## **ANNUAL ESTIMATE OF THE TOTAL SUM OF MONEY NECESSARY TO SUPPORT DOE OPERATIONS**

### **I. Description of the subject and purpose of the proposed item under consideration.**

Pursuant to section 2590-g of the New York State Education Law, each year the Panel for Educational Policy (the “Panel”) must approve the estimated total sum of money necessary for the operations of the New York City school district in the following school year (the “Estimated Budget”). These operations support primary and secondary education for over one million school-age children through a network of elementary, junior high, intermediate, and high schools as well as special education schools. The Department of Education’s operations provide basic instructional services and offers students special education and instruction for English language learners and career and technical training. Support services include free and subsidized transportation, breakfast and lunch services, and the operation and maintenance of approximately 1,500 schools.

For fiscal year 2012, the estimated operating budget (not including education-related pension and debt service costs, which are budgeted for by different city agencies) for the Department of Education is \$19,218 million, an increase of \$331 million over the current forecast for fiscal year 2011 of \$18,887 million. City funds including pensions and debt service support \$13,402 million of the Department of Education’s expense budget in 2012, an increase of \$1,953 million, or 17 percent. State funds support \$8,570 million, an increase of \$40 million. The balance of the education budget is supported by \$1,829 million in Federal aid and \$63 million in other categorical funds. Including those funds budgeted in separate agencies, total funds budgeted on behalf of the Department of Education are proposed to increase from \$22,968 million in the 2011 Forecast to \$23,864 million in the 2012 Executive Budget.

**This amended notice is to advise you that the location where the Panel for Educational Policy meeting will be held and where the vote for this proposal will take place has changed as indicated in Section V below.**
