# ACTION STEPS CHECKLIST

Use this Action Steps Checklist to plan out your fifth-grade year.  
Check the exact deadlines with your guidance counselor.

SEPTEMBER

- Review the Middle School Directory.
- Meet with your guidance counselor to discuss your middle school options and the Request for Testing (RFT) form where applicable.
- Contact schools of interest about open houses, information sessions, and audition dates.
- Check the middle school website for important dates: [schools.nyc.gov/middle](https://schools.nyc.gov/middle).
- Attend the District Middle School Fairs.

OCTOBER

- Attend the District Middle School Fairs.
- Return RFT to your guidance counselor, if applicable.
- Attend information sessions and open houses.
- Review Admissions Priorities for each school.

NOVEMBER

- Receive the Middle School Application.
- Check your commute for schools of interest.
- Get your application ready:
  - Rank the schools you are interested in attending.
  - Sign and make a copy of the application.

DECEMBER

- Submit your completed application to your guidance counselor by Thursday, December 1, 2016.

JANUARY/  
FEBRUARY

- Attend auditions and interviews.
- Complete school-based assessments and/or portfolios.

MARCH

- Receive and return New Middle Schools Application to guidance counselor (optional).

APRIL

- Middle school results letters distributed to families by guidance counselors.

MAY

- Students who submitted a New Middle Schools Application and received two matches, return notification letter to guidance counselor with choice of which match to accept.
- Students who wish to appeal must also return notification letter to their school, then return completed Appeal Application.

JUNE

- Middle School appeal results distributed to families.

# WELCOME

## TO MIDDLE SCHOOL ADMISSIONS

Middle school is a new and exciting time for children and families. Residents of New York City are able to apply to a wide range of middle school options that offer children a rich variety of opportunities to explore their interests. It is our hope that this directory will help you find a school that suits your child's needs, interests, and aspirations during this exciting and important time.

This directory contains information about all public middle schools that are open to students and residents in this district. This introduction will guide you through Middle School Admissions, from learning about schools to submitting your application.

These additional resources will also help in your Middle School Admissions journey.

### Website

[schools.nyc.gov/middle](https://schools.nyc.gov/middle)

Check this site throughout the year to get more information and resources.

### Email

[schools.nyc.gov/subscribe](https://schools.nyc.gov/subscribe)

Sign up for updates about Middle School Admissions.

### Phone

**718-935-2398**

Call anytime with questions about Middle School Admissions.

### Family Welcome Centers

[schools.nyc.gov/welcomecenters](https://schools.nyc.gov/welcomecenters)

Receive admissions and enrollment help from a Family Welcome Center staff member. Family Welcome Center locations are listed on the inside back cover of this directory.

# 1.0 HOW DO I PARTICIPATE IN MIDDLE SCHOOL ADMISSIONS?

## Receiving My Application

In order to participate in Middle School Admissions, you must submit a Middle School Application by Thursday, December 1, 2016. The application will be personalized for your child and includes all of the middle school programs to which your child may apply.

If your child is eligible for any new NYC Department of Education schools or programs, you will be invited through your child's guidance counselor to apply to these programs in February. Applying is optional. If your child receives a match to a new school or program, you will have to choose between your new school match and your main round match.

A match means the student has received a placement in that program for the following school year. Most students are matched to one of the programs ranked on their Middle School Application, although it is not guaranteed. If your child does not match to one of the programs ranked on his or her application, s/he will receive a placement in a school where s/he is eligible to attend middle school. This could be either: (1) a school in the district to which s/he is zoned to attend middle school or, when different, (2) the district where s/he attends public elementary school.

## What happens if my child is not currently enrolled at a New York City public school?

Students not currently enrolled in a New York City public school—which means students currently attending a private or parochial school or new to New York City—will need to

request an application for the district in which they live from a Family Welcome Center. When you request an application, provide the Family Welcome Center with a 2016 report card from your child's school with grades, attendance, and academic and personal behavior competencies so that they may be included as part of the admissions process.

Private and parochial students are eligible to attend middle school in the district in which they are zoned for middle school or any programs open to their borough or New York City.

See the inside of the back cover for a list of Family Welcome Center locations.

## Completing My Application

All New York City public elementary school fifth graders receive a personalized application from their current school in November. This application will contain information about the student and will list all of the middle schools to which that student may apply.

To complete your child's Middle School Application, you will need to review parts 1, 2, and 3, rank schools in part 5, and sign and date the application in part 6.

## Reviewing the Application

**2017 APPLICATION FOR  
ADMISSION TO MIDDLE SCHOOL**

**1 STUDENT INFORMATION**  
Parent/Student: Please review the information below carefully. Contact personnel at your current school to update information on this page.

Student Name <b>Frances Wood</b>	Student ID # <b>123456789</b>	Date of Birth <b>1/1/2006</b>	Gender <b>F</b>

1.0

## Ranking Your Programs

In part 5 of the application, you will rank all of the middle school programs your child is interested in attending, in your order of preference. You should rank the program you most want your child to attend with a “1”; your second choice with a “2”; and so on. You may rank up to 12 programs on your application. Do not write in other programs because they will not be considered.

### 5 MIDDLE SCHOOL OPTIONS

Parent/Student: Please read the instructions below carefully before completing your application.

This “1” means that this is the program the student is most interested in attending.

Choice Number	District	Program Code	School Name/Program Name
2	1	M378L	School for Global Leaders
3	21	K239CM	Mark Twain (I.S. 239) Magnet Program - Computer/Math
1	21	K239VO	Mark Twain (I.S. 239) Magnet Program - Vocal
	1	M332S	University Neighborhood Middle School
4	1	M140S	The Nathan Straus Preparatory School of Humanities (P.S. 140)
	1	M301S	Technology, Arts, and Sciences Studio

After ranking your favorite programs, rank other programs you’d prefer over your least favorite programs. Remember, if you do not match to a program you’ve ranked, you will be matched to a program with availability in your district.

## Signing and Submitting My Application

Applications must be signed and dated in part 6. Return the completed application to your child’s middle school guidance counselor by Thursday, December 1, 2016.

### 6 PARENT/GUARDIAN NAME & SIGNATURE

Applications must be signed and dated.

Parent/Guardian Name (please print)

Parent/Guardian Signature

Date

## Schools Not on Your Middle School Application

**School-Based Application Schools:** Some middle schools in this directory have a school-based application process. These schools do not participate in Middle School Admissions and will not be listed on your child’s Middle School Application. Schools with their own application processes will not have any program information listed on their directory school page. Please contact these schools directly or visit the school’s website for more information about how to apply.

**Charter Schools:** Charter schools manage their own admissions, and will not be on your application. If you are interested in any charter schools, please contact them directly for more information about how to apply. For more information on charter schools, please see section 5.3 “Charter Schools.”

# 2.0

## HOW DO I USE THE MIDDLE SCHOOL DIRECTORY?

When looking for middle school programs to apply to, it is important to think about what will help your child learn and grow. Start by thinking about what matters to you and keep this in mind as you explore schools and programs in this directory.

This sample school page below shows you what a typical Middle School Directory school page looks like and includes all the information you want to review. Keep reading to learn how to use each section.

**City Lane School (I.S. 123) | 99A123**

Students at I.S. 123 benefit from engaging and high-quality classroom instruction alongside exciting extracurricular activities. Our curriculum promotes academic achievement, social development, and leadership skills. Students enjoy the personalized attention they receive in our small and nurturing classrooms. Our teachers work to develop an educational experience based on the unique needs of each student. Parents appreciate that our school is small, personable and fosters the intellectual and social growth of our students. We strive for academic excellence and believe that every child can and will succeed academically.

**Address:** 1738 City Lane, Brooklyn, NY 99999  
**Shared Building:** No  
**Site Accessibility:** Accessible  
**Contact Name:** Ms. Johnson, Principal  
**Email:** example@schools.nyc.gov  
**Phone:** 718-555-5555  
**Website:**  
 schools.nyc.gov/choicesenrollment/middle  
**Subway:** X, Y, Z to City Lane  
**Bus:** B25, B26, B44

See if it is a Zoned, District, Boroughwide, or Citywide middle school.

- **Zoned Schools:** Open only to students residing in the zone.
- **District Schools:** Have one or more programs open to students or residents of the district.
- **Boroughwide Schools:** Have one or more programs open to students or residents of the borough.
- **Citywide Schools:** Open to residents of New York City.

### School Location and Transportation

It is important to consider where schools are located in relation to your home. In section 6.1 "District Middle School Map," there is a map that shows the location of all the middle schools in this district. The map includes all middle schools in the district, including middle schools that you would apply to through Middle School Admissions, charter schools that have a separate admissions process, and schools that require a school-based application, if applicable. Research your child's train and bus route options for schools of interest.

For a summary of student transportation, please see section 5.7 "Student Transportation."

## 2.2 School Performance

Use this section to compare the performance statistics for each school and think about how they will help your child meet his or her goals:

The school performance section contains the following for each school:

- **Course and Test Results:** The percentage of students who passed courses in the core subjects (English, math, social studies, and science), and the percentage of sixth, seventh, and eighth grade students who scored at Level 3 or 4 on the New York State English and Math tests.

- **Most Commonly Attended High Schools:** The NYC Department of Education high schools most commonly attended by last year’s graduates of this school, and the percentage of graduates who attend each.
- **School Survey Results:** The percentage of students who feel safe in the hallways, bathrooms, locker room, and cafeteria as reported on the NYC School Survey.

For more information on school performance, see section 5.2 “Accountability.”

## 2.3 School Information

Use this section to learn about student life at this school, including courses and activities.

■ SCHOOL INFORMATION		
SCHOOL LIFE	COURSES	ACTIVITIES
<b>Total Students:</b> 237 <b>Grades:</b> 6-8 <b>Community School:</b> Yes <b>School Day:</b> 8am-2:25pm <b>Uniform:</b> Yes <b>English Language Learner Program:</b> English as a New Language <b>Community Service:</b> Yes <b>Extended Day:</b> Yes <b>Summer Session:</b> Yes <b>Weekend Program:</b> Yes	<b>Language:</b> French, Spanish <b>Accelerated:</b> Algebra I, Living Environment <b>Electives:</b> Chorus, Debate, Drama, Multimedia Production, Robotics	<b>Book Club</b> ■ <b>Cheerleading</b> ■ <b>Chess Club</b> ■ <b>Dance</b> ■ <b>Leadership Club</b> ■ <b>Drama</b> ■ <b>Martial Arts</b> ■ <b>American Sign Language</b> ■ <b>Music Production</b> ■ <b>Regents Preparation</b> ■ <b>Specialized High Schools Preparation Courses</b> <b>CHAMPS Sports—Coed:</b> Fitness Club, Volleyball <b>Other Sports:</b> Baseball, Basketball, Tennis

You can learn about the following in this section:

- The number of students who were enrolled in grades six through eight as of November 2015.
- If the school is a Community School. For more information, see section 5.4 “Community Schools.”
- The English Language Learner programs offered by the school last year. For more information, see section 5.5 “English Language Learners.”

**Stop & Learn** This is the end of section 2.0 “How Do I Use the Middle School Directory?” Complete the activity “Middle School Directory Scavenger Hunt” before you move onto the next section.

# STUDENT ACTIVITY

## MIDDLE SCHOOL DIRECTORY SCAVENGER HUNT

Complete the scavenger hunt below using the Middle School Directory page of a school you are interested in. Fill in each box with information about that middle school.

How many students go to this school?

How might I get to this school from where I live?

What phone number, email, or website can I use to get information on how to visit this school?

What time does a typical day start for sixth graders?

What are two *courses* this school has?

What are two *activities* this school has?

## 3.0 HOW ARE MIDDLE SCHOOL MATCHES MADE?

Your child will be matched to his/her highest possible program choice based on the following:

- **Your Program Choices:** The order in which you rank programs on the application. (See section 3.1)
- **Admissions Priorities:** The order in which applicants are considered for placement. A program that gives preference to zoned students is an example of an Admissions Priority. (See section 3.2)
- **Admissions Methods:** The way schools consider and admit applicants. A program that screens students is an example of an Admissions Method. (See section 3.3)
- **Seats:** The number of seats offered at each program. (See section 3.4)

### 3.1 Your Program Choices

Rank up to 12 choices in order of preference. Students will be matched to their highest possible choice taking into consideration Admissions Priorities, Admissions Methods, and seats.

When you fill out the Middle School Application, you are not just applying to schools, you are applying to programs.

- You can think of programs as “doorways” through which schools accept students.
- If a school has multiple programs, eligible students may apply to one program or more than one program at that school.
- Programs at the same school may have different Admissions Priorities and Admissions Methods. You may decide to apply to one program over another based on its admissions or because it has a particular theme.

Note: Screened programs in Districts 1, 2, 3, 4, 5, 13, and 14 will see how you rank them, which may affect your application choices. See section 6.0 “Specific Information for This District” to learn if this applies to you.

**Zoned Students:** Students who are zoned to a middle school—or a campus containing multiple middle schools—have priority to attend that school or schools. To receive this priority, you must rank your child’s zoned school(s) on the Middle School Application. You do not need to rank your child’s zoned school(s) as your first choice to receive the priority. You should, however, rank your programs in the order that you’d like your child to be considered for them.

**Students in Continuing K-8 Schools:** Students are guaranteed to match with their continuing school if they place it on their application. Students will first be considered for programs they rank higher on their application. You do not need to rank your child’s continuing school as your first choice to receive the guarantee.

1.0

2.0

3.0

4.0

5.0

6.0

## 3.2 Admissions Priorities

Admissions Priorities determine the order in which applicants are considered for placement in a middle school program. If a program has multiple Admissions Priorities, students who fall into the first priority group will be considered for placement first. Students who fall into higher priority groups have a better chance of getting into a particular program than students who fall into lower priority groups. Schools with multiple middle school programs may have different Admissions Priorities for those programs, so be sure to review carefully the “Program Admissions” section on school pages.

Let’s review an example of Admissions Priorities from a school page.

Admissions Priorities

PROGRAM ADMISSIONS			Prior Year Admissions				
Program Name	Code	Admissions Method	Type	Applicants	Seats	Applicants Per Seat	Seats Filled
(I.S. 123) Academic Honors Program	A123S	Screened	GE	225	55	4	Y
			SWD	75	18	4	Y
<b>Eligibility:</b> Open to students and residents of Brooklyn <b>Admissions Priorities:</b> ❶ Priority to students and residents of the District ❷ Then to students and residents of Brooklyn. <i>Last year, this program admitted students from all priority groups.</i> <b>Selection Criteria:</b> Academic and Personal Behaviors ■ Attendance ■ Final 4th Grade Report Card ■ Punctuality ■ 4th Grade New York State ELA and Math Exams							
(I.S. 123) Zoned Program	A123Z	Zoned	Zoned				
<b>Eligibility:</b> Open to students residing in the zone							

This means that priority group 1 is all students and residents of the district who ranked this program on their applications. These students will be considered before priority group 2, which is all Brooklyn students or residents who ranked this program on their application.

This also tells us that last year, applicants from both groups were matched with this program. This illustration shows what the Admissions Priorities look like for the program above:

Here are common Admissions Priorities used to determine matches:

What you will see in the directory	What it means
“Priority to continuing 5th graders”	<b>Continuing Fifth Graders Priority:</b> Students who are already enrolled at a K-8 school and who list their school on their application will have priority over other applicants.
“Priority to students and residents of the District”	<b>Geographic Priority:</b> Students may have priority based on the district, borough, or geographic area in which they live and/or go to school. (If a student lives and goes to school in different boroughs or districts, that student has priority in both places.)
“Priority to New York City residents who attend an information session”	<b>Limited Unscreened Priority:</b> Students who signed in at a program’s open house or at the school’s table at a fair are put in a higher priority group. (This happens at programs that use a “Limited Unscreened” Admissions Method.)
“Priority to students who apply and live in the zoned area.”	<b>Zoned Priority:</b> Students who live in a certain area will have priority. To find out if you live in a zoned area, check your application or visit <a href="https://schools.nyc.gov/SchoolSearch">schools.nyc.gov/SchoolSearch</a>

# The Types of MIDDLE SCHOOL ADMISSIONS METHODS

### 3.3 Admissions Methods

Admissions Methods are the ways in which middle school applicants are admitted into programs. The seven types of Admissions Methods are explained in more detail below:

Admissions Method

PROGRAM ADMISSIONS			Prior Year Admissions				
Program Name	Code	Admissions Method	Type	Applicants	Seats	Applicants Per Seat	Seats Filled
(I.S. 123) Academic Honors Program	A123S	Screened	GE	225	55	4	Y
			SWD	75	18	4	Y
<p><b>Eligibility:</b> Open to students and residents of Brooklyn</p> <p><b>Admissions Priorities:</b> ❶ Priority to students and residents of the District ❷ Then to students and residents of Brooklyn. <i>Last year, this program admitted students from all priority groups.</i></p> <p><b>Selection Criteria:</b> Academic and Personal Behaviors ■ Attendance ■ Final 4th Grade Report Card ■ Punctuality ■ 4th Grade New York State ELA and Math Exams</p>							
(I.S. 123) Zoned Program	A123Z	Zoned			Zoned		
<p><b>Eligibility:</b> Open to students residing in the zone</p>							

Selection Criteria

#### Admissions Methods that DO NOT see your child's academic information

**Unscreened:** In Unscreened programs, students who apply are randomly selected. If there are priority groups within an Unscreened program, students will be selected randomly within those priority groups.

**Limited Unscreened:** In Limited Unscreened programs, students are selected randomly with priority to students who demonstrate interest in the school by attending an information session, school tour, open house event, or by visiting the school's table at the Middle School Fair. You must sign in at one of these events to receive priority to the school's Limited Unscreened program(s).

**Zoned:** Zoned programs are open to students who live in the geographic zoned area of the middle school. To find out if your child is zoned to one or more middle schools, please visit [schools.nyc.gov/schoolsearch](https://schools.nyc.gov/schoolsearch) or check your Middle School Application.

**Talent Test:** Talent Test programs base admission on a student's exam performance in specified talent areas. Talent Test programs are found at several District 21 schools, including I.S. 239 Mark Twain, which is open to all NYC residents. Testing details are listed on Talent Test schools' directory pages.

#### Admissions Methods that DO see your child's academic information

**Screened:** Screened programs rank applicants using factors that may include final report card grades from the prior school year, reading and math standardized test scores, and attendance and punctuality. Some Screened programs have additional requirements like an interview, audition, writing sample, and/or diagnostic test. If you have any questions, contact the individual schools for more information.\*

**Screened: Language:** Screened: Language programs use home/native language as the basis for admission. Interested students should review the program admissions to make sure they are applying to a program that matches their home/native language. Some Screened: Language programs may give priority to ELLs, participants of elementary school-level Dual Language and Transitional Bilingual Education programs in the target language, and/or heritage speakers of the target language. For more information on ELL models, please see section 5.5 "English Language Learners."\*

**Composite Score:** Composite score programs base admission on a combination of factors used to create one score for each student. Students are then placed in descending order based on their composite score and where the student ranked the program on their application. Composite score programs use a combination of academic and personal and behavioral characteristics.\*

\*Please note that, consistent with New York State law, state ELA and Mathematics test results will not be the sole, primary, or major factor in admissions decisions. Instead, multiple measures, which may include state test results, will be used to make admissions decisions for all Screened, Screened: Language, and Composite Score programs.

**Selection Criteria** describe the factors that determine how students match with a program. For **Screened**, and **Screened: Language** programs, the selection criteria describe what the school considers when ranking applicants. For **Composite Score** programs, the selection criteria describe what information is used to create each student's composite score.

Selection Criteria for **Screened** and **Composite Score** programs might include the following:

- Final 4th Grade Report Card
- 4th Grade State ELA and Math Tests
- Attendance and Punctuality From 4th Grade
- Academic and Personal Behaviors From 4th Grade

Academic and Personal Behaviors are a part of the fourth grade report card. Schools evaluate these behaviors along with the academic courses. The specific behaviors evaluated are:

- Manages time and consistently demonstrates effort to independently achieve goals
- Works in an organized manner
- Persists through challenges to complete a task by trying different strategies
- Asks for help when needed
- Respects school rules and works well in the school community

If a school is not evaluating these behaviors as a part of the report card, school staff will provide this information on the student's behavior in the fourth grade so that all students have the same information available for evaluation.

## Fourth-Grade Information

Middle School Admissions uses information from the fourth grade to evaluate students for admission. School staff should not ask families to provide extra information in the form of report cards from additional years or separate recommendations from teachers.

### 3.4 Seats

Review the number of available seats in a program and the number of applicants for those seats during the prior year admissions. The number of applicants per seat will affect your chance of being matched. Programs that filled all seats in the Main Round are marked with a "Y."

Seats

PROGRAM ADMISSIONS				Prior Year Admissions			
Program Name	Code	Admissions Method	Type	Applicants	Seats	Applicants Per Seat	Seats Filled
(I.S. 123) Academic Honors Program	A123S	Screened	GE	225	55	4	Y
			SWD	75	18	4	Y
<p><b>Eligibility:</b> Open to students and residents of Brooklyn</p> <p><b>Admissions Priorities:</b> ① Priority to students and residents of the District ② Then to students and residents of Brooklyn. <i>Last year, this program admitted students from all priority groups.</i></p> <p><b>Selection Criteria:</b> Academic and Personal Behaviors ■ Attendance ■ Final 4th Grade Report Card ■ Punctuality ■ 4th Grade New York State ELA and Math Exams</p>

<p><b>Eligibility:</b> Open to students residing in the zone</p>							

1.0

2.0

3.0

4.0

5.0

6.0

Each middle school program has a specific number of available seats for incoming students. Available seats are divided into two groups:

- One group of seats is reserved for students who are part of the general education population and students who receive special education instructional programming for 20% or less of their academic program (GE).
- The second group of seats is reserved for students who receive special education instructional programming for more than 20% of their academic program (SWD).

Student applications will automatically be assigned to one group of seats. For students with disabilities, this is based on the services they are currently receiving according to their Individualized Education Program (IEP). The number of available seats in each group is based on the percentage of students with disabilities receiving services in fifth grade in that school's district.

Seats are used for admissions purposes only; all students with IEPs will receive the services listed on their IEPs. The number of available seats for each group of students in the prior year is shown next to each program.

### Middle School Fairs

After you've explored schools and programs using the Middle School Directory, start planning your visits to **middle school fairs and open houses** to learn more about the middle schools in your district.

#### 2016 Middle School Admissions Key Dates

#### Middle School Fairs

All district middle school fairs will take place on one of the above dates. Check the Middle School Admissions website below for updates.

Middle school fairs will take place in September or October. At the fair, you will be able to meet school staff and ask questions about specific programs and offerings. Information about middle school fairs will be available from elementary schools and online at [schools.nyc.gov/middle](http://schools.nyc.gov/middle) this fall.

### School Open Houses and Tours

Many middle schools offer open house/school tour events where you and your child can see the school, meet staff members, and ask questions. Before you visit, prepare a list of questions for school staff about the school's culture, course offerings, and activities. You can also use the "Asking Questions at Middle School Events" activity on the next page. For information about school open houses/school tours, please contact middle schools of interest directly.

**School Visits:** When visiting schools, always sign in clearly because some programs will use this to move you to a higher priority group.

**Stop & Learn** This is the end of section 4.0 "How Do I Learn More About Schools and Programs?" Complete the activity "Asking Questions at Middle School Events" before you move onto the next section.

# STUDENT ACTIVITY

## ASKING QUESTIONS AT MIDDLE SCHOOL EVENTS

Asking Questions: When you speak with a school staff member at a fair or open house, try to ask one question from each box. Create your own questions to learn more about a school.

*Cut out this page and bring it when you visit schools and fairs!*

### School Culture

How can I get extra help with my homework?

Can I participate in community service?

What makes your school special?

My question: \_\_\_\_\_

### Being a Sixth Grader

What time does the day start and end for sixth graders?

Are there activities just for sixth graders?

How does your school welcome new sixth graders?

My question: \_\_\_\_\_

### Courses

What are some examples of courses students can take?

What are your most popular courses?

What makes your school's courses different from other schools?

My question: \_\_\_\_\_

### Activities

What are some examples of clubs at your school?

When during the school day can students participate in activities?

How do students learn about clubs and activities at your school?

My question: \_\_\_\_\_

### Admissions

Where can I sign in?

Do my family and I need to do anything to apply?

What are your Admissions Priorities?

My question: \_\_\_\_\_

## 5.0 ADDITIONAL MIDDLE SCHOOL ADMISSIONS INFORMATION

### 5.1 Accessibility

The Department of Education is committed to ensuring that its programs, services, and activities are accessible to staff, members of the school community, students, and family members with disabilities. The Department of Education assesses its buildings on a continuing basis to determine which schools are accessible to individuals with disabilities.

Accessible Schools are located in a fully or partially accessible building where an individual with mobility impairment may enter and access all relevant programs and services, including the science laboratory, library, cafeteria, and the gymnasium; in some cases, school programs may need to be re-located to accommodate access. At least one restroom is accessible. For the most up-to-date information on the accessibility of each school, please contact the school directly. Families are encouraged to visit schools to learn about the level of accessibility. For more information, please visit [schools.nyc.gov/Offices/OSP/Accessibility](https://schools.nyc.gov/Offices/OSP/Accessibility).

### 5.2 Accountability

The New York City Department of Education collects information about school practices and student outcomes, which can help identify each school's strengths and areas for improvement. This directory contains some of this information, which is listed on school pages and explained in more detail below. If you have questions about this section, please speak to your school's guidance counselor or visit [schools.nyc.gov/accountability](https://schools.nyc.gov/accountability), where you can find detailed information on each school's performance in their School Quality Reports. Average performance data for schools in this district during the 2014-2015 school year can be found in section 6.0 "Specific Information for This District".

The school performance section contains the following for each school:

- **Course and Test Results:** The percentage of students who passed courses in the core subjects (English, math, social studies, and science), and the percentage of sixth, seventh, and eighth grade students who scored at Level 3 or 4 on the New York State English and Math tests.
- **Most Commonly Attended High Schools:** The NYC Department of Education high schools most commonly attended by last year's graduates of this school, and the percentage of graduates who attend each.
- **School Survey Results:** The percentage of students who feel safe in the hallways, bathrooms, locker room, and cafeteria as reported on the NYC School Survey.

### 5.3 Charter Schools

Charter schools are independent public schools founded by not-for-profit Boards of Trustees that operate under a contract or “charter” of up to five years. Many charter schools have unique educational approaches that may include longer school days, a longer school year, and/or thematic programs. Any student eligible for admission to a New York City public school is eligible for admission to a public charter school.

Please note that applying to a charter school does not guarantee placement. If the number of applicants exceeds the number of available seats at a charter school, the charter school must conduct a lottery to determine admissions. Interested students or families should contact each charter school directly to receive specific information about the school’s application process.

If you are interested in applying to a NYC charter school, you can apply to a school directly (visit the charter school’s website for details), or you can apply to multiple charter schools at once using the online Common Charter School Application, which can be found at: [www.nyccharterschools.org/apply](http://www.nyccharterschools.org/apply).

For a list of charter schools, please refer to the back of this directory. Visit [schools.nyc.gov/charters](http://schools.nyc.gov/charters) or call 212-374-5419 for more information about charter schools in New York City. For information about specific charter schools, contact the schools directly.

### 5.4 Community Schools

Community Schools offer an integrated focus on academics, health and mental health services, youth development, expanded learning opportunities (inclusive of after-school and summer enrichment activities), and family and community supports to ensure that students are ready and able to learn, and graduate college and career ready. Each community school serves as a hub where parents and family members, community-based partners, community members, and school staff come together to coordinate and integrate a range of supports based on the assets and needs of individual students.

### 5.5 English Language Learners

English Language Learners (ELLs) may apply to any of the programs listed in this directory. All New York City Department of Education schools provide a range of supports and services for ELL students to develop their English proficiency and prepare them for success in school, college, and/or careers.

There are three different ELL service delivery models offered in New York City public middle schools:

Program	Definition
English as a New Language (ENL)	English as a New Language programs, which used to be called English as a Second Language or ESL, provide instruction in English with support in the students' home language so that they can learn to read, write, and speak English. Students in this program can come from many different language backgrounds, and English may be the only common language among them.
Transitional Bilingual Education (TBE)	Transitional Bilingual Education programs provide reading, writing, and other classes in English and in your child's home language. As students' English improves, time spent learning in English increases and time spent learning in the home language decreases. Once your child is no longer identified as an English Language Learner, he or she will exit the program.
Dual Language (DL)	In Dual Language programs, students are taught in two languages: English and their home language, such as Spanish, Chinese, or French, among others. The goal of this program is for students to be able to read, write, and speak in both English and their home language. In Dual Language classes, the home language and English are used equally.

- 1.0
- 2.0
- 3.0
- 4.0
- 5.0
- 6.0

This directory indicates which of the ELL service delivery models above are currently offered in each middle school, based on school reported data.

All middle schools must provide the ELL Parent Survey and Program Selection Form at the parent orientation meeting which is offered to all newly-identified ELLs. If you do not receive this form, please request it from the school. You may use the form to indicate your preferred ELL service delivery model, even if your middle school does not currently offer it. Middle schools will be identified for a Dual Language or Transitional Bilingual Education program when there are 20 or more ELLs with the same native language in any single grade whose parents/guardians request either Dual Language or Transitional Bilingual Education. In this way, parents can influence which ELL service delivery models are offered in their child's school.

For the most up-to-date information regarding ELL service delivery models, please contact schools directly. For more information about services and supports for English Language Learners (ELLs), please call 212-323-9559, email [ellfamilies@schools.nyc.gov](mailto:ellfamilies@schools.nyc.gov), or visit the Division of English Language Learners and Student Support website: [nyc.gov/schools/Academics/ELL](http://nyc.gov/schools/Academics/ELL).

## 5.6 Special Education Services

Students with disabilities may apply to all schools and/or programs listed in this directory, including all Screened and Audition programs, and are subject to the same admissions requirements as their general education peers. If the student's IEP contains testing accommodations, those accommodations will be provided when the student tests or auditions as long as they do not change what the test is measuring.

1.0

2.0

3.0

4.0

5.0

6.0

Every middle school participating in Middle School Admissions is expected to welcome and serve students with disabilities in accordance with their IEPs. The IEP team at the middle school will review the IEP to ensure that all services and supports are in place. In some cases, the IEP team may need to refine the IEP to better meet student needs.

Middle school programs have a group of seats for students whose IEPs specify special education instructional programming for more than 20% of their academic program. Special education instructional programming includes Integrated Co-Teaching (ICT) classes, Special Class (SC), and Special Education Teacher Support Services (SETSS). Related Services, such as speech, occupational therapy (OT), and physical therapy (PT), are not considered special education instructional programming for the purposes of Middle School Admissions. Seats are used for admissions purposes only; all students with IEPs will receive the services listed on their IEPs.

Students with disabilities who are recommended for and who have attended a District 75 program and are considering a middle school outside of District 75 should work with their IEP team to determine whether the recommendation for District 75 for middle school is still appropriate. If the student's IEP team determines that the student no longer needs District 75, then the student participates in Middle School Admissions. Students whose IEPs recommend a District 75 program and whose IEP team determines that the student will continue in a District 75 program for middle school are not required to participate in Middle School Admissions. These students are notified of their middle school placement in May or June by their District 75 schools. For more information, visit [schools.nyc.gov/Academics/SpecialEducation](https://schools.nyc.gov/Academics/SpecialEducation).

## 5.7 Student Transportation

The New York City Department of Education offers transportation to middle school students based on these criteria:

- Students in sixth grade are provided with free transportation if they live one mile or more from the school; if they live closer than that but more than ½ mile from the school, a half-fare MTA bus pass is available on request from their school. Free transportation is provided as either a yellow bus or a MetroCard. Students receive yellow busing if (i) their school has bus service, (ii) they live in the same school district as their school, and (iii) if a stop exists, or can be created. Stops cannot be created if they make the existing route longer than five miles, as measured through each stop to the school.
- Students in seventh grade and above are provided with MetroCards if they live 1½ miles or more from school. If they live closer than that but more than ½ mile from school, a half-fare MTA bus pass is available on request from their school.
- Students receiving special education services who are mandated to receive specialized transportation on their most recent IEP are placed on bus routes to and from the school they attend. In addition, parents may request additional medical accommodations based on their child's special needs which may also affect the type of vehicle or route on which the student is placed. For more information about transportation, call the Office of Pupil Transportation at 718-392-8855 or visit [schools.nyc.gov/offices/transportation](https://schools.nyc.gov/offices/transportation).

## 6.0 Specific Information for District 9

Districts 9 and 10 share a middle school admissions process. Many of the schools are open to students in both districts. When applying to schools, it is important to keep location in mind as some of the schools may be located some distance from where you live. Yellow bus transportation is not guaranteed and out-of-district students are not eligible for busing.

In this district, some of the middle school zones have multiple smaller schools serving the zoned students. If students apply to all of the schools in the zone, and do not match to a higher choice, they will have a placement in one of them. However, if students do not apply to all the schools in the zone, placement in the zone may not be accommodated. The schools that share a zone are the following:

- 09X145, 09X325, and 09X328
- 09X232 and 09X303
- 09X022 and 09X323
- 09X313 and 09X339

What is the performance of a typical District 9 middle school?

<b>87%</b>	of students passed core classes
<b>9%</b>	of students were proficient on the State English Test
<b>9%</b>	of students were proficient on the State Math Test
<b>85%</b>	of students feel safe in the hallways, bathrooms, locker room, and cafeteria

# 6.1 District 9 Middle School Map

# District 9 Schools

All District 9 and 10 residents may apply to middle schools in this section.

P.S. / M.S. 4 is a school where scholars are first. Our vision is to create a culture of self-reflective scholars who use learning opportunities to develop a global awareness of the world. The school society, comprised of parents, guardians, students, teachers, and staff, makes a combined effort to provide an educational experience that teaches the whole child. We acknowledge students' mental, social, emotional, and physical needs. Our mission at P.S. / M.S. 4 is to devise and implement a comprehensive educational program that encompasses all members of the community and actively engages them in real world experiences, technological advances, and meaningful discourse. The fundamental components consist of data analysis, goal setting, teacher teams, reflective practitioners, authentic professional development, parental involvement, and the establishment of societal norms.

At J.H.S. 22 we work together as a team to ensure high-level student learning. We are Respectful, Organized, Responsible, and Safe (RORS). With a Dedicated Support Team (DST) on each grade composed of a guidance counselor, dean, and office manager, J.H.S. 22 provides individualized attention to meet its students’ academic, social, and emotional needs to ensure that every student leaves our building at the end of eighth grade prepared for success in high school and beyond.

The Wade Academies (M.S. 117) is the only middle school in District 9 that has its original name from its inception in 1937. Our Wade Team members work hard to provide our students with a rigorous, standards-based curriculum. We have strong community partnerships that allow us to provide additional resources to our students, including trips outside of New York. Our major goal is to ensure that we develop the whole child. We strive to ensure that our students develop and grow academically, physically, and socially.

Our students enjoy our small environment where they are treated like family. We celebrate our students’ talents through science and curriculum fairs, talent showcases, and cultural celebrations. Students like our SMART Boards and computers in each classroom, laptop carts for each grade, and computer lab. Parents embrace our challenging academic experiences and high standards. We offer families tools to support their children, including weekly progress reports and an online gradebook. We work closely with our PTA to offer events that celebrate our community and showcase our students’ talents. Our school is proud to have proficiency scores in ELA and math that nearly triple the district averages. We were listed as “Among the Best” middle schools by the NY Daily News in 2012. We have been profiled in each edition of *New York City’s Best Public Middle Schools: A Parent’s Guide*. Our graduates regularly gain acceptances to highly-competitive specialized, private, and parochial high schools.

We offer an academically rigorous and innovative program stressing high standards of performance, study, and discipline. The Academy Program emphasizes analytical thinking skills, communication skills, and independent research. All students participate in high performance-based academic core concentrations in both mathematics and literacy through extended blocks of time. Students explore a curriculum emphasizing the arts within a framework of academic and cultural richness.

The Knowledge and Power Preparatory Academy (KAPPA) is modeled after KIPP Charter School, in partnership with Replications, Inc., which was founded by John Elwell. There are currently four KAPPA schools in NYC that have been modeled after our school. KAPPA is unique in that over 90% of KAPPA scholars do not reside in the community. The vast majority of our students commute to school via public transportation. KAPPA is in its 12th year as an autonomous school and 17th year as an educational institution. Our student population is diverse. Students hail from Central America, South America, Africa, Asia, and the Caribbean. The vast majority of our students speak a second language at home, adding to the uniqueness of our school. What these diverse students have in common is that they value education, which is a direct result of strong parental support at home.

Students at P.S. / I.S. 218 spend half of their time learning content information in English and the other half learning in Spanish. Our goal is to have students become biliterate, meaning that they can engage in academic work in both languages. Through a wide variety of experiences, students view the world through a global perspective. Whether communicating with college students abroad or conducting research for a company like Time Inc., our students use the skills learned in the classroom in authentic ways. Students thrive in an environment that enables them to be productive citizens who respect and embrace linguistic and cultural differences. Parents enjoy a welcoming environment which encourages them to participate in the education of their children. They embrace the high expectations of our teachers, and work alongside us to foster well-rounded young adults. The school also encourages parents' personal growth by providing workshops on current topics.

Our mission is to create a rigorous learning environment that encourages students to express and achieve their greatest potential while seamlessly integrating the Common Core Learning Standards. We deliver a diverse and integrated curriculum that reaches across all disciplines at all grade levels. Students are encouraged to meet academic challenges with openness, critical thinking, and creative problem solving. We promote an atmosphere of cooperation and a can-do spirit with respect for individual differences and community values. We strive to have our parents, teachers, and community members actively involved in making students' middle school experience as fulfilling as possible.

The mission of The Eagle Academy For Young Men is to develop young men committed to the pursuit of academic excellence, strong character, and responsible leadership. We want our students to demonstrate Confidence, Leadership, Effort, Academic Excellence, and Resilience (CLEAR). Eagle believes that excellence in character and academic achievement can open doors. Our school embodies a strategic partnership among students, administrators, teachers, parents, mentors, and community supporters. Eagle prepares its students to join the ranks of future leaders in society, and students benefit from the learning opportunities provided by our partners; the One Hundred Black Men Inc. and the Eagle Academy Foundation. Students also enjoy our clubs and extracurricular programs, the family-like atmosphere of the school, and our mentoring program. Our parents appreciate the expertise and dedication of our educators and the opportunities their sons have to explore their interests and possible careers.

Our students like the security and stability of the School of Leadership Development. The relationships they build with teachers and staff are invaluable. Our students also enjoy being challenged academically and having many extracurricular activities. We invite our parents to become a part of their children’s education by having an open door policy, as well as providing them with contacts to outside agencies that can assist them with social and emotional supports for their children and family.

Students graduating from the Bronx Writing Academy (BWA) are problem solvers and effective communicators who can articulately express their ideas in writing. Every adult at the BWA is here to support the students in their academic and personal growth. We are an Expanded Learning Time school. School Hours are 8:30am—6:00pm for all sixth grade students. Students engage in apprenticeships with local businesses, academic extensions, and clubs. Students complete daily work online, with all teachers creating personal websites with links to personalized students work. All sixth grade students build online portfolios of work that follow them throughout their careers at the BWA. We have a one-to-one student-to-computer ratio.

Bronx Early College Academy (BECA) is an authorized International Baccalaureate World School since 2014. In addition to a rigorous academic experience, our students benefit from BECA’s partnerships with world class institutions such as the American Museum of Natural History and the College Bound Initiative. BECA offers an array of extracurricular activities such as drama, PSAL, international trips, and community service opportunities. BECA has also been an iLearn school since 2010, offering online courses. Families appreciate our safe, welcoming environment and dedicated faculty.

Students benefit from engaging instruction and exciting extracurricular activities. Class sizes are kept as small as possible, and our school’s culture emphasizes student responsibility and healthy development. In a survey of parents, 98% report that they are satisfied with the education their child has received and our students exceeded the target for student progress on the NYS examinations in both English language arts and mathematics.

At the Comprehensive Model School Project (CMSP), children are our first priority. Therefore, we are an inclusive community comprised of students, parents, and educators dedicated to high academic achievement and the complete social-emotional development of each student. We are a community that respects and honors diversity. Students are valued members of our school community who understand the importance of self-respect and respect for others. The academic success of our students is a collaborative effort and is the result of our staff's expertise, planning, professionalism, extensive parent involvement, students' commitment to success, and an atmosphere of social equity in our school.

Students have opportunities to explore the world of entrepreneurship through participation in courses where they create a simulated small business of their choice, take part in internships, and participate in our student-operated school store. Parents appreciate that our school is a small, personable learning community. We provide our students with an excellent education and rich opportunities to contemplate their future role in a market economy.

Our mission is to cultivate and develop our entire school community so that all students are college and/or career ready. With a focus on all populations of children, teachers will engage collaboratively to ensure accelerated student learning through reflective practice and professional learning experiences. A guiding philosophy of all adults in our school community is that every student deserves an effective teacher, and we work tirelessly to seek out opportunities that will advance this belief.

Students love our small class sizes and the individualized support they receive in every class. All students have the opportunity to accelerate their progress through middle school and high school classes using our mastery-based course design and a variety of online learning options. Daily after-school support classes, in all subjects, help students understand course expectations, complete assignments, and practice necessary academic skills. Talent development courses in the art, music, dance, theater, and athletics allow students to explore non-academic interests throughout the school day. Regular group advisory sessions, after-school activities, and internships offer the chance for students to develop leadership skills, get to know their peers, explore careers, and have fun.

Our students love learning about the environment and how their decisions can make the world a cleaner, better place. They enjoy working in our garden and greenhouse, growing healthy food for lunch. Students develop the skills that will prepare them for success in high school through hands-on activities and experiments in our new science and technology labs. Students also enjoy expressing themselves through music, art, dance, theater, and other electives. Parents like our school’s focus on high school and college preparation. Our Advisory program helps maintain a small, family-oriented community that focuses on students’ personal development. Parents love our commitment to the community and the close relationships our school builds between teachers, students, and families. Our school’s new LEED Platinum Certified building has state-of-the-art classrooms and labs, a library, a greenhouse, and outdoor roof with a garden.

Bronx School for Medical Science serves students with a desire to enter health-related fields. Our daily routine calls for students to stay in the same classroom while teachers rotate to classes. Students and parents find this self-contained model very valuable. Parents value our approach of making students aware of college in sixth grade.

Our students work on many collaborative and research projects, building the skills needed to analyze or support a position. Our school culture supports not only students' academic achievement but also their social and emotional growth. We collaborate with parents in our work and maintain an open door policy that allows all parents to have full access to the principal and staff. Our parents find it amazing that we have a 24-hour turnaround for returning calls and responding to all emails. We integrate technology across all subject areas and we facilitate Socratic Seminars at the end of each unit of study. We were authorized as an International Baccalaureate (IB) school in March 2014 and we are the first standalone New York City public school to receive the IB Middle Years Program (IB MYP) authorization.

The Bronx School for Law, Government and Justice (LGJ) is an educational community that believes learning is a product of thinking. Students at LGJ are engaged in hands-on, minds-on learning in their core classes as well as through the law curriculum, mentoring, and extracurricular activities. Both students and parents like that when you come to LGJ you become a part of a family. Our families appreciate the many partnerships that create opportunities for mentoring, internships, and shadow days for our students. The LGJ middle school is small and allows for students and parents to receive one-on-one attention. We were founded in September 1997 by the Urban Assembly, and share a campus with the Bronx Criminal Court Complex. Each middle school student is provided with a mentor.

# Specific Information for District 10

Districts 9 and 10 share a middle school admissions process. Many of the schools are open to students in both districts. When applying to schools, it is important to keep location in mind as some of the schools may be located some distance from where you live. Yellow bus transportation is not guaranteed and out-of-district students are not eligible for busing.

In this district, one of the middle school zones has three smaller schools serving the zoned students. If students apply to all of the schools in the zone, and do not match to a higher choice, they will have a placement in one of them. However, if students apply to only one or two of the schools in the zone, placement in the zone may not be accommodated. The schools that share a zone are 10X363, 10X447, and 10X459.

This district includes one or more elementary schools that end in grade 6. At those schools, both 5th and 6th

grade students are eligible to apply to middle school. Sixth grade students who are not in the final grade of their school are not eligible to apply.

What is the performance of a typical District 10 middle school?

<b>92%</b>	of students passed core classes
<b>16%</b>	of students were proficient on the State English Test
<b>15%</b>	of students were proficient on the State Math Test
<b>84%</b>	of students feel safe in the hallways, bathrooms, locker room, and cafeteria

# District 10 Schools

All District 9 and 10 residents may apply to middle schools in this section.

P.S. / M.S. 3 creates a community of learners that promotes high standards and outcomes for students. They will be able to reason, evaluate, and communicate informed judgments that reflect problem-solving skills, creativity, and critical thinking. Students' experiences, languages, and cultures are at the core of the learning process at P.S. / M.S. 3. Our students will become independent, motivated, and productive citizens who can participate in a pluralistic society.

P.S. / M.S. 20 strives for excellence in all students. Our balanced partnership of teachers, staff, students, parents, and the community guides our students towards taking responsibility for their own learning. We believe that a supportive, risk-free learning environment supports our students in their pursuit of life-long academic and personal achievement. P.S. / M.S. 20, a Professional Development School, will provide learning experiences that encourage reflection, decision making, feedback, mutual support, and collaborative problem solving among teachers and students to ensure continuous improvement.

Students like our school because their academic and social skills are developed and celebrated. Additionally, students like being a part of the miniature schools which make them feel like they are part of an extended family. Parents like our school because they feel welcome at all times. In addition, parents have expressed that they feel their child is in a safe, caring, academically-rich environment. We have a longstanding tradition of service to the Belmont community.

# The Mosholu Parkway (J.H.S. 80) | 10X080

J.H.S 80 is centered on the belief that regardless of the student’s background experiences, every student can learn and perform at optimal levels. We achieve communal excellence through the engagement and contributions of every member. We ensure that students feel physically and emotionally safe, as that is necessary for learning. We have an advisory curriculum based on social and emotional development, communication, and leadership taught by every teacher. Each teacher supports up to 15 students, while serving as the liaison to their families. This instructional model is learner-centered and its curriculum is designed around performance tasks. Our belief is that students learn best when they apply their understanding to culturally, personally, and immediately relevant tasks. Our teachers make explicit connections across content areas and engage students in interdisciplinary projects. All lessons have tiered tasks, which culminate with a performance task at the end of each unit.

P.S. / M.S. 95 cultivates a professional learning community where all adults are fully committed to developing student proficiency in all subject areas. We, the community of educators at P.S. / M.S. 95, are committed to providing a risk-free learning environment so that students become lifelong learners who take ownership of their learning. We actively observe, engage, and assess our students by using formal and informal methods. By analyzing our data and by adapting our best teaching practices, we will differentiate instruction in order to meet the individual academic and social needs of our students. In taking such a holistic approach, every adult at P.S. / M.S. 95 plays an active role in fulfilling every student’s unique potential.

The William W. Niles School, M.S. 118, is divided into three academies: PACE Academy, Spectrum Academy, and the Academy of Excellence. This design allows staff and students to benefit from the advantages of smaller learning communities inside a larger school. As a large school, we are able to offer more types of electives, enrichment, and major partnerships that support college and career readiness. Because we have smaller academies, we are able to offer a personalized experience for all students with smaller teacher teams, an Advisory program, a variety of celebrations and parent engagement activities, and dedicated teachers and counselors who know and connect with their students. M.S. 118 students succeed in high school: 89% are on track to graduate after ninth grade, outperforming both the city and District 10 averages. We have an active Parent Association and our School Leadership Team meets regularly and helps to identify opportunities to improve student success at our school.

Our students enjoy attending school with friends from the community, learning with supportive teachers, participating in the diverse extracurricular activities and performances, and exploring their interests. Our school features annual car washes, Principal’s List celebrations, grade-level field trips, family fundraisers, spirit weeks, You Make a Difference Awards, special eighth grade activities, and our RKArival. Families appreciate sending their students to the same school for grades six through twelve. They also value our extensive no-cost after-school program through a partnership with Riverdale Community Center. Each student receives a unique program based on his or her strengths and needs in each individual subject. Many teachers use an electronic grade book called Jupiter Grades to keep parents informed of student progress. We feature many social supports such as Tiger PRIDE and Overcoming Obstacles.

M.S. 206 is a small middle school with its own building. Each child is known and supported by every adult in the building. Class sizes are small and the staff supports academic growth and positive behaviors for each student. Academic support services include additional small group instruction in ELA and math provided by classroom teachers three times per week, a pull-out, small group reading program, and an additional class, which focuses solely on vocabulary development. M.S. 206 is a true middle school with theater arts, vocal music, health classes, and strong physical education and competitive athletics programs to round out an emphasis on the core subjects. The school also partners with Good Shepherd Services to run an extended school-day program. Students in the program have a meal at 2:35pm and then participate in athletics, the arts, leadership, and academics until 5:30pm.

TAPCo is one of the first public STEAM (Science, Technology, Engineering, Arts, Math) schools in NYC. We provide a strong academic program and the opportunity for students to explore all of the arts. In high school, students can study dance, drama, or visual studies. Students and parents appreciate our family-like atmosphere, our many different activities, and our strong, supportive staff. TAPCo has two dance studios, a black box theater, a full-sized auditorium, a theater-scene shop, a video production studio, two chorus rooms, and an art room. We partner with the 92nd St. YMCA and Lincoln Center. Our college acceptance rate is 99% with over \$1.5 million in student scholarships and grants. We communicate with families through our school website, morning announcements, student meetings with their staff agents, town hall meetings, an open door policy for the administration, and our parent association. TAPCo was cited as a hidden gem in *New York City's Best Public Middle Schools: A Parent's Guide*.

At Jonas Bronck Academy (JBA), our students become scholars and their families become part of our larger JBA family. We create an environment where scholars challenge, question, and learn to think critically. We nurture the safe haven where scholars feel secure, supported, and understand the importance of community. JBA is a school where we model respect, integrity, and dignity for everyone so that the children we serve have professional role models. Parents and guardians are our partners and their presence in our school and their support at home are critical and essential to each scholar’s success. We work to prepare scholars to live the future of their dreams. JBA is the opportunity of a lifetime.

Parents and students agree that our school feels like a family. Upon entering the school, it is abundantly apparent that respect for each other and for learning is of utmost importance. The efforts of all school personnel create a climate in which learning is valued. Parents appreciate the consideration and motivation that promotes learning. As one parent said: “Our kids like school. It motivates us as parents to get involved.” Parents appreciate the wealth of information they receive about their children’s progress.

The New School for Leadership and the Arts (NSLA) is committed to providing every student with an academically rich and engaging curriculum and middle school experience that prepares them for the best high schools, colleges, and careers. To do so, our school creates an enriching learning environment that nurtures leadership development and artistic exploration. Students are provided with opportunities to demonstrate their talents through performances, art exhibits, science fairs, and participation in various city events. Students at NSLA also benefit from experiencing technology integrated into their classes and opportunities to learn outside of the classroom through various trips within and outside of the city. To support our mission, each student is assigned a school counselor in sixth grade who works with the student, parents, and teachers to ensure a successful middle school experience.

Students enjoy our family-like atmosphere and small classroom setting. Teachers are readily accessible to students before, during, and after school. Our school features a variety of academic and recreational programs, including after-school varsity sports and arts programs. Parents enjoy having access to teachers, guidance counselors, administrators, and school staff. Parents are invited to school events to learn about their child’s academic, social, and emotional progress. Our school conducts special outreach to parents of students with a variety of learning needs. Beyond the required academic courses, students participate in a variety of extracurricular classes such as career development and sports. Our school also collaborates with a number of community organizations such as Bronx Community College, Lehman College, and FHI 360. We have been awarded technology grants to update our computer laboratory to enhance the academic performance of our students.

P.S. / M.S. 280 believes each child is capable of achieving academic excellence in a safe, supportive, and print-rich environment. We challenge our students’ intellect, encourage independent thinking, and nurture individual talents. Our school culture expects the staff to be dedicated, caring, and hard-working. We foster social responsibility and moral growth in a partnership with our parents. Living and working in a diverse community, we value tradition and the joy of being a learner.

Bronx Dance Academy has clearly defined and measurable high expectations for academic and artistic achievement. We expect our students to be in school on time and to respect themselves, their classmates, all adults, the building, and the community in which our school is located. Students, parents, teachers, and staff create and reinforce a culture of achievement and support through a range of formal and informal rewards and recognition for academic performance and artistic excellence.

At the International School for Liberal Arts (ISLA), it is our vision, as a Community Learning School, to support our students academically and holistically. We educate students, their families, and our school community in order to develop successful, productive, multicultural citizens who are college and career ready. We nurture our students to become fully functional in both English and their native language, Spanish. We believe our students are assets to the community and will serve as role models who respect and are proud of their own culture as well as the culture of others. ISLA is designed to foster success for all students.

The Academy for Personal Leadership and Excellence (APLE) gives students opportunities to participate in community service learning projects, and uses technology such as SMART boards and iPads to showcase these projects. Students like our special programs and enrichment classes that encourage participation and teamwork. Parents like our school’s commitment to developing leadership skills and social awareness through a Common Core Learning Standards-based academic program. Parents also like the individual attention students receive from teachers who help them create, monitor, and achieve academic goals. APLE promotes positive communication and engagement through our offering of educational workshops and various community including morning- and after-school programs, Saturday Academy, parent workshops, and assemblies. Our building houses a state-of-the-art dance room, fitness center, and newly renovated swimming pool. Our school playground is equipped with six basketball hoops and one full court.

Students enjoy our technology-enhanced learning that prepares them for college and careers. Teachers support students in achieving mastery of the Common Core Learning Standards. Middle school students receive an individualized program specifically geared to their strengths and needs, giving them opportunities to take advanced courses in core subjects and foreign language. Students not only participate in a challenging academic program but also in a variety of extracurricular activities, sports, and the production of the morning news video. Our parents play an active role in the Parent Teacher Association and School Leadership Team. Parents are regularly informed of school events and student progress via PupilPath, SchoolMessenger, and the school’s website. Most importantly, parents and students value our school’s safe and nurturing environment. We have collaborative partnerships with the Riverdale Neighborhood House, the private sector, private schools, and colleges.

At M.S. 390, we offer a variety of exciting and engaging extracurricular activities which keep our students interested in school. Our school culture emphasizes student’s social-emotional development and our students are empowered to independently make positive choices. We foster strong relationships with our families while maintaining consistent communication about our students’ progress. Each class is fully equipped with high quality technology, we are also part of the Middle School Quality Initiative Model and Learning Partners Program. As of the 2015-2016 school year, we offer a dual language program in English and Spanish. Additionally, members of our school community are encouraged to participate in our evening adult and continuing education classes. We offer GED as well as English as a New Language classes. Our ideal student will be committed to three years of our dual language program and be available to attend our June orientation.

Students value the sense of family at our school. They know that every member of the school community is there to ensure that they are putting their best foot forward. Our students are taught the importance of striving for excellence in completing projects. We celebrate our students' accomplishments and provide them the opportunity to shine by sharing their success with their families and peers. Students use the RAMS Way (Respect, Accountability, Maturity, and Success) to promote their growth and development as learners and leaders. Our motto of college, career, and character drives our school. Our open door policy helps parents feel welcome, and our staff is accessible and available for conferences. Parents can monitor their child's academic progress through the use of our online grading system, PupilPath. Students enjoy a wide range of field trips, including Herkimer Diamond Mines, Medieval Times, and Broadway shows. Technology is integrated into content areas to support learning.

Our middle school was established to promote and nurture a culture of high expectations that enables our students to succeed in their school lives and beyond. We provide a Common Core Learning Standards-aligned curriculum to best prepare all of our students for college and career readiness. Our school community is focused on the implementation of a rigorous curriculum, differentiated to meet the diverse needs and strengths of our students. We celebrate a learning environment that is designed to foster and motivate our students through four essential beliefs: belonging, mastery, independence, and generosity. We value parents as our partners as we work together to achieve the mission and vision that we share for our school. Structures for frequent, clear, welcoming, and respectful communication enhance our home-school connections.

Students enjoy our many activities, and our engaging lessons that incorporate the use of SMART Boards. Parents like the intimacy of our small supportive community. Our school offers a balance of structured learning activities coupled with opportunities for individual expression, growth, and college experiences. Additionally, parents appreciate the various art electives offered at the school, which are integrated into all core academic subjects. Our Visual Arts program through Bronx Arts Ensemble and Studio in the School focuses on color theory, scrapbooking, art across the curriculum, geometric design, career exploration in art, cartooning, clay animation, and collage.

# Boroughwide Schools

All Bronx residents may apply to middle schools in this section.

I.S. 162 is an NYC Renewal school. Our motto is Student Success, Nothing Else. Students receive personalized learning experiences while enjoying high academic expectations. We offer pre-Regents high school preparation for English, math, and science. All of our students are scheduled for one or more periods of music, visual arts, digital arts, and/or dance (modern, hip-hop, and Latin). Our music and track and field programs have been recognized as outstanding. We offer English as a New Language and transitional bilingual (Spanish) classes. During after-school and Saturday Extended Learning Time, students receive academic services. In addition, our Extended Learning program has several components such as our Advisory Upstander program (against bullying), leadership, clubs, sports, homework assistance, and cultural trips all over New York City. Parents appreciate the community and culture which is part of the Lola Rodriguez de Tio experience. Students are expected to become achievers and lifelong learners.

Serving students and their families from the Bronx, the James M. Kieran School of Science, Technology, Engineering, Art, and Mathematics (STEAM) is the place for middle school students who are looking to be effective problem solvers and powerful communicators in a rapidly changing 21st century world. We believe students learn best when they are provided with real-world opportunities to learn by engaging in inquiry, research, and reflection through science, technology, engineering, art, and mathematics that are relevant to their lives. Students appreciate teachers immersing them in rigorous and engaging project-based curricula, while nurturing them to be empathetic, independent individuals capable of shaping their own futures. Students have the opportunity to build leadership through participation in sports teams, student government, and community service. We partner with outside organizations to provide extracurricular and academic support services.

Our approach to education is identified by creativity, collaboration, and community. Students engage in problem-based learning in math, hands-on activities in our state-of-the-art science lab, presenting and justifying claims in social studies, and using the Teacher’s College Writers’ Workshop in ELA. Our partnership with Lincoln Center exposes our students to the arts and gives our community access to Lincoln Center as well as free shows at our school by world renowned performers. We partner with Children’s Aid Society to offer a comprehensive approach to education for the benefit of our students and their families. We will identify the strengths and needs of each student, extend school hours to expand learning time, work with our students to become more college and career ready, and engage families in the educational experience. We are also the recipient of a 21st Century Grant, which brings in multiple partners focused on science, healthy lifestyles, and character development.

It is the goal of The Bronx Mathematics Preparatory School to equip students with the necessary skills, strategies, and knowledge that will prepare them for success in middle school and high school resulting in them being college and career ready. We will also lead them on a journey to being lifelong learners and future trustees of our communities. Essentially, it is our goal to create students who are unselfish, responsible, and respectful citizens who are accepting of all humanity through our mission, our vision, and our core values.

The new Hunts Point Middle School is a school of extraordinary expectations. We foster and nurture an environment to support and maximize the exchange among teachers, students, and staff. Hunts Point Middle School is committed to providing young people with critical and adaptive thinking skills to strive for excellence in the college and career of their choice. Through rigorous and engaging curricula, we prepare our young people to become lifelong learners and productive citizens of the 21st Century. We welcome parents at our monthly Breakfast with the Principal and other school events and encourage them to be active partners and volunteers. As a Community School, we are partnered with ASPIRA, a national nonprofit organization devoted to the education and leadership development of Bronx youth. We also are continuing our partnership with Graham-Windham for after-school activities. We are committed to changing attitudes, changing directions, and changing lives.

At the Leaders of Tomorrow, we believe in knowing our students since each student learns differently. We believe students need the time to practice basic skills, benefit from opportunities to discuss content with their peers, learn when instruction is scaffolded, and take ownership of their learning when they are part of the decision-making process.

# School of Performing Arts (I.S. 217) | 12X217

The mission of I.S. 217 is to recognize students as individuals, to help them apply classroom learning to everyday life, and to become creative problem solvers. We focus on improving professional practices, effectively implementing Common Core Learning Standards, and providing enrichment experiences that will promote students' ability to build positive relationships and value their education.

Our mission is for our students to graduate knowing how to work effectively, think critically, and act compassionately. With the emphasis on Common Core Standards, students are able to justify mathematical arguments, design experiments, study historical artifacts, and analyze literature. Laptops and SMART Board technology are used to enhance learning. We are a small school with advisories of 15, and our staff works to meet the needs of every child. Students are paired with a caring adviser whom parents can call directly. We host town halls to celebrate grade-level and school-wide events. Our mediation program resolves conflicts peacefully and develops active listening and compassion. Children’s Aid Society provides daily after-school programs. Free eye examinations and glasses are available from the Helen Keller Foundation for any student in need. Students have access to free outside counseling.

Entrada Academy strives to continue to help students grow academically, socially, and emotionally. We assess students at the beginning of the school year to determine where students are, and work throughout the school year to develop skills and strategies that will help students prepare for high school, college, and beyond. We have a guidance team that works with students by providing them with opportunities to participate in individual and small group sessions. We believe all students have the potential to learn and we provide avenues through our PBIS program to recognize and highlight positive behavior and schoolwork.

# Citywide Schools

All New York City residents may apply to middle schools in this section.

New Explorations into Science, Technology, and Math (NEST+m) is a Citywide G&T K-12 school. Our academically rigorous program has made us one of the finest schools in the city. We are committed to developing each student’s capacity for academic and intellectual achievement. We are committed to developing each student’s capacity to learn both individually and collaboratively. We provide a range of services for students with disabilities including a full-inclusion program. NEST+m students blossom into practitioners: scientists, mathematicians, engineers, artists, writers, historians, musicians, painters, and linguists who approach their studies with passion and purpose.

The mission of P.S. 347 is to provide a joyful learning environment that celebrates the education, growth, and uniqueness of every student. An engaging and rigorous standards-based curriculum is offered in American Sign Language (ASL) and Standard English, and is supported in small classes that provide children the opportunity to achieve their personal best. Our staff is committed to inspiring and encouraging curiosity, empathy, and social awareness by developing higher-level thinking skills and exploring real world issues that extend into the community. By fostering a partnership with families, we support individual student goals to enable each child to become an independent and responsible lifelong learner, and prepare them for success in the journey to higher education. All Signs Point to Success!

The Institute for Collaborative Education (I.C.E.) is a small, community-focused school where the needs and academic interests of our students come first. Teachers utilize a project-based curriculum that emphasizes student-centered inquiry, forming substantive arguments, written and oral presentations, and the active and ongoing exchange of ideas. At I.C.E. we encourage students to develop their own points of view and practice the intellectual disciplines of conducting formal research and defending complex academic arguments.

The Professional Performing Arts School (PPAS) partners with top rated New York City arts organizations to provide high quality training in the performing arts and a competitive academic program. In partnership with the theater company Waterwell, middle school students receive 90 minutes daily of acting, dance, and voice classes. Our curriculum provides students with the artistic and personal skills to be leaders in the field and in whatever profession they choose to pursue. PPAS middle school students are guaranteed a placement in one of the PPAS high school arts programs if they choose to stay. We provide a middle school experience that is well-rounded and considers every child's interests, learning styles, and needs. Students invited for an audition prepare one short monologue and one song to perform without music. Students do not need prior experience in order to apply.

Ballet Tech integrates intensive dance training with a full academic curriculum for approximately 150 students in grades four through eight. The middle school dance curriculum, provided on-site by the Ballet Tech Foundation, includes daily classes in ballet technique as well as pointe, modern, character, gymnastics, and repertory choreographed by founder Eliot Feld specifically for these young dancers.

The Anderson Middle School (AMS) provides a judicious combination of an accelerated and enriched curriculum for the distinct needs of gifted learners. Our upper grades are fully integrated within our highly successful K-8 school. With only two classes per grade, the relationship between students and teachers is personal and supportive. This smaller population fosters a strong sense of community. Guided by educators who recognize the needs of children with outstanding intellectual potential, we provide intimate, differentiated, and departmentalized instruction that encourages critical thinking, creative problem solving, divergent thinking, research, independent study, collaboration, and self-evaluation. Parental involvement and support sustains the spirit and growth of AMS. The Anderson School seeks a diverse student population, including ICT students, and welcomes applications from across the five boroughs. Please visit our website to review our admissions rubric before applying.

The mission of the Special Music School is to teach musically gifted children through highly structured instrumental training and a standards-based academic program. The school prepares students for professional music careers while recognizing that not every student will choose such a career. The underlying philosophy of the Special Music School is the belief that music education for gifted pupils requires extensive opportunities to work one-to-one with an outstanding instrumental faculty, a structured and sequential music curriculum, opportunities to perform before audiences, and interaction between general academics and musical studies. Our goal is to see each child reach his or her academic and musical potential. Our vision is that all students will become lifelong learners and critical thinkers in our caring and respectful learning environment. We encourage parental involvement in all aspects of the school.

At the Talented and Gifted School for Young Scholars, faculty, parents, and students work together to prepare students to develop to their full potential. We seek to inspire inquiry, creativity, and achievement for all of our students. We teach compassion, integrity, and respect for all humanity and cultivate lifelong learning. Through this collaborative effort, we promote physical and emotional well-being and develop each student’s individual interests and talents. We provide a strong education program in which all students develop critical and creative thinking skills and design meaningful educational experiences to promote academic and personal growth. Our professional and supportive staff is sensitive to the needs of each student, dedicated to providing a quality education, and has a genuine love of children. We engage in ongoing self-evaluation that ensures that we are effectively working to achieve our own goals and those of the Department of Education.

We offer an arts-enriched school environment. We want our students to see themselves as mathematicians, so we foster deep comprehension of math concepts by helping our students acquire habits of mind: persisting, questioning, communicating with precision and clarity, thinking flexibly, listening with understanding/empathy, and thinking interdependently. BSI students read diverse content and their writing includes feature articles, informational texts, comic books, interviews, persuasive essays, literary analysis, and literary criticism. We teach our students to engage technology, to think critically about what they see, and to be thoughtful about how they use technology to express their thoughts and ideas. Parents play a crucial role in both the daily life and long-term growth of BSI. Through a vital home/school connection, we build a learning community based on respect and cooperation.

Students thrive in a community that blends academic rigor with visual and performing arts. Every student has a focus in one of our Talent programs: Art, Athletics, Computer Science STEM, Creative Writing/Journalism, Dance, Drama, Instrumental Music (String or Wind), Media, Science, and Vocal Music. Parents appreciate the personalized attention of our mini-school “cluster” system. Teachers and support staff have time in their weekly schedule to collaborate with parents and caregivers to provide the best academic and social/emotional development for each student. Almost all graduates go on to NYC’s Specialized High Schools and select programs. We have building-wide Next Generation Wireless internet access and all students utilize iPads and interactive digital curriculum throughout their courses.

Those who are successful in modern workplaces know how to ask the right questions—they are critical thinkers and researchers, strong problem solvers, and reflective practitioners. Teachers facilitate learning by setting up the classroom for students to engage with inquiry-based activities. For example, sixth grade students work in groups to answer the question, “How can we design water filters that filter out harmful substances, are cost effective, and can be built in a classroom?” Students research effective water filters, sketch out designs, build these designs, test designs, and, finally, redesign. Q300 differentiates itself by challenging students to develop these inquiry skills in all core subjects, as well as in engineering, computer science, the arts, and Spanish. We encourage students who may be considered “twice exceptional” to apply for we have academic and social/emotional supports in place to effectively meet their needs.

## HOW TO APPLY TO MARK TWAIN FOR THE GIFTED & TALENTED | 21K239

Mark Twain for the Gifted & Talented (I.S. 239) is a middle school open to all New York City residents. To be eligible to test for and apply to this school, applicants must submit a Request for Testing (RFT) form by October 14, 2016.

Public school students should return the form to their elementary school, and non-public school students should return the form to a Family Welcome Center. (See inside back cover for Family Welcome Center locations.)

On the RFT form, you will need to list the two talent areas (see below) for which you would like your child to participate in competitive talent exams.

Talent Area	Program Code	Talent Area	Program Code
Art	K239AR	Instrumental – Strings	K239ST
Athletics	K239AT	Instrumental – Winds	K239WI
Computer/Math	K239CM	Media	K239ME
Creative Writing/Journalism	K239JO	Science	K239SC
Dance	K239DA	Vocal Music	K239VO
Drama	K239DR		

If you submit an RFT form, you will see these two talent areas on your child’s personalized middle school application. Remember—to be considered for placement, you must also rank Mark Twain programs on your application.

Eligible students will then receive notification of their test or audition, which will occur at Mark Twain on one of these dates. Additional test dates may be scheduled based on student applicant response.

January 7, 2017	January 21, 2017	January 28, 2017	February 4, 2017
January 8, 2017	January 22, 2017	January 29, 2017	February 5, 2017

## HOW TO APPLY TO PROFESSIONAL PERFORMING ARTS SCHOOL | 02M408

Professional Performing Arts School (PPAS) is a citywide school serving grades 6-12. Eligible students are invited to audition for the PPAS middle school theatrical arts program which includes acting, singing, and dance instruction from professionals in these fields along with an accelerated academic program. Students will be considered for enrollment based on academic performance and audition. More information on the process is available on the school website [ppasnyc.org](http://ppasnyc.org).

To be considered for a PPAS audition, you must rank PPAS as one of your choices on the middle school application that you receive from your child’s current elementary school. If your child is a non-public school student, you can get an application from a Family Welcome Center. All candidates must be residents of New York City at the time of application.

This is a list of New York City charter middle schools located in District 9 that are projected to offer sixth grade by the 2017-2018 school year. Please note that not all charter schools accept applications for new students in sixth grade. For current admissions information, please contact each school directly and learn more at [schools.nyc.gov/charters](http://schools.nyc.gov/charters).
