Co-location of New School (29Q327) with existing schools at Q059

Please be advised that this proposal will be reconsidered by the Panel at the March 23, 2010 Panel for Educational Policy meeting. Additional comments on this proposal can be submitted to the email address and phone number listed below.

I. Description of the subject and purpose of the proposed item under consideration.

This proposal was originally considered by the Panel at its February 24, 2010 meeting. In the 2010-2011 school year, Eagle Academy for Young Men III (29Q327), a new Department of Education school that will serve all male students in grades 6-12, is proposed to open in school building Q059 (“hereinafter referred to as “Q059”) at 132-55 Ridgedale Street, Queens in Community School District 29 (“District 29”). Q059 currently houses I.S. 59 Springfield Gardens (29Q059, “I.S. 59”). 29Q327 will open with approximately 80-90 grade 6 students in 2010-2011 and will grow to scale with approximately 450-500 grades 6-12 students.

The 2008-2009 target utilization rate of Q059 was 57%, and its target capacity was 1,460. Q059 has sufficient space for 29Q327 and I.S. 59 to operate at full organizational capacity.

The co-location of 29Q327 will create for Queen’s parents and families an all male school option. No such option currently exists in District 29.
