

Back to School Registration for New Public School Students

How to Register & Where to Go

High School

All new students, including those with an Individualized Education Program (IEP) must register at one of the Student Registration Centers (listed on the right).

Elementary & Middle School

Students with a zoned school, including those with a NYC Individualized Education Program (IEP), may register at their school starting Monday, September 9, 2013. If you don't know your zoned school, call 311 or visit www.nyc.gov/schools. If you don't have a zoned school, visit a Student Registration Center (listed on the right).

Students with a non-NYC Individualized Education Program (IEP) should visit one of the Student Registration Centers. Students with more restrictive or specialized needs may also visit a Committee on Special Education (CSE) location. For more information, including CSE locations, call 311 or visit www.nyc.gov/schools.

If your child is already enrolled in or assigned to a New York City public school, visit your child's school for assistance beginning Monday, September 9, 2013.
