

# Student and Teacher Level Datasets

Each year the DOE releases information about our student population and about our schools. This data is available publicly on the NYC DOE website. Additionally, student level data can be obtained through our data request process. Below are the individual-level datasets available to researchers

| <b>Data Type</b>             | <b>Sample File Name</b>                              | <b>File Format</b> |
|------------------------------|--|--------------------|
| Audited Register             | <i>School Year_Biog1031.csv</i>                      | .CSV               |
| June Biographic              | <i>School Year_June-Biog_PK-12.csv</i>               | .CSV               |
| College Board – Advanced     | <i>School Year_AP.csv</i>                            | .CSV               |
| College Board – PSAT         | <i>School Year_PSAT.csv</i>                          | .CSV               |
| College Board – SAT          | <i>School Year_SAT_Admin.csv</i>                     | .CSV               |
| ELA & Math_Demographic       | <i>School Year_Student_test-Biog_All_G38_NYC.csv</i> | .CSV               |
| Fitnessgram                  | <i>School Year_Fitnessgram.csv</i>                   | .CSV               |
| Grad_StateCalc               | <i>School Year_Grad_StateCalc.csv</i>                | .CSV               |
| NYSESLAT                     | <i>School Year_NYSESLAT.csv</i>                      | .CSV               |
| NYS Science & Social Studies | <i>School Year_Science_G4&amp;8.csv</i>              | .CSV               |
| NYS Science & Social Studies | <i>School Year_SocStudies_G4&amp;8.csv</i>           | .CSV               |
| Regents                      | <i>School Year_Regents.csv</i>                       | .CSV               |
| Zoned DBN                    | <i>School Year_zonedDBN_ALL.csv</i>                  | .CSV               |
| Pedagogue                    | <i>School Year_PedagInfo_All.csv</i>                 | .CSV               |

# Audited Register

| FIELD                   | DATA TYPE | FIELD DESCRIPTION  | VALID VALUES   |   |
|-------------------------|-----------|--|--|---|
| <b>student_id_scram</b> | Numeric   | The student's unique identification number.  | Nine-digit integer.  |   |
| <b>dbn</b>              | String    | The school code represented as a concatenation of the school district (D), school borough (B) and school number (N).   | Alphanumeric in the format 'DDBNNN'.   |   |
| <b>dob</b>              | Numeric   | Student's date of birth.   | Numeric values in the form 'YYYYMMDD'.   |   |
| <b>sex</b>              | String    | The student's gender.  | F  | Female  |
|                         |           |  | M  | Male  |
| <b>admit_date</b>       | Numeric   | The effective date when the student was admitted to a NYC public school.   | Numeric values in the form YYYYMMDD.   |   |
| <b>home_lang</b>        | String    | Indicates the language that the student speaks at home.  | Two-letter code indicating the language spoken in the student's home.  |   |
| <b>pob_code</b>         | String    | Place of birth code; the borough, country, county, or city where the student was born.   | Two-digit code indicating the US state in which the student was born OR two-letter code indicating the country in which the student was born (if not in the US). |   |
| <b>grade_level</b>      | String    | The student's grade level.   | Two-character code indicating the student's grade level with values of: PK, OK, and 01-12.   |   |
| <b>official_class</b>   | Numeric   | The official class the student is currently assigned to attend in the current school year.   | Three-digit numeric code.  |   |
| <b>lunch</b>            | Numeric   | Indicates whether a student is eligible for free or reduced price lunch or attends a universal feeding school  | 0  | Does not qualify for any free or reduced lunch benefits.                              |
|                         |           |  | 1  | Student qualifies for free lunch, reduced lunch, or is in a universal feeding school. |
| <b>ethnicity</b>        | String    | Indicates the students' ethnicity.   | A  | Asian   |
|                         |           |  | B  | Black   |
|                         |           |  | H  | Hispanic  |
|                         |           |  | M  | Multi-Racial  |
|                         |           |  | N  | Native American or Alaskan Indian   |
|                         |           |  | W  | White   |
| <b>grade_code</b>       | Numeric   | Academic level + the track that the student is in (e.g., General Education, Special Education, Collaborative Team Teaching, etc.) Note: If the grade code ends in a '9', the student is a part of Collaborative Team Teaching. | Integer values entered in the format 'XXX'.  |   |
|                         |           |  | 0  | Student is not an ELL   |
| <b>ell</b>              | Numeric   | Indicates students English Language Learner status as of June 30 <sup>th</sup> .   | 1  | Student is an ELL   |
|                         |           |  | 0  | Student does not have an IEP  |
| <b>swd</b>              | Numeric   | Indicates whether the student has an IEP as of June 30 <sup>th</sup> .   | 0  | Student does not have an IEP  |
|                         |           |  | 1  | Student has an IEP  |

## June Biographic

| FIELD                   | DATA TYPE | FIELD DESCRIPTION  | VALID VALUES  |
|-------------------------|-----------|--|---|
| <b>student_id_scram</b> | Numeric   | The student's unique identification number.  | Nine-digit integer.   |
| <b>dbn</b>              | String    | The school code represented as a concatenation of the school district (D), school borough (B) and school number (N).   | Alphanumeric in the format 'DDBNNN'.  |
| <b>grade_code</b>       | Numeric   | Academic level + the track that the student is in (e.g., General Education, Special Education, Collaborative Team Teaching, etc.) Note: If the grade code ends in a '9', the student is a part of Collaborative Team Teaching. | Integer values entered in the format 'XXX'.   |
| <b>grade_level</b>      | String    | The student's grade level.   | Two-character code indicating the student's grade level with values of: PK, OK, and 01-12.  |
| <b>dob</b>              | Numeric   | Student's date of birth.   | Numeric values in the form 'YYYYMMDD'.  |
| <b>sex</b>              | String    | The student's gender.  | F      Female<br>M      Male  |
| <b>ethnicity</b>        | String    | Indicates the students' ethnicity.   | A      Asian<br>B      Black<br>H      Hispanic<br>M      Multi-Racial<br>N      Native American or Alaskan Indian<br>W      White<br>NULL      Parents Refused to Sign / No Data |
| <b>home_lang</b>        | String    | Indicates the language that the student speaks at home.  | Two-letter code indicating the language spoken in the student's home.   |
| <b>pob_code</b>         | String    | Place of birth code; the borough, country, county, or city where the student was born.   | Two-digit code indicating the US state in which the student was born OR two-letter code indicating the country in which the student was born (if not in the US).                  |
| <b>status</b>           | String    | Indicates the status of the student's record.  | A      Admit<br>D      Discharge<br>T      Transfer   |
| <b>admit_code</b>       | Numeric   | Admission code for a student upon entering a NYC public school. The code contains information on where the student came from. If the student leaves and comes back, a new record (new admission code) is created.              | Two-digit code indicating where the student where the student is being admitted from.   |

|                       |         |   |   |   |
|-----------------------|---------|---|---|---|
| <b>admit_date</b>     | Numeric | The effective date when the student was admitted to a NYC public school.  | Numeric values in the form YYYYMMDD.  |   |
| <b>disc_code</b>      | Numeric | Indicates why a student has been discharged from a NYC school.  | Two-digit code indicating the reason the student is being discharged.             |   |
| <b>disc_date</b>      | Numeric | The date that the student was discharged from a NYC public school.  | Numeric values in the form YYYYMMDD.  |   |
| <b>official_class</b> | Numeric | The official class the student is currently assigned to attend in the current school year.  | Three-digit numeric code.   |   |
| <b>ell</b>            | Numeric | Indicates students English Language Learner status as of June 30 <sup>th</sup> .  | 0   | Student is not an ELL   |
|                       |         |   | 1   | Student is an ELL   |
| <b>swd</b>            | Numeric | Indicates whether the student has an IEP as of June 30 <sup>th</sup> .  | 0   | Student does not have an IEP  |
|                       |         |   | 1   | Student has an IEP  |
| <b>lunch</b>          | Numeric | Indicates whether a student is eligible for free or reduced price lunch or attends a universal feeding school                                   | 0   | Does not qualify for any free or reduced lunch benefits.                              |
|                       |         |   | 1   | Student qualifies for free lunch, reduced lunch, or is in a universal feeding school. |
| <b>days_absent</b>    | Numeric | Indicates the number of days the student has been absent this year. The field is calculated weekly during the school year by a batch program.   | Numeric value indicating the number of days the student was absent from school.   |   |
| <b>days_present</b>   | Numeric | Indicates the number of days the student has been present this year. The field is calculated weekly during the school year by a batch program.  | Numeric value indicating the number of days the student was present at school.    |   |
| <b>days_released</b>  | Numeric | Indicates the number of days the student has been released this year. The field is calculated weekly during the school year by a batch program. | Numeric value indicating the number of days the student was released from school. |   |

## College Board – Advanced Placement (AP)

| FIELD                   | DATA TYPE | FIELD DESCRIPTION  | VALID VALUES  |
|-------------------------|-----------|--|---|
| <b>adminyear</b>        | Numeric   | The year of the Spring in which the test was administered.   | Four-digit year value.  |
| <b>student_id_scram</b> | Numeric   | The student's unique identification number.                  | Nine-digit integer.   |
| <b>examcode</b>         | Numeric   | The code indicating the subject in which the exam was taken. | Numeric value indicating the subject in which the exam was taken. |
| <b>examgrade</b>        | String    | Student's score on the AP exam.                              | Numeric values between 1 and 5 (3 or above is a passing score).   |
| <b>examtitle</b>        | String    | The name of the exam as entered by the school.               |   |

## College Board – PSAT

| FIELD                   | DATA TYPE | FIELD DESCRIPTION  | VALID VALUES                       |
|-------------------------|-----------|--|------------------------------------|
| <b>student_id_scram</b> | Numeric   | The student's unique identification number.                  | Nine-digit integer.                |
| <b>psat_cr</b>          | Numeric   | Student's score on the Critical Reading section of the PSAT. | Numeric value ranging from 20-80.  |
| <b>psat_mth</b>         | Numeric   | Student's score on the Math section of the PSAT.             | Numeric value ranging from 20-80.  |
| <b>psat_wrt</b>         | Numeric   | Student's score on the Writing section of the PSAT.          | Numeric value ranging from 20-80.  |
| <b>year</b>             | Numeric   | The year of the Fall in which the test was administered.     | Four-digit year value.             |
| <b>total_psat</b>       | Numeric   | Student's composite score on all sections of the PSAT.       | Numeric value ranging from 20-240. |

## College Board – SAT

| FIELD                   | DATA TYPE | FIELD DESCRIPTION  | VALID VALUES  |
|-------------------------|-----------|--|---|
| <b>student_id_scram</b> | Numeric   | The student's unique identification number.                  | Nine-digit integer.   |
| <b>test_year</b>        | Numeric   | The year of the Spring in which the test was administered.   | Four-digit year value.  |
| <b>test_month</b>       | Numeric   | The month in which the test was administered.                | Numeric values ranging from 1-12 indicating the month in which the test was administered. |
| <b>critical_reading</b> | Numeric   | Student's score on the Critical Reading section of the PSAT. | Numeric value ranging from 200-800.   |
| <b>math</b>             | Numeric   | Student's score on the Math section of the PSAT.             | Numeric value ranging from 200-800.   |
| <b>writing</b>          | Numeric   | Student's score on the Writing section of the PSAT.          | Four-digit year value.  |

## ELA & Math\_Demographic

| FIELD                   | DATA TYPE | FIELD DESCRIPTION                           | VALID VALUES        |
|-------------------------|-----------|---|---------------------|
| <b>student_id_scram</b> | Numeric   | The student's unique identification number. | Nine-digit integer. |
| <b>sex</b>              | String    | The student's gender.                       | F Female<br>M Male  |
| <b>ethnicity</b>        | String    | Indicates the students' ethnicity.          | A Asian<br>B Black  |

|                         |         |  |   |   |
|-------------------------|---------|--|---|---|
|                         |         |  | H   | Hispanic  |
|                         |         |  | M   | Multi-Racial  |
|                         |         |  | N   | Native American or Alaskan Indian   |
|                         |         |  | W   | White   |
|                         |         |  | NULL  | Parents Refused to Sign / No Data   |
| <b>ell</b>              | Numeric | Indicates students English Language Learner status as of June 30 <sup>th</sup> .   | 0   | Student is not an ELL   |
|                         |         |  | 1   | Student is an ELL   |
| <b>gese</b>             | Numeric | Indicates whether the student is in a general education of special education program (not included before 2008-09).  | 0   | Student is in General Education   |
|                         |         |  | 1   | Student is in Special Education   |
| <b>lunch</b>            | Numeric | Indicates whether a student is eligible for free or reduced price lunch or attends a universal feeding school  | 0   | Does not qualify for any free or reduced lunch benefits.                              |
|                         |         |  | 1   | Student qualifies for free lunch, reduced lunch, or is in a universal feeding school. |
| <b>home_lang</b>        | String  | Indicates the language that the student speaks at home.  | Two-letter code indicating the language spoken in the student's home. |   |
| <b>ela_dbn</b>          | String  | School identification number where student was registered at time of ELA test administration. Consists of District, Borough, and School Number (not included before 2004-05).  | Alphanumeric in the format 'DDBNNN'.                                  |   |
| <b>ela_test_grade</b>   | Numeric | Grade level of the ELA exam taken.   | One-digit value ranging from 4-8.                                     |   |
| <b>ela_raw_score</b>    | Numeric | Student's raw score on the ELA exam.   | Numeric value; sum of reading and writing subscores.                  |   |
| <b>ela_scale_score</b>  | Numeric | Student's scale score on the ELA exam.   | Numeric value.  |   |
| <b>ela_perf_level</b>   | Numeric | Student's performance level on the ELA exam.   | 1   | Level 1   |
|                         |         |  | 2   | Level 2   |
|                         |         |  | 3   | Level 3   |
|                         |         |  | 4   | Level 4   |
| <b>ela_prof_rating</b>  | Numeric | Student's proficiency rating on the ELA exam (only available in Progress Report years: 2005-06 through 2012-13).   | Numeric value ranging from 1.00-4.50.                                 |   |
| <b>math_dbn</b>         | String  | School identification number where student was registered at time of Math test administration. Consists of District, Borough, and School Number (not included before 2004-05). | Alphanumeric in the format 'DDBNNN'.                                  |   |
| <b>math_test_grade</b>  | Numeric | Grade level of the Math exam taken.  | One-digit value ranging from 4-8.                                     |   |
| <b>math_raw_score</b>   | Numeric | Student's raw score on the Math exam.  | Numeric value; sum of reading and writing subscores.                  |   |
| <b>math_scale_score</b> | Numeric | Student's scale score on the Math exam.  | Numeric value.  |   |
| <b>math_perf_level</b>  | Numeric | Student's performance level on the Math exam.  | 1   | Level 1   |
|                         |         |  | 2   | Level 2   |
|                         |         |  | 3   | Level 3   |
|                         |         |  | 4   | Level 4   |
| <b>math_prof_rating</b> | Numeric | Student's proficiency rating on the Math exam (only available in Progress Report years: 2005-06 through 2012-13).  | Numeric value ranging from 1.00-4.50.                                 |   |

**Testing Modifications in ELA and Math**

| <b>(For school years 2009-10 through 2012-13)</b>   |         |   |  |     |
|---|---------|---|--|-----|
| <b>ela_timing</b>   | Numeric | Flexibility in scheduling/timing.                             | 0  | No  |
|   |         |   | 1  | Yes |
| <b>ela_setting</b>  | Numeric | Flexibility in setting.                                       | 0  | No  |
|   |         |   | 1  | Yes |
| <b>ela_present</b>  | Numeric | Method of presentation.                                       | 0  | No  |
|   |         |   | 1  | Yes |
| <b>ela_response</b>   | Numeric | Method of response.   | 0  | No  |
|   |         |   | 1  | Yes |
| <b>ela_other</b>  | Numeric | Other accomodation.   | 0  | No  |
|   |         |   | 1  | Yes |
| <b>ela_braille</b>  | Numeric | Exam in braille or large type.                                | 0  | No  |
|   |         |   | 1  | Yes |
| <b>ela_tim_ext</b>  | Numeric | Time extension.   | 0  | No  |
|   |         |   | 1  | Yes |
| <b>ela_locate</b>   | Numeric | Separate location.  | 0  | No  |
|   |         |   | 1  | Yes |
| <b>ela_thirdr</b>   | Numeric | Third reading of listening section.                           | 0  | No  |
|   |         |   | 1  | Yes |
| <b>ela_diction</b>  | Numeric | Bilingual dictionaries and glossaries.                        | 0  | No  |
|   |         |   | 1  | Yes |
| <b>math_timing</b>  | Numeric | Flexibility in scheduling/timing.                             | 0  | No  |
|   |         |   | 1  | Yes |
| <b>math_setting</b>   | Numeric | Flexibility in setting.                                       | 0  | No  |
|   |         |   | 1  | Yes |
| <b>math_present</b>   | Numeric | Method of presentation.                                       | 0  | No  |
|   |         |   | 1  | Yes |
| <b>math_response</b>  | Numeric | Method of response.   | 0  | No  |
|   |         |   | 1  | Yes |
| <b>math_other</b>   | Numeric | Other accommodation.  | 0  | No  |
|   |         |   | 1  | Yes |
| <b>math_braille</b>   | Numeric | Exam in braille or large type.                                | 0  | No  |
|   |         |   | 1  | Yes |
| <b>math_tim_ext</b>   | Numeric | Time extension.   | 0  | No  |
|   |         |   | 1  | Yes |
| <b>math_locate</b>  | Numeric | Separate location.  | 0  | No  |
|   |         |   | 1  | Yes |
| <b>math_thirdr</b>  | Numeric | Third reading of listening section.                           | 0  | No  |
|   |         |   | 1  | Yes |
| <b>math_diction</b>   | Numeric | Bilingual dictionaries and glossaries.                        | 0  | No  |
|   |         |   | 1  | Yes |
| <b>Testing Modifications in ELA and Math<br/>(For school years 1999-00 through 2008-09)</b> |         |   |  |     |
| <b>testing_accomoda<br/>tions</b>   | String  | Indicates the testing accommodations received by the student. | For 1999-00 through 2008-09, all accommodations are captured under one variable. Each accommodation is represented by a one-character code which is indicated in the value for <i>testing_accommodation</i> . If a student |     |

|   |                                      |  |  |                         |
|---|--------------------------------------|--|--|-------------------------|
|   |                                      |  | receives all accommodations, the value will be 11 characters and will include each of the one-character accommodation codes. See Tomato Soup documentation for <i>testing_accommodation</i> codes. |                         |
| <b>VARIABLES ONLY AVAILABLE IN THE 2012-13 FILE</b>         |                                      |  |  |                         |
| <b>fall_pres</b>  | Numeric                              | Number of days student was present in the Fall semester.   | Numeric value indicating number of days present in the Fall.   |                         |
| <b>fall_abs</b>   | Numeric                              | Number of days student was absent in the Fall semester.  | Numeric value indicating number of days absent in the Fall.  |                         |
| <b>spr_pres</b>   | Numeric                              | Number of days student was present in the Spring semester.   | Numeric value indicating number of days present in the Spring.   |                         |
| <b>spr_abs</b>  | Numeric                              | Number of days student was absent in the Spring semester.  | Numeric value indicating number of days absent in the Spring.  |                         |
| <b>ela_form1</b>  | String                               | ELA test form 1.   | Letter code indicating test version.   |                         |
| <b>ela_form2</b>  | String                               | ELA test form 2.   | Letter code indicating test version.   |                         |
| <b>ela_subscore1</b>  | Numeric                              | Reading subscore.  | Numeric value.   |                         |
| <b>ela_subscore2</b>  | Numeric                              | Writing subscore.  | Numeric value.   |                         |
| <b>math_form1</b>   | String                               | Math test form 1.  | Letter code indicating test version.   |                         |
| <b>math_form2</b>   | String                               | Math test form 2.  | Letter code indicating test version.   |                         |
| <b>math_subscore1</b>                                       | Numeric                              | Math subscore categories vary by grade.  | Numeric value.   |                         |
| <b>math_subscore2</b>                                       | Numeric                              | Math subscore categories vary by grade.  | Numeric value.   |                         |
| <b>ela_disability</b>                                       | String                               | Student's disability classification at the time of the ELA test administration.  | Numeric disability code or 'N/A' for general education; for disability codes see Tomato Soup documentation.  |                         |
| <b>math_disability</b>                                      | String                               | Student's disability classification at the time of the Math test administration.   | Numeric disability code or 'N/A' for general education; for disability codes see Tomato Soup documentation.  |                         |

## Fitnessgram

| FIELD   | DATA TYPE | FIELD DESCRIPTION   | VALID VALUES   |        |
|---|-----------|---|--|--------|
| dbn   | String    | The school code represented as a concatenation of the school district (D), school borough (B) and school number (N).        | Alphanumeric in the format 'DDBNNN'.   |        |
| student_id_scram  | Numeric   | The student's unique identification number.   | Nine-digit integer.  |        |
| sex   | String    | The student's gender.   | F  | Female |
|   |           |   | M  | Male   |
| grade_level   | String    | The student's grade level.  | Two-character code indicating the student's grade level with values of: PK, OK, and 01-12. |        |
| dob   | Numeric   | Student's date of birth.  | Numeric values in the form 'YYYYMMDD'.   |        |
| ht_wt_date  | Numeric   | The date when student's Height and Weight were measured. This is used to calculate age for the BMI & BMI percentile scores. | Numeric values in the form 'YYYYMMDD'.   |        |
| height  | Numeric   | Student's height in cm.   | Numeric value in decimal form.   |        |
| weight  | Numeric   | Student's weight in kg.   | Numeric value in decimal form.   |        |
| pacerc  | Numeric   | Student's aerobic capacity assessment score measured in laps.   | Numeric value in decimal form.   |        |
| curlup  | Numeric   | Student's abdominal strength assessment score measured in repetitions.  | Numeric value in decimal form.   |        |
| pushup  | Numeric   | Students upper body strength score measured in repetitions.   | Numeric value in decimal form.   |        |
| trunklift   | Numeric   | Student's flexibility measurement in inches.  | Numeric value in decimal form.   |        |
| sitreachleft  | Numeric   | Student's flexibility measurement in inches.  | Numeric value in decimal form.   |        |
| sitreachright   | Numeric   | Student's flexibility measurement in inches.  | Numeric value in decimal form.   |        |
| bmi   | Numeric   | Student's body mass index (BMI).  | Numeric value in decimal form.   |        |
| bmipect   | Numeric   | Student's BMI percentile.   | Numeric value in decimal form.   |        |
| <b>ADDITIONAL VARIABLES INCLUDED IN THE 2006-2011 FILES</b> |           |   |  |        |
| height_inches   | Numeric   | Student's height in inches.   | Numeric value in decimal form.   |        |
| weight_lbs  | Numeric   | Student's weight in pounds.   | Numeric value in decimal form.   |        |

## Grad\_StateCalc

| FIELD                   | DATA TYPE | FIELD DESCRIPTION   | VALID VALUES   |   |
|-------------------------|-----------|---|--|---|
| <b>membership_key</b>   | Numeric   | A numeric value that indicates the cohort membership/outcome for that record.   | Numeric value.   |   |
| <b>membership_desc</b>  | String    | Cohort membership/outcome description.  | Cohort membership described in plain English.  |   |
| <b>year_3breakout</b>   | String    | Indicates whether the record represents student's 4, 5, or 6 year outcome.  | '4 year', '5 year', '6 year'   |   |
| <b>student_id_scam</b>  | Numeric   | The student's unique identification number.   | 9-digit integer.   |   |
| <b>district_code</b>    | Numeric   | BEDS code issued by NYSED that identifies the district of accountability.   | 12-digit integer.  |   |
| <b>school_resp_code</b> | Numeric   | BEDS code issued by NYSED that identifies the school of accountability.   | 12-digit integer.  |   |
| <b>state_in</b>         | Numeric   | Indicates whether student is included in NYSED's designation of the NYC cohort  | All values are equal to '1'.   |   |
| <b>district_in</b>      | Numeric   | Indicates whether student is included in NYSED's designation of the cohort for the CSD identified by the district_code.             | All values are equal to '1'.   |   |
| <b>school_in</b>        | Numeric   | Indicates whether student is included in NYSED's designation of the cohort for the school identified by the SCHOOL_RESP_CODE.       | All values are equal to '1'.   |   |
| <b>apm_in</b>           | Numeric   | Indicates whether student is included in NYSED's designation of the cohort for the Math/ELA Aspirational Performance Measure (APM). | 0  | Student not included in APM calculation |
|                         |           |   | 1  | Student included in APM calculation     |
| <b>outcome</b>          | String    | States the student's final outcome.   | Student's outcome described in plain English: 'Regents Diploma', 'Local Diploma', 'Still Enrolled', 'Drop out', etc. |   |
| <b>diploma</b>          | String    | States the type of diploma that the student earned.   | Student's diploma type (where applicable) described in plain English: 'Regents...', 'Local Diploma', 'NULL', etc.    |   |
| <b>outcome_category</b> | Numeric   | Student's outcome as of the reporting deadline for that cohort/outcome period.  | 0  | Unknown                                 |
|                         |           |   | 1  | Dropped Out                             |
|                         |           |   | 2  | Still Enrolled                          |
|                         |           |   | 3  | GED                                     |
|                         |           |   | 4  | IEP                                     |
|                         |           |   | 5  | Local Diploma                           |
|                         |           |   | 6  | Regents (without Advanced)              |
|                         |           |   | 7  | Advanced Regents                        |
| <b>graduated</b>        | Numeric   | Indicates whether student graduated with a Local, Regents or Advance Regents diploma.   | 0  | Student did not graduate                |
|                         |           |   | 1  | Students graduated                      |
| <b>dropout</b>          | Numeric   | Indicates whether student dropped out.  | 0  | Student did not drop out                |
|                         |           |   | 1  | Student dropped out                     |
| <b>stillenrolled</b>    | Numeric   | Indicates whether student is still enrolled.  | 0  | Student is not still enrolled           |
|                         |           |   | 1  | Student is still enrolled               |

|                       |                   |   |      |  |
|-----------------------|-------------------|---|------|--|
| <b>ged</b>            | Numeric           | Indicates whether student transferred to state approved GED program.                                | 0    | Student did not transfer to a GED program                            |
|                       |                   |   | 1    | Student transferred to a GED program                                 |
| <b>iep</b>            | Numeric           | Indicates whether student received an IEP diploma.  | 0    | Student did not receive an IEP diploma                               |
|                       |                   |   | 1    | Student received an IEP diploma                                      |
| <b>local</b>          | Numeric           | Indicates whether a student received a Local diploma.   | 0    | Student did not receive a Local diploma                              |
|                       |                   |   | 1    | Student received a Local diploma                                     |
| <b>regents</b>        | Numeric           | Indicates whether a student received a Regents diploma (not including Advanced Regents).            | 0    | Student did not receive a Regents diploma                            |
|                       |                   |   | 1    | Student received a Regents diploma                                   |
| <b>advregents</b>     | Numeric           | Indicates whether a student received an Advanced Regents diploma.                                   | 0    | Student did not receive an Advanced Regents diploma                  |
|                       |                   |   | 1    | Student received an Advanced Regents diploma                         |
| <b>total_regents</b>  | Numeric           | Indicates whether a student received either a Regents or Advanced Regents diploma.                  | 0    | Student did not receive either a Regents or Advanced Regents diploma |
|                       |                   |   | 1    | Student received either a Regents or Advanced Regents diploma        |
| <b>apm</b>            | Numeric           | Indicates whether a student graduated and achieved Math/ELA APM targets (75 on ELA and 80 on Math). | 0    | Student did not achieve APM  |
|                       |                   |   | 1    | Student achieved APM   |
| <b>swd</b>            | Numeric           | Indicates whether student has an IEP  | 0    | Student does not have an IEP   |
|                       |                   |   | 1    | Student has an IEP   |
| <b>challenge_code</b> | String            | For students with an IEP, indicates the student's disability classification.                        | 352  | Autism   |
|                       |                   |   | 363  | Emotional Disturbance  |
|                       |                   |   | 385  | Learning Disability  |
|                       |                   |   | 396  | Mental Retardation   |
|                       |                   |   | 407  | Deafness   |
|                       |                   |   | 418  | Hearing Impairment   |
|                       |                   |   | 429  | Speech or Language Impairment  |
|                       |                   |   | 440  | Visual Impairment (including blindness)                              |
|                       |                   |   | 451  | Orthopedic Impairment  |
|                       |                   |   | 462  | Other Health Impairment  |
|                       |                   |   | 473  | Multiple Disabilities  |
|                       |                   |   | 495  | Traumatic Brain Injury   |
|                       |                   |   | 1    | Student with Disabilities (depends on cohort)                        |
|                       |                   |   | 5786 | Pre-School Student with a Disability                                 |
| N/A                   | General Education |   |      |  |
| <b>ell</b>            | Numeric           | Indicates whether student is an ELL.  | 0    | Student is English Proficient or a former ELL                        |

|                      |         |  |                                      |   |
|----------------------|---------|--|--------------------------------------|---|
|                      |         |  | 1                                    | Student is a current ELL                  |
| lep_eligibility_code | String  | Indicates student's ELL status   | 231                                  | Student is a current ELL                  |
|                      |         |  | 232                                  | Student is a former ELL                   |
|                      |         |  | N/A                                  | Student is English Proficient             |
| ethnicity            | String  | Indicates the students' ethnicity.   | A                                    | Asian                                     |
|                      |         |  | B                                    | Black                                     |
|                      |         |  | H                                    | Hispanic                                  |
|                      |         |  | M                                    | Multi-Racial                              |
|                      |         |  | N                                    | Native American or Alaskan Indian         |
|                      |         |  | W                                    | White                                     |
| sex                  | String  | Indicates the student's gender.  | F                                    | Female                                    |
|                      |         |  | M                                    | Male                                      |
| poverty              | Numeric | Indicates whether student is economically disadvantaged (needs to be recoded; current values are '1' and '2').       | 0                                    | Student is not economically disadvantaged |
|                      |         |  | 1                                    | Student is economically disadvantaged     |
| dbn                  | String  | The school code represented as a concatenation of the school district (D), school borough (B) and school number (N). | Alphanumeric in the format 'DDBNNN'. |   |
| school_name          | String  | School's name.   |                                      |   |

## NYSESLAT

| FIELD            | DATA TYPE | FIELD DESCRIPTION  | VALID VALUES  |
|------------------|-----------|--|---|
| student_id_scram | Numeric   | Non-personally identifiable student tracking number. <ul style="list-style-type: none"> <li>Note: To ensure that all student IDs are 9 digits, import the variable as test to keep leading zeroes.</li> </ul>  | Nine-digit integer.   |
| dbn              | String    | The school code represented as a concatenation of the school district (D), school borough (B) and school number (N). <ul style="list-style-type: none"> <li>Districts 1-32: NYC Geographic Districts</li> <li>District 70: Students in Out of District Placements (students with disabilities)</li> <li>District 75: NYC Special Education District</li> <li>District 84: NYC Charter Schools</li> </ul> | Alphanumeric in the format 'DDBNNN'.  |
| grade_level      | String    | The student's grade level of enrollment when the student took the NYSESLAT.  | Two-character code indicating the student's grade level with values of: 0K and 00-14. Values of '0K' and '00' represent students in Kindergarten. |
| year             | Numeric   | Indicates the Spring of the school year in which the test administration occurred.   | Four-digit numeric value.   |

|   |         |  |                                   |              |
|---|---------|--|-----------------------------------|--------------|
| <b>test_lvl</b>   | Numeric | Indicates the form/level of the exam administered. For most years, also denotes which grade band the test was administered to. Can be mostly ignored for analytic purposes. Typically serves a more administrative function in current data systems. | Numeric value.                    |              |
| <b>test_season</b>  | String  | Indicates the season in which the exam was administered.   | The only valid value is 'Spring'. |              |
| <b>listening_raw</b>  | Numeric | Number of items answered correctly on listening subtest.   | Numeric value.                    |              |
| <b>speaking_raw</b>   | Numeric | Number of items answered correctly on speaking subtest.  | Numeric value.                    |              |
| <b>reading_raw</b>  | Numeric | Number of items answered correctly on reading subtest.   | Numeric value.                    |              |
| <b>writing_raw</b>  | Numeric | Number of items answered correctly on writing subtest.   | Numeric value.                    |              |
| <b>overall_pl</b>   | String  | Overall proficiency level for NYSESLAT.  | B                                 | Beginner     |
|   |         |  | I                                 | Intermediate |
|   |         |  | A                                 | Advanced     |
|   |         |  | P                                 | Proficient   |
| <b>ADDITIONAL VARIABLES INCLUDED IN THE 2003-2012 FILES</b> |         |  |                                   |              |
| <b>list_spk_raw</b>   | Numeric | Sum of listening_raw and speaking_raw; number of items answered correctly on both sub-tests combined.  | Numeric value.                    |              |
| <b>list_spk_prof_lvl</b>                                    | String  | Proficiency level on Listening/Speaking language component.  | B                                 | Beginner     |
|   |         |  | I                                 | Intermediate |
|   |         |  | A                                 | Advanced     |
|   |         |  | P                                 | Proficient   |
| <b>list_spk_ss</b>  | Numeric | Scale score of Listening/Speaking language component.  | Numeric value.                    |              |
| <b>read_wrt_raw</b>   | Numeric | Sum of reading_raw and writing_raw; number of items answered correctly on both sub-tests combined.   | Numeric value.                    |              |
| <b>read_wrt_prof_lvl</b>                                    | String  | Proficiency level on Reading/Writing language component.   | B                                 | Beginner     |
|   |         |  | I                                 | Intermediate |
|   |         |  | A                                 | Advanced     |
|   |         |  | P                                 | Proficient   |
| <b>read_wrt_ss</b>  | Numeric | Scale score of Reading/Writing language component.   | Numeric value.                    |              |
| <b>ADDITIONAL VARIABLES INCLUDED IN THE 2003-2011 FILES</b> |         |  |                                   |              |
| <b>rawscore</b>   | String  | For the 2005-06 school year and earlier, the string variables denote the incomplete/partial tests administrations. After the 2005-06, the variable holds no consistent meaning.  | ABS                               |              |
|   |         |  | ADM                               |              |
|   |         |  | INV                               |              |

## Regents

| FIELD                   | DATA TYPE | FIELD DESCRIPTION  | VALID VALUES  |                 |
|-------------------------|-----------|--|---|-----------------|
| <b>student_id_scram</b> | Numeric   | The student's unique identification number.  | Nine-digit integer.   |                 |
| <b>dbn</b>              | String    | The school code represented as a concatenation of the school district (D), school borough (B) and school number (N).                             | Alphanumeric in the format 'DDBNNN'.  |                 |
| <b>term_code</b>        | Numeric   | The term of the examination as entered by the school (not always a reliable way for determining the time of the exam).                           | 1   | Fall (January)  |
|                         |           |  | 2   | Spring (June)   |
|                         |           |  | 7   | Summer (August) |
| <b>exam_code</b>        | String    | Unique exam code as entered by the school.   | Alphanumeric code indicating the subject, exam type, and season in which the exam was administered.                 |                 |
| <b>item_name</b>        | Numeric   | The name of the exam as entered by the school or determined by applying the specific guidance schools were supposed to use for coding the exams. |   |                 |
| <b>mark</b>             | Numeric   | Numeric score received on the exam.  | Numeric score ranging from 0-99 or a non-numeric mark indicating the reason student did not receive a numeric mark. |                 |
| <b>updateddate</b>      | String    | Street name of the student's home address.   | Date & Time value in the format 'DDMMYYYY HH:MM:SS'.  |                 |

## NYS Science & Social Studies

| FIELD                    | DATA TYPE | FIELD DESCRIPTION  | VALID VALUES  |                                    |
|--------------------------|-----------|--|---|------------------------------------|
| <b>student_id_scram</b>  | Numeric   | The student's unique identification number.  | Nine-digit integer.   |                                    |
| <b>dbn</b>               | String    | The school code represented as a concatenation of the school district (D), school borough (B) and school number (N). | Alphanumeric in the format 'DDBNNN'.  |                                    |
| <b>grade_level</b>       | Numeric   | The student's grade level.   | One-digit indicating the student's grade level (values should be either '4' or '8' for SCIENCE or '5' or '8' for SOCIAL STUDIES). |                                    |
| <b>subject</b>           | String    | Subject of the exam.   | Values of 'Science' or 'SOC'.   |                                    |
| <b>raw_score</b>         | String    | Student's raw score on the exam.   |   |                                    |
| <b>scale_score</b>       | String    | Student's scale score on the exam.   |   |                                    |
| <b>performance_level</b> | String    | Student's level of proficiency on the exam.  | 1   | Not Meeting Standards              |
|                          |           |  | 2   | Not Full Meeting Standards         |
|                          |           |  | 3   | Meeting Standards                  |
|                          |           |  | 4   | Meeting Standards with Distinction |

## Zoned DBN

| FIELD            | DATA TYPE | FIELD DESCRIPTION  | VALID VALUES   |
|------------------|-----------|--|--|
| student_id_scram | Numeric   | The student's unique identification number.  | Nine-digit integer.  |
| dbn              | String    | The school code represented as a concatenation of the school district (D), school borough (B) and school number (N).   | Alphanumeric in the format 'DDBNNN'.   |
| grade_level      | String    | The student's grade level.   | Two-character code indicating the student's grade level with values of: PK, OK, and 01-12. |
| grade_code       | Numeric   | Academic level + the track that the student is in (e.g., General Education, Special Education, Collaborative Team Teaching, etc.) Note: If the grade code ends in a '9', the student is a part of Collaborative Team Teaching. | Integer values entered in the format 'XXX'.  |
| street_number    | String    | Street number of the student's home address.   | Alphanumeric.  |
| street_name      | String    | Street name of the student's home address.   | Alphanumeric.  |
| zipcode          | Numeric   | Student's home zip code.   | Five-digit integer   |
| zoned_elm_dbn    | String    | Student's home zoned elementary school.  | Alphanumeric in the format 'DDBNNN'.   |
| zoned_mid_dbn    | String    | Students home zoned middle school.   | Alphanumeric in the format 'DDBNNN'.   |
| zoned_hs_dbn     | String    | Student's home zoned high school.  | Alphanumeric in the format 'DDBNNN'.   |
| censusblock      | Numeric   | Census block in which the student resides.   | Numeric value indicating the census block in which the student resides.                    |
| censustract      | Numeric   | Census tract in which the student resides.   | Numeric value indicating the census tract in which the student resides.                    |

## Pedagogue

| FIELD      | DATA TYPE | FIELD DESCRIPTION                                      | VALID VALUES   |
