register for your CMP3 training (demo) account. During Professional Development training, you will receive instructions on how to access course content for implementation.

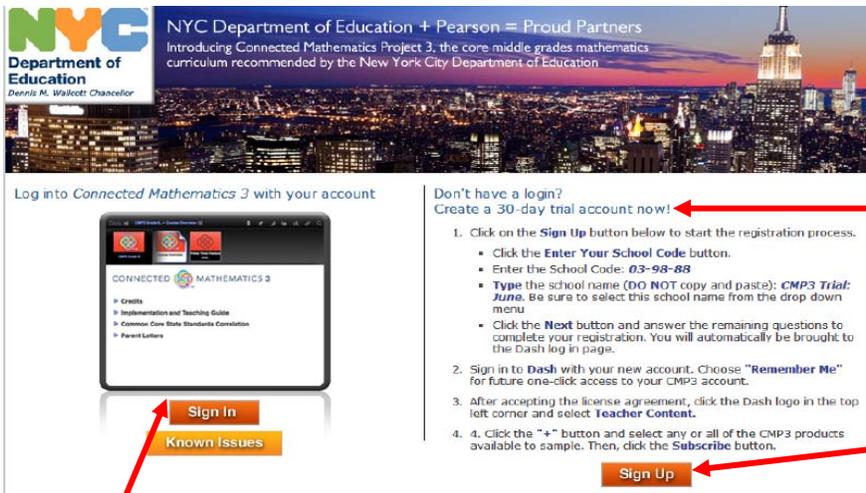

Sign up for your CMP3 training (demo) account!

Known Issues
Sign Up

1) Read through the directions.

2) Then, click the "Sign Up" button. Enter the information required to set up your demo account.

3) Your Dash login screen will appear. Log in using the username and password you just created. Click "Remember Me" so you won't have to enter your credentials next time.

4) The next time you wish to access your CMP3 demo account, come back to the www.Pearsonschool/NYCCMP3.com page, and click the "Sign In" button.

That's it! You are now ready for Professional Development training for CMP3. Remember, this is just a training (demo) account. You will receive instructions on how to access course content for implementation during the training.
