

Implementation of Central Fund Control

As you know, the Division of Budget Operations and Review (DBOR) is in the process of implementing fund control for central administrative employees. The scheduled implementation date is Wednesday, January 17, 2007.

As requested by DBOR, Administrative Payroll will not finalize any 9902 transactions on 1/17/07. However, users may still enter 9902 transactions. Administrative Payroll will resume review and finalization of 9902s on Thursday, 1/18/06, unless required otherwise.

If you have any questions regarding the 9902 finalization, please call Administrative Payroll at 718-935-2201.

Questions regarding the implementation of the central fund control must be directed to DBOR.
