Agenda

The Department of Education's (DOE) Chancellor's Committee on Contracts (COC) has been asked for approval to enter into contract negotiations with the following organization(s) for the services described below. Other organizations interested in providing these services to the DOE are invited to indicate their ability to do so in writing to Jay G. Miller at 65 Court Street, Room 1201, Brooklyn, NY, 11201. Responses should be received no later than 9:00 AM, Thursday, February 17, 2011. Any COC approval will be contingent upon no expressions of interest in performing services by other parties.

Items for Consideration:

1. Career Training Program

Service(s): The Division of Operational Support Services, Office of Scholarship and Incentive Programs, is seeking an agreement with the Career Training Program (CTP) to contract with a consortium of colleges and universities that provide undergraduate coursework for paraprofessionals seeking to further their education under Article VII of the contractual agreement with the United Federation of Teachers (UFT).

CTP is a contractually required collaboration between the DOE and UFT. The program provides eligible UFT and District Council 37 family paraprofessionals the opportunity to achieve educational advancement, specifically, a bachelor's degree.

Tuition will be paid for up to six (6) semester hours of undergraduate coursework during each of the fall, spring and summer semesters at regionally accredited participating colleges and universities (CUNY and private colleges and universities) until the completion of a bachelor's degree. Each institution agreed to accept the undergraduate CUNY per credit tuition rate prevailing at the time of each paraprofessional's enrollment.
