Principal

September 17, 2009

Dear Parent/Guardian of:

In the spring of 2009, ARIS Parent Link (APL), a new online tool, was launched by the Department of Education. In ARIS Parent Link, you can view up-to-date information about your child's academic progress including attendance, course grades, and scores on state tests and in-class assessments.

This past June, the instructions for logging into the system were sent to you in two different letters; one letter had the temporary password and the other, the student(s) ID/OSIS#. In addition, you must have a valid e-mail address in order to use the system. You can register for a free valid e-mail address through Gmail, Hotmail, Yahoo or any other e-mail client. If you have already logged on to APL, no further action is necessary.

If you did not receive the mailing with the APL log on instructions, are new to the public school system or have not logged on, the temporary password is included below for your convenience.

**Log in** at [www.ARISParentLink.org](http://www.ARISParentLink.org)

**Temporary Password:**

If you need assistance with logging on or creating an e-mail address, **please complete and return the enclosed survey by Monday, October 5**, so that we may assess your needs and assist you in accessing your child's information through APL.

If you have any questions, please feel free to contact me, at 718-739-8080 x2241 or go to our school website, [www.queensgateway.com](http://www.queensgateway.com), for more information.

Sincerely,

Carola Craig  
Parent Coordinator
