<b>Proposed Charter Revision</b>	<p>Harlem Success Academy Charter School 3 (name change of the education organization to "Success Academy Charter School- Harlem 3" pending) is located at 141 East 111th Street, New York, NY 10029, in CSD 4, and proposes to operate its 5th grade in CSD 3 in the 2012-13 school year. Harlem Success Academy Charter School 3 also proposes to merge with Harlem Success Academy Charter School (authorized by the New York State Board of Regents), and the following SUNY authorized public charter schools: Harlem Success Academy Charter School 2; Harlem Success Academy Charter School 4; and Harlem Success Academy Charter School 5, all of which are also not-for-profit education organizations.</p> <p>Harlem Success Academy Charter School 3 would be the successor entity, and would change its name to "Success Academy Charter Schools - NYC." This merger permits one or more of Success Academy's public elementary charter schools to feed into single middle schools. It further permits Success Academy schools to make important additional special education programming available. As part of the proposed merger, the school also seeks to modify its existing Educational Services Provider contract with Success Academy Charter Schools to increase the services provided and the correspondent fee. The proposed merger would be effective on July 1, 2012, or as soon thereafter as practicable.</p>

This school is authorized by the SUNY Charter Schools Institute. More information can be accessed at: <http://www.newyorkcharters.org/>
