**The Proposed Co-location of a New Public Charter School, Success Academy Bed-Stuy 2<sup>1</sup> (84KTBD) with Existing School P.S. 59 (14K059) in Building K059 beginning in 2012-2013**

**I. Description of the subject and purpose of the proposed item under consideration.**

The Department of Education (“DOE”) is proposing to open and co-locate Success Academy Bed-Stuy 2 (84KTBD), a new public charter school that will serve students in kindergarten through fourth grade, in Building K059 (“K059”), located at 211 Throop Avenue, Brooklyn, NY, 11206, in Community School District 14, beginning in 2012-2013. Success Academy Bed-Stuy 2 would be co-located in K059 with an existing DOE zoned elementary school, P.S. 59 William Floyd (“P.S. 59”), which serves students in kindergarten through fifth grades and also offers two sections of pre-kindergarten. A “co-location” means that two or more school organizations are located in the same building and may share common spaces like auditoriums, gymnasiums, and cafeterias.

If this proposal is approved, Success Academy Bed-Stuy 2 will serve students in kindergarten and first grade in K059 when it first opens in 2012-2013 and would subsequently add one grade per year until it serves students in kindergarten through fourth grade in 2015-2016 and will increase enrollment for two years after that until it reaches a total enrollment of 420-440 students at full scale in 2017-2018.

P.S. 59 has experienced a continuous decline in enrollment for the past several years. Since the 2008-2009 school year, P.S. 59’s kindergarten enrollment has decreased by 25%. Moreover, while P.S. 59 is a zoned elementary school, it serves a significant percentage of students from outside its zone – approximately 40% of its current student enrollment is composed of out-of-zone students. Along with the co-location, the DOE is also projecting a moderate decline in P.S. 59’s projected enrollment going forward. For the 2012-2013 school year, P.S. 59 will enroll an incoming kindergarten class of 40-50 students, which represents a moderate decline of 3 to 13 students per year. Once P.S. 59 has fully phased in this projected kindergarten enrollment figure across grades kindergarten through five, the net total enrollment figure would not be significantly different than what would have naturally occurred if P.S. 59’s current enrollment trends continued.

<sup>1</sup> Brooklyn Success Academy Charter School 2 is the current legal name of the school, but the school is referred to herein as “Success Academy Bed-Stuy 2.” The school is currently undergoing a formal name change process, and the new name of the school will be Success Academy Charter School - Bed-Stuy 2, subject to approval.

K059 has the capacity to serve 825 students, but in 2010-2011, the building only served 434 students, yielding a building utilization of 53%. In 2017-2018 once Success Academy Bed-Stuy 2 has achieved full-scale, K059 will serve approximately 746-826 students combined across both organizations, yielding an estimated building utilization rate of 100%.

The DOE believes in Success Charter Network's record of success and supports the permanent placement of a Success charter school in District 14 in order to continue providing educational opportunities for students and families.
