# More NYC Students Are Ready for College

The College Readiness Index (CRI) is the percentage of students who, by the August after their fourth year in high school, have met CUNY’s standards for college readiness in English and mathematics. Students can meet these standards by reaching certain scores on the Regents, SAT, ACT or CUNY Assessment Tests. **In 2017, changes to CUNY’s remediation requirements have led to significant increases in the college readiness rate.**
