

Effort Rubric – Process over Product

Students were given the opportunity to participate in three activities that would positively impact their grade. The trade-off was that all of these tasks required a greater deal of effort.

Effort Rubric –

Extra Help	I attend one morning of extended day and arrive on time ready to do work.	I stopped in to extended day, but didn't stay the full period.	Asked for help in class, but did not attend extended day.	I did not attend extended day and I did not ask for help.
Study Sheet No partial credit	Completed task 100% Students created comprehensive study sheets. These study sheets provided answers to 13 questions, completing an additional worksheet, working in small stations and recording all answers. If they completed this task they received a full 15 points on their next assessment.	Completed 75% of the task	Completed 50% of the task	Did not complete the task/study sheet.
