Resolution District 20 Middle School Rezoning Proposal 2nd REVISION

Street Boundary Description for Impacted Schools Proposal Submitted October 10, 2012

The Office of Portfolio Management, the Community Superintendent, and the Office of Student Enrollment propose zoning changes for the current middle school zones of P.S./I.S. 30 and J.H.S 259 William Mckinley. I.S. 30, a current middle school, was approved by the Panel for Educational Policy on May 23, 2012, to expand to serve grades K-8 at scale, starting in Fall 2013. As a K-8 school, aligning the elementary and middle school zones of P.S./I.S. 30 will allow families to be zoned to the same school throughout elementary and middle school.

The following are the proposed zone boundaries for schools in District 20 experiencing middle school zoning changes as a result of this proposal. All zone lines are to be drawn along the center of vehicular or transportation rights of way, unless specifically described otherwise.

The addresses contained in the following area would be in the new **P.S./I.S. 30** zone:

- Begin at 3rd Avenue between Shore Road and 65th Street, then
- East along 66th Street (including all street numbers) to 6th Avenue, then

- North on 4th Avenue to 67th Street, then
- West on 67th Street to 3rd Avenue, then
- North on 3rd Avenue to between Shore Road and 65th Street (the point of origin).
