

Through a NYCDOE collaboration with The College Board, all eleventh grade students will now have FREE access to *The Official SAT Online Course*.TM

This online tool will help ensure that your child is better prepared for the SAT, which is an important key to college access.

The tool features:

- 18 lessons
- 10 practice tests
- Auto Essay Scores
- Personalized Score Reports
- Sample Student Essays

To start using the online course, your child will need a student access code. If your child has not already received a code at school, please contact your guidance counselor or principal.

Once your child has an access code, he or she can prepare for the SAT by following these steps:

- 1. Go to www.satonlinecourseschool.com**
- 2. Click “Register Now!” in the Students’ section**
- 3. Enter the one-time unique Student Access Code**
- 4. Login with a collegeboard.com account, or create an account**

If you have questions, please contact your child’s principal or guidance counselor OR the Office of Postsecondary Pathways and Planning at CSpitalewitz2@schools.nyc.gov or 212-374-7674.
