

2016 Division I New Academic Requirements

Initial-eligibility standards for NCAA Division I college-bound student-athletes are changing

College-bound student-athletes first enrolling at an NCAA Division I school on or after August 1, 2016, will need to meet new academic rules to practice, compete and receive athletics scholarships during their first year.

Full Qualifier: College-bound student-athletes may practice, compete and receive athletics scholarship during their first year of enrollment at an NCAA Division I school.

Academic Redshirt: College-bound student-athletes may receive athletics scholarships during their first year of enrollment and may practice during their first regular academic term but may NOT compete during their first year of enrollment.

Nonqualifier: College-bound student-athletes cannot practice, receive athletics scholarships or compete during their first year of enrollment at an NCAA Division I school.

After August 1, 2016

1. A college-bound student-athlete completes nine core courses prior to the seventh semester of high school. However, he/she is an **academic redshirt** because only nine of the 10 required courses were completed before the seventh semester. He/she would be permitted to practice and receive scholarships, provided he/she presents 16 core courses and meets the minimum core-course GPA and test-score requirement at the time of graduation.
2. A college-bound student-athlete completes 16 core courses in the required coursework with a 2.300 core-course GPA and a 79 sum ACT. The college-bound student-athlete is **full qualifier** under the new sliding scale because the minimum GPA requirement is 2.300 with an ACT sum score of at least 75.
3. A college-bound student-athlete completes 15 core courses with a 2.500 core-course GPA and an 820 SAT score (critical reading and math). The college-bound student-athlete is a **nonqualifier** because only 15 core courses were completed, not the required 16 core courses.
