Teacher's Choice Check Distribution

The annual Teacher's Choice program gives teachers funds to purchase instructional materials and basic classroom supplies. Teacher's Choice checks for this school year will be distributed to schools with the **December 14** payroll. All eligible staff members on payroll as of mid October will receive checks as long as the information in their Employee Information System records is accurate. A second check distribution in late January will include staff members placed on payroll through December 1, and a final check distribution will occur by mid March. Please verify that checks distributed to your staff correspond with the amounts allocated for each title classification in the program's eligibility requirements. You can view these requirements and more information about the program at <http://schools.nyc.gov/Offices/DFO/MostPopularClicks/tchoice.htm>.
