

CareerZone (www.careerzone.ny.gov) is a career exploration and management website for youth that is provided at no-cost to users by the New York State Department of Labor. There are many resources that can be used without creating a portfolio account, such as:

- Guest Tools
- STEM for Teens
- Assess Yourself
- Occupation Search
- Resources
- Career cluster exploration

The career clusters on the main page of CareerZone are identified by the New York State Education Department as the six career majors. Below is an example of the “Arts and Humanities” cluster and the occupations that fall within this cluster.

Search Results

Below are search results that match your criteria. Learn more details about each occupation by clicking on the occupation title.
