

2016 PRE-KINDERGARTEN ROUND 2 PROGRAM LIST

All New York City families with children born in 2012 are eligible to apply to pre-Kindergarten (pre-K) for the 2016-2017 school year. The Round 2 application period is **open from May 2 – May 20, 2016**. You can participate in Round 2 even if you already applied in the Main Round and accepted and pre-registered for your offer. Applying for programs in Round 2 does not affect your Main Round offer.

This document contains a list of full-day pre-K programs that families can apply to during Round 2 of pre-K admissions. Round 2 program options include two categories of programs:

- **Newly awarded pre-K programs** were not available during the Main Round, and are indicated with the  icon.
- **All other programs listed** were also options in the Main Round and still have available seats for more students. The listing includes the total number of seats for the 2016-2017 school year. Note: a portion of these seats have already been offered to families in the Main Round and are no longer available.

Please check the Pre-K Finder (maps.nyc.gov/prek) for the latest information about programs in Round 2. You may update your application at any time before the deadline on May 20.

There are three ways to complete the Round 2 pre-K application:

- Online at nyc.gov/prek.
- Over the phone by calling 718-935-2067.
- In person at a Family Welcome Center (call 718-935-2009 or visit nyc.gov/prek for locations).

All placement decisions for Round 2 are made according to standard admissions priorities. For more information about admissions priorities, please refer to the Pre-K Directory, which is available at nyc.gov/prek and at Family Welcome Centers.

Applicants will receive Round 2 offer letters in mid-June. In order to accept the offer you receive, you must visit the location indicated in your offer letter, in person, with your child and all required documentation by the deadline listed in your offer letter. For more information about pre-registration requirements, please refer to the Pre-K Directory.

If you are interested in pre-K programs from the Main Round that are not available in Round 2 (and therefore not listed in this document), you must contact those programs directly, **beginning the week of May 23**, to inquire about being placed on the program's waitlist. If seats become available, the program will reach out to families directly. Families may remain on Main Round program waitlists and will still be eligible to receive waitlist offers even if they apply and receive an offer during Round 2. For more information about waitlists, please refer to the Pre-K Directory.

If you have any questions about pre-K admissions, please contact the NYC Department of Education at 718-935-2009 or visit nyc.gov/prek.

Submit this Round 2 pre-K application to a Family Welcome Center. You can also apply online at www.nyc.gov/prek or apply over the phone by calling 718-935-2067. Applications are due by May 20, 2016. **Do not submit this application by mail or directly to programs.**

Eligibility Criteria: Applicants must be residents of New York City and have been born in 2012.
