## Committee on Contracts Agenda

The Department of Education's (DOE) Chancellor's Committee on Contracts (COC) has been asked for approval to enter into contract negotiations with the following organization(s) for the services described below. Other organizations interested in providing these services to the DOE are invited to indicate their ability to do so in writing to Jay G. Miller at 65 Court Street, Room 1201, Brooklyn, NY, 11201. Responses should be received no later than 9:00 AM, Tuesday, October 9, 2012. Any COC approval will be contingent upon no expressions of interest in performing services by other parties.

### **Items for Consideration:**

#### 1. The Council on the Environment, Inc. d/b/a GrowNYC

***Service(s): The Division of School Facilities in partnership with the Mayor's Fund and State is seeking an agreement with The Council on the Environment, Inc. d/b/a GrowNYC to expand the citywide school garden initiative, Grow to Learn.***

***Grow to Learn was founded by the Mayor's Fund and GrowNYC in 2010, and is run by GrowNYC, an independent non profit organization. Grow to Learn promotes healthy eating habits to students by creating and helping to maintain school gardens.***

***Term: 7/1/12 – 6/30/16***

***Total Contract Cost Not-to-Exceed: \$600,000***

#### 2. Expanded Learning Time Providers

***Service(s): The Office of Innovation and Vendor Resources is seeking an agreement with the vendors listed below to provide tutoring services for students who are not meeting performance standards.***

***In June 2012, United States Department of Education granted New York State an Elementary and Secondary Education Act (ESEA) Flexibility Waiver from the requirements of the No Child Left Behind law, eliminating the mandate to offer Supplemental Educational Services (SES). The DOE will offer a new program for tutoring services – Expanded Learning Time (ELT), allowing school principals to select tutoring service vendors based on the needs of their students.***

***This action will allow the DOE to contract with former SES vendors whose SES contract terms were current or expired August 31, 2012. These new agreements will cover the 2012/2013 school year, allowing the DOE to release a Request for Proposals, open to all vendors, for the following year.***
