ACTION STEPS CHECKLIST

Use this Action Steps Checklist to prepare for each part of Kindergarten Admissions.

NOVEMBER

Understand Your Options

- Find your zoned school by calling 311 or using School Search (schools.nyc.gov/SchoolSearch).
- Research choices in your district using this directory. *Hint: Your district is the district of your zoned school.*
- Visit schools to learn more.
- Develop your list of schools. You can list up to 12 choices on your application.

DECEMBER/JANUARY

Apply to Kindergarten by January 13, 2017

- You can submit your application online, over the phone, or in person at a Family Welcome Center.

MARCH

Get an Offer in March 2017

- In March, you will get an offer letter. This letter will let you know where your child will go to kindergarten.

APRIL

Accept Offer and Pre-Register by Early April 2017

- To accept an offer, you must pre-register at the school.
- To pre-register, visit the school in person with your child and bring all required documents.

PARTICIPATING IN KINDERGARTEN ADMISSIONS

Kindergarten is the start of your child’s journey through elementary school. There are nearly 800 elementary schools throughout New York City.

All children living in NYC who were born in 2012 will begin kindergarten in September 2017. Kindergarten is an important next step in your child’s education to set them up for success.

All children born in 2012 are guaranteed a kindergarten seat in school. Once your child starts kindergarten, they can remain at that school until its final grade.

All families should submit a kindergarten application, including current pre-K students, students with disabilities, and English Language Learners. For more information on how the NYC Department of Education meets the needs of all children, please see Section 6.0.

There are four steps to participate in Kindergarten Admissions:

- 1 Understanding your Kindergarten options
- 2 Applying to Kindergarten
- 3 Receiving a Kindergarten offer
- 4 Accepting your offer and pre-registering for Kindergarten

UNDERSTAND YOUR KINDERGARTEN OPTIONS

Your child is most likely to attend kindergarten at your zoned school. If you want to apply to your zoned school, you must list it on your application. If you are interested in other schools in the area, you can also list them on your application.

2.1 Find Your Zoned School

Most schools have an area called their zone. If you live within the zone, this school is your “zoned school.” Your zoned school is the school where your child is most likely to go to kindergarten.

2.2 Find Your District

There are 32 school districts in NYC. Your district is the one where your zoned school is. Your child has a higher chance of getting into a school in your district than outside of your district.

Call 311 or visit schools.nyc.gov/SchoolSearch to learn what school is your zoned school and what district you live in.

2.3 Understand Your School Options

There are three types of schools you can list on your kindergarten application—zoned schools, non-zoned schools, and choice schools.

2.3.1 Zoned Schools: Zoned schools make offers to students that live in their zone first. Most zoned schools make kindergarten offers to all students living in the zone. Some zoned schools have room to make offers to children living outside of their zone.

2.3.2 Non-Zoned Schools: Non-zoned schools do not have a zone. This means that no addresses are assigned to them and that families from throughout the district or borough can attend non-zoned schools. At most non-zoned schools, students who live in the school's district will get offers before students living outside the district. Sibling status and other criteria are also used to make offers.

2.3.3 Choice Schools: There are three districts in NYC that have no zoned schools. The schools in these districts are called Choice Schools, and students living in these districts have priority to attend all schools in the district. These districts are:

- **District 1:** Lower East Side-Manhattan
- **District 7:** South Bronx
- **District 23:** Brownsville-Brooklyn

2.4 Visit Schools

Many schools offer tours so families can visit and learn more about them. To find out when you can visit a school, contact schools directly or visit schools.nyc.gov/Kindergarten.

2.5 Use the Kindergarten Directory

Use this directory to research your school options. This directory lists all the elementary schools in your borough. Schools are listed by district and a map of all school options appears for each district. Charter elementary school options are listed on the map and at the end of this directory.

This sample school page shows you the typical information listed for an elementary school in this directory; keep reading to learn how to use this information to research each choice for your Kindergarten Application.

Note: Translated directories are available at schools.nyc.gov/Kindergarten.

2.5.1 School Overview: Learn if the school is a Zoned School, Non-Zoned School, or Choice School.

All schools serve students with disabilities, and are expected to provide the special education programs and services listed on students' IEPs. Most students with IEPs will attend their zoned school, just like their general education peers. Families of students with disabilities should apply to kindergarten in order to secure a kindergarten seat.

Section 6.1 shares more information on how the Department of Education serves students with disabilities.

All schools will meet the needs of English Language Learners (ELLs). The Department of Education provides a range of programs and supports to students learning English to ensure that they develop the English language skills necessary to excel. There are three main types of programs designed to serve ELLs: English as a New Language, Transitional Bilingual Education, and Dual Language.

All schools offer English as a New Language programs. Some schools offer other programs, like Dual Language and Transitional Bilingual Education. These additional programs will be listed on a school's page in the directory.

2.5.5 Who Got Offers in 2016?: Learn which groups of students got offers last March. Many schools were able to give offers to other groups from their waitlist later in the spring and summer.

Section 4.0 provides more information on how we make kindergarten offers.

2.6 List Your School Choices

You can list up to 12 school choices on your kindergarten application. You should list schools in order of which you like the most. You can apply directly to a school's Dual Language program. If you are interested in applying to these programs, be sure to list the correct program code on your application. Please note that if you would like your child to attend your zoned school, you must list it on your application.

The Department of Education will try to give you an offer to the highest choice on your application. Many programs have more applicants than seats. When this happens, we make offers to families with the highest priority to go to that school. This means a school would make offers to all of their zoned students before making an offer to someone living outside of the zone.

Your child has a better chance of getting into some schools than others. Learn which students got an offer last March. If a school made offers to a specific group of students last year, they will likely be able to make offers to this group again.

For example, if a school was able to make offers to children living outside of their zone who had an older sibling in the school, they will likely be able to make offers to siblings living outside of the zone again.

Review the school pages in this directory to learn which groups of students got an offer last year at each elementary school.

Stop If you would like your child to attend your zoned school, you must list it on your application.

3.0 APPLY TO KINDERGARTEN BY JANUARY 13, 2017

Once you pick your school choices, you are ready to submit your kindergarten application. You can apply to kindergarten from November 30, 2016 through January 13, 2017. You can apply online, by phone, or in person; ask for and save your receipt no matter how you apply.

All families should submit a kindergarten application, including current pre-K students, students with disabilities, and English Language Learners. Current pre-K students do not automatically stay at their school for kindergarten.

Only one application can be processed per child and only the primary custodial parent/guardian can submit an application. Where there are joint custody agreements, if there is no specific provision addressing school decision-making, the parent who has primary physical custody of the child during the school week is considered to be the custodial parent.

Note: Admission is not first-come, first-served. All applications received online, by phone, or in person by the January 13, 2017 deadline are treated the same based on admissions priorities.

- The deadline to apply in person is Friday, January 13, 2017 at 3pm
- Apply in over 200 languages—if you speak a language other than English, ask for an interpreter

Families who apply online must use their own email address. If you do not have an email address and/or do not wish to provide an email address, please apply over the phone or in person.

3.2 Additional Public School Kindergarten Options

The below programs and schools all have separate application processes.

3.2.1 Gifted & Talented Programs: Gifted & Talented (G&T) programs are one way the NYC Department of Education supports the educational needs of students with unique academic abilities. For more information about G&T Admissions, please visit schools.nyc.gov/GiftedandTalented.

- All families are encouraged to participate in both the kindergarten and G&T admissions processes.
- Families interested in having their children tested to determine G&T eligibility should have submitted their Request for Testing (RFT) form by November 14, 2016.
- If your child is taking the G&T test, you will learn about your child's test results in April. Your child will be eligible to apply to G&T programs based on his or her test score.
- If you missed the RFT deadline and are interested in having your child tested, please contact ESEnrollment@schools.nyc.gov and we will make every effort to accommodate your request. Late requests will be reviewed on a case-by-case basis, and there is no guarantee that your child will be able to test if you do not submit an RFT by the November 14, 2016 deadline.

3.2.2 Charter Schools: For a list of charter schools, please refer to the last section in this directory. Charter schools:

- Are public schools that operate independently according to the terms of a performance contract, or “charter,” that can last up to five years;
- Are free—they do not charge tuition;
- Commit to meeting or exceeding specific goals for academic performance;
- Are governed by non-profit Boards of Trustees—these are mainly comprised of unpaid volunteers and are responsible for such actions as establishing school policies, ensuring compliance with state and federal law, overseeing the school budget, and evaluating the school’s leader;
- Are reviewed regularly by their authorizers (state-sanctioned bodies with the power to create or renew charter schools); and
- Can be granted a renewal for up to five more years by their authorizers upon meeting or exceeding agreed-upon academic and operational goals and other standards of performance; this process repeats itself in cycles that depend on the length of each school’s most recent renewal.

3.2.3 Special Music School (03M859): If you are interested in applying to the Special Music School, please contact the school directly to schedule an audition. Families who audition should also list Special Music School on their Kindergarten Application through the main admissions process.

GET A KINDERGARTEN OFFER IN MARCH 2017

You will get your child’s kindergarten offer letter in March 2017. If you applied online, you will also get your offer letter by email. Your offer letter will list which school your child got a seat at for kindergarten. This letter will also tell you where your child is waitlisted.

We use admissions priorities to make kindergarten offers. Admissions priorities group students based on their priority to attend a school. Offers are made in order of admissions priorities from the highest group to the lowest group.

The higher priority your child has to a school, the higher chance that your child will get an offer to that school. For example, if your child has an older sibling at a school you listed on your application, your child has a higher chance of getting an offer than a child who does not have a sibling.

Each school page lists which groups of students got offers last year.

1.0

4.1 Zoned Schools Admissions Priorities

We make offers to zoned schools in this order:

1. Students who live in the zone, with a verified sibling*
2. Students who live in the zone, without a verified sibling

If space allows, students living outside the zone may also be admitted, in the following order:

3. Students who live in the district, with a verified sibling*
4. Students who live outside the district, with a verified sibling*
5. Students who live in the district, who are currently enrolled at the school for pre-K**
6. Students who live outside the district, who are currently enrolled at the school for pre-K**
7. Students who live in the district, other than those in (3) and (5) above
8. Students who live outside the district, other than those in (4) and (6) above

* A sibling is defined as a brother or sister—including half-brothers, half-sisters, stepbrothers, stepsisters, foster brothers, and foster sisters—of the applicant, who lives in the same household, and is currently pre-registered or enrolled at that school in grades K-5, and will be enrolled at that school in grades K-5 in September 2017. This includes students enrolled in co-located District 75 programs in the same school building. Schools offer a priority to applicants with verified siblings in the school.

** Students who are currently enrolled in pre-K will only receive priority for admission in kindergarten at the school they are attending now. Not all schools have pre-K.

4.2 Non-Zoned Schools Admissions Priorities

Typically, children living in the same district as a non-zoned school will get offers to that school before children living in a different district. Each non-zoned school page lists a school's admissions priorities. If you are interested in applying to a non-zoned school, be sure to look at the admissions priorities for that school and understand which groups of students got offers last year.

4.3 Waitlists

A school will have a kindergarten waitlist when there are more students that apply than kindergarten seats available at the school.

You will automatically be added to the waitlist for any school you ranked higher on your application than the school where your child received an offer.

For example, if you received an offer for the school you listed third on your application, you will automatically be listed on the waitlist for your first and second choice schools.

Schools contact waitlisted families directly if they are able to offer them a seat; no additional action is required of families on a waitlist at this point in the admissions process.

5.0 ACCEPT YOUR OFFER AND PRE-REGISTER BY APRIL 2017

Once you get your offer letter, you will need to accept your kindergarten offer. To accept your offer, families must go to the school in person to pre-register; we encourage families to contact the school to set up time to pre-register.

5.1 Pre-Registration

To pre-register you will bring your child and the required documents to the school where you got an offer. Pre-registering your child means you have accepted your offer and secured your seat. After you pre-register your child at the school where you got an offer, you can still get and accept an offer to a school where your child is on the waitlist or to a G&T program.

Stop Review the next page for a list of what to bring to your child's school to pre-register.

WHAT TO BRING FOR PRE-REGISTRATION

Please bring the following to accept your kindergarten offer and secure your seat.
Remember to pre-register by April 2017.

- Your child**
- Proof of your child's age (child's birth certificate, passport, or record of baptism)**
- Two of the documents below verifying proof of address**

- Lease agreement, deed, or mortgage statement for the residence;
- A residential utility bill (gas or electric) in the resident's name issued by a utility company (e.g., National Grid or Con Edison); must be dated within the past 60 days;
- A bill for cable television services provided to the residence; must include the name of the parent and the address of the residence and be dated within the past 60 days;
- Documentation or letter on letterhead from a federal, state, or local government agency, including the IRS, the City Housing Authority, the federal Office of Refugee Resettlement, the Human Resources Administration, or the Administration for Children's Services (ACS), or an ACS subcontractor, indicating the resident's name and address; must be dated within the past 60 days;
- A current property tax bill for the residence;
- A water bill for the residence; must be dated within the past 90 days;
- Rent receipt which includes the address of residence; must be dated within the past 60 days;
- State, city, or other government issued identification (including an IDNYC card), which has not expired and includes the address of residence;
- Income tax form for the last calendar year;
- Official NYS Driver's License or learner's permit, which has not expired;
- Official payroll documentation from an employer issued within the past 60 days such as a pay stub with home address, a form submitted for tax withholding purposes, or payroll receipt (a letter on the employer's letterhead is not adequate); must include home address and be dated within the past 60 days;
- Voter registration documents, which include the name of the parent and the address of residence;
- Unexpired membership documents based upon residency (e.g., neighborhood residents' association), which include the name of the parent and the address of residence;
- Evidence of custody of the child, including but not limited to judicial custody orders or guardianship papers; documents must have been issued within the past 60 days and include name of student and address of residence.

Note: Students in temporary housing, as defined by McKinney-Vento, are not required to submit documentation—including address, proof of date of birth, and immunization—in order to enroll. Schools must provisionally pre-register the student and then work with the Students in Temporary Housing liaison to obtain documentation.

5.2 Transportation

In New York City, attending a public elementary school **does not guarantee yellow school bus service**. Students who are eligible for specialized transportation will receive bus service. For general education students, if your child’s school is in a different district than where you live, school bus transportation will **not** be available. If your child’s school is in the district where you live, the Department of Education will use the table below to determine if your child qualifies for free or reduced fare transportation.

Grade	Walking Distance from Child’s Home to School		
	Less than ½ mile	½ to 1 mile	1 mile or more
K-2	Half-fare MTA bus pass	Either Yellow Bus or MetroCard	Either Yellow Bus or MetroCard
3-4	No transportation is provided	Half-fare MTA bus pass	

If your child is eligible for “Either Yellow Bus or MetroCard” in the chart above, your child will get a yellow school bus if:

1. The school has applied to the Office of Pupil Transportation for yellow bus service;
2. The student lives in the same district as the school; and
3. The Department of Education can reach the student and at least 10 other students on a bus route that does not exceed 5 miles in length when measured on the streets travelled by the bus through the stops on the route.

Eligible students who do not meet this criteria will get a MetroCard. This means that an eligible kindergarten student will get a MetroCard if:

- He/she goes to school in another district, or
- He/she lives so far from the school that the Department of Education cannot create an 11-person/5-mile bus route.

Families in the larger school districts such as 31 (Staten Island) or the larger districts in Queens should pay particular attention to this since students in these areas often cannot be reached on a 5-mile route.

For information about current bus stops at specific schools, please contact the school directly. Please also visit the Office of Pupil Transportation website for more information: optnyc.org/parents/information.

6.0 MEETING YOUR CHILD’S NEEDS

The New York City Department of Education is committed to meeting the academic needs of all students, including students with disabilities and English Language Learners.

6.1 Students with Individualized Education Programs (IEPs)

All schools serve students with disabilities, and are expected to provide the special education programs and services listed on students' IEPs. Most students with IEPs will attend their zoned school, just like their general education peers. Families of students with disabilities should apply to kindergarten in order to secure a kindergarten seat.

The Department of Education is committed to ensuring students with disabilities have access to quality education and, to the extent appropriate, instruction alongside their general education peers. This policy is called *A Shared Path to Success*. For more information on special education in New York City, visit schools.nyc.gov/KindergartenSpecialEducation.

6.1.1 Evaluation for Kindergarten (School-Age) Special Education Services:

Some incoming kindergarteners will be eligible for school-age special education services. These students receive an Individualized Education Program (IEP).

If your child receives special education services in pre-K, he/she will be reevaluated to determine if he/she is eligible for special education services when he/she transitions to kindergarten.

If your child does not currently receive special education services, but you believe he/she may have a disability and may need special education services, please contact the Committee on Special Education (CSE) for your district of residence. For contact information, call 311 or visit schools.nyc.gov/Academics/SpecialEducation/ContactsResources/cse.

6.1.2 Special Education Services and Supports at Schools: All schools serve students with disabilities, and are expected to provide the special education programs and services documented on students' IEPs. For more information about special education programs and services, visit schools.nyc.gov/Academics/SpecialEducation/tellmemore/importantDocuments.

6.1.3 Specialized Programs in District Schools: Specialized programs exist within some district schools and are designed to meet the needs of students with specific disabilities. While most students are served in their local schools, some students may be eligible to attend a specialized program which is not available in every school. Some district schools offer one or more of the following specialized programs:

- Bilingual Special Education (BSE) Program
- Autism Spectrum Disorder (ASD) Nest Program and/or ASD Horizon Program
- Academic, Career, and Essential Skills (ACES) Program

For more information about specialized programs in community schools, visit schools.nyc.gov/Academics/SpecialEducation/enrolling/specializedprograms.

6.1.4 Specialized Schools (District 75): District 75 provides highly specialized instruction in programs for students with severe disabilities, including students with autism, intellectual disability, emotional disturbance, sensory

impairments, and/or multiple disabilities. For more information about District 75, visit schools.nyc.gov/Academics/SpecialEducation/D75.

6.2 Students Learning English

The NYC Department of Education provides a range of programs and supports to students learning English, called English Language Learners (ELLs), to ensure that they develop the English language skills necessary to excel. There are three main types of programs designed to serve ELLs: English as a New Language (ENL), Transitional Bilingual Education (TBE), and Dual Language (DL). All schools provide ENL programs; TBE and DL programs are available in certain elementary schools across the city.

- **English as a New Language (ENL):** ENL programs, which used to be called English as a Second Language or ESL, provide instruction in English with support in the students' home language so that they can learn to read, write, and speak English. Students in this program can come from many different language backgrounds, and English may be the only common language among them.
- **Transitional Bilingual Education (TBE):** TBE programs provide reading, writing, and other classes in English and in your child's home language. As students' English improves, time spent learning in English increases and time spent learning in the home language decreases. Once your child is no longer identified as an English Language Learner, he or she will exit the program.
- **Dual Language (DL):** In Dual Language programs, students are taught in two languages: English and their home language, such as Spanish, Chinese, or French, among others. The goal of this program is for students to be able to read, write, and speak in both English and their home language. In Dual Language classes, the home language and English are used equally.

DL programs aim for a balanced number of ELLs and English-speaking students; therefore, some seats may be reserved for ELLs. Additionally, schools may conduct an assessment and an interview with the child, to determine a child's home language and English proficiency.

If you are interested in a DL program, you must apply directly to that program, using the DL program code, on your kindergarten application.

6.2.1 Identification of English Language Learners (ELLs): As the parents or guardians of a newly enrolled student, you are required to complete a Home Language Identification Survey (HLIS) at the school within ten days of when your child first begins attending the school. This survey lets school staff know what language you use in your home. If the HLIS indicates that your child uses a language other than English, the school will determine whether he or she is eligible to be given an English proficiency test called the New York State Identification Test for English Language Learners (NYSITELL). How your child does on this test determines whether your child is entitled to ELL supports and services.

6.2.2 ELL Program Orientation: Selecting the Best Program for your Child: If your child has been identified as an ELL, you will be invited to attend an ELL parent orientation at your child's school within ten days of when your

child first begins attending the school. During the orientation, you will fill out the Parent Survey and Program Selection Form and select the program that you believe best meets your child’s needs. If you do not receive this form, you can request it from the school.

2.0

The school pages in this directory list the ELL programs currently offered for kindergarten students in each school according to school-reported data. For the most up-to-date information about ELL program offerings, contact schools directly.

3.0

All schools offer ENL programs, and all schools are expected to open a TBE or DL program when the families of at least 15 ELLs in a single language in one grade or two consecutive grades have requested that program. By selecting a TBE or Dual Language program on the Parent Survey and Program Selection Form, families help inform which ELL programs should be offered at schools.

6.3 Students with Limited Mobility and/or Accessibility Needs

The NYC Department of Education is committed to providing students with limited mobility and/or accessibility needs with a kindergarten placement that allows the student to access all relevant programs and services.

Note: Accessible school placements are made *after* the kindergarten admissions process, and are based on documentation that details the student’s particular needs and the building accommodations he/she requires.

Accessible Schools or Programs are located in a fully accessible building or a partially accessible building where an individual with limited mobility may enter and access all relevant programs and services, including the science laboratory, library, cafeteria, and the gymnasium. In some cases, school programs may need to be re-located to accommodate access. At least one restroom is accessible.

All schools that are considered accessible are labeled as Fully Accessible or Partially Accessible in this directory.

The kindergarten application includes a non-admissions question that asks families to indicate whether their child has limited mobility and/or accessibility needs that would require an accessible school. **The answer to this question has no impact on the school offered through the kindergarten admissions process.** Rather, families who select “yes” or “not sure” are provided with additional information on the documentation they need to submit and the steps the Department of Education takes to identify placement.

For more information on accessibility and Department of Education schools, visit schools.nyc.gov/offices/osp/accessibility.

You may submit this paper application in person at a Family Welcome Center, or you can apply online at schools.nyc.gov/ApplyOnline or over the phone by calling 718-935-2400 by the January 13, 2017 deadline. **Do not submit this application by mail or directly to schools.** You cannot apply to charter schools using this application.

4 ACCESSIBILITY NEED

Does your child have limited mobility and therefore require a specific building layout (such as a wheelchair ramp or an accessible restroom)? Yes No Not sure

Please Note: This question will not be used for initial admissions decisions. The determination of whether your child requires an accessible program will be made after review of documentation describing your child's condition and accessibility needs. This review may take place during the Individualized Education Program (IEP) development process or by requesting a Medical Transfer/Reasonable Accommodation. If you answer yes to this question, the DOE will communicate next steps to you with respect to your child's stated accessibility need. If it is determined that your child requires an accessible program and the program you are offered is not accessible, you will receive an updated accessible placement offer later in the spring or summer.

5 PUBLIC SCHOOL KINDERGARTEN PROGRAM LIST

You may list up to 12 New York City public school programs on this application. Please list programs in your order of preference. You should only list programs that you are interested in having your child attend. For each choice you make you must enter the:

1. Program Code
2. School Name
3. For dual language program applicants, please answer the additional questions below

If you want to apply to a dual language program, be sure to list the correct program code. Program codes are available in the *2017 New York City Kindergarten Directory*.
