The Proposed Grade Truncation of I.S. 392 (23K392) to a 6-8 school in 2013-2014

I. Description of the subject and purpose of the proposed item under consideration.

On September 20th, The New York City Department of Education (“DOE”) proposed to implement a “grade truncation” at I.S. 392. That proposal was scheduled to be considered by the Panel for Educational Policy (“PEP”) on November 8, 2012. However, that proposal was withdrawn from the PEP’s agenda in the wake of disruptions caused by Hurricane Sandy.

The DOE is now reissuing the proposal. I.S. 392 (23K392, “I.S. 392”) is an existing district middle school located in building K356 (“K356”), at 104 Sutter Avenue, Brooklyn, NY 11212, in Community School District 23. It currently serves students in fifth through eighth grades. I.S. 392 is currently co-located with P.S. 156 Waverly (23K156, “P.S. 156”), an existing zoned elementary school that currently serves students in kindergarten through fifth grades and offers a full-day pre-kindergarten program. A “co-location” means that two or more school organizations are located in the same building and may share common spaces like auditoriums, gymnasiums, and cafeterias.

A “grade truncation” means that the school would no longer offer the option to enroll fifth-grade students after the current 2012-2013 school year. Beginning in September 2013, I.S. 392 would only serve sixth- through eighth-grade students. Although I.S. 392 was budgeted to serve 21 fifth graders during the 2012-2013 school year, no fifth graders actually chose to enroll at the school for the 2012-2013 school year.

This proposal will be voted on at the December 20, 2012 meeting of the PEP..

Middle schools typically enroll students beginning in sixth grade, but I.S. 392 may enroll students starting in fifth grade. Currently, I.S. 392 is the only DOE-managed school in District 23 that serves an irregular grade span in the kindergarten through eighth grade span. Historically, the majority of I.S. 392’s fifth-grade students articulated from P.S. 007 Abraham Lincoln (19K007, “P.S. 7”) in District 19, where they were enrolled for fourth grade. At its meeting on February 9, 2012, the Panel for Educational Policy (“PEP”) approved a proposal to expand P.S. 7 from a school that serves students in kindergarten through fourth grades to a school that serves students in kindergarten through fifth grades. P.S. 7 began enrolling fifth-grade students in the 2012-2013 school year. If I.S. 392’s fifth grade is not truncated and historical enrollment patterns continue, the enrollment in any future I.S. 392 fifth grade class would be adversely affected by

P.S. 7's expansion because P.S. 7's students will likely continue at P.S. 7 for fifth grade rather than enroll in I.S. 392 for fifth grade Furthermore, because I.S. 392 is the only district school in District 23 that serves an irregular grade span in the kindergarten through eighth grade span, the enrollment in any future I.S. 392 fifth grade class would not likely be composed of District 23 students.

This proposed grade truncation will help standardize middle school entry grades in District 23. Additionally, having students start I.S. 392 through multiple entry grades (at both fifth and sixth grades) creates challenges for students and the school as a whole. Having students enter in multiple years is also challenging for teachers and leadership from an instructional perspective.

Changing I.S. 392's grade span from fifth through eighth grade to sixth through eighth grade will free up additional space that I.S. 392 could use to accommodate existing sixth-through eighth-grade students or to meet other needs (e.g., art room, resource center, etc.).
