

**Application Instructions**

*Please read carefully before completing your application*

**Eligibility**

Students must be born in 2007 and reside in District 29 at the time of application submission to be eligible for the District 29 lottery application process for the 2012-13 school year.

**Admissions Priorities**

Applicants will be admitted according to the following order of priority:

1. District 29 applicants who have a verified sibling\* at one of the schools listed on the application will receive priority to the sibling's school
2. All other District 29 applicants

\*All listed siblings are verified by the receiving school. For an applicant to qualify for sibling priority, the sibling must be currently enrolled in grades K - 4 at the school at the time of application submission.

If there are more applicants within a priority group than available seats, seats will be offered through a random lottery.

**Waitlists**

If a child is offered a seat at one of their ranked schools on the application, the placement process is considered complete and the student will not be placed on a waitlist. If an applicant is not offered a seat at any of the schools to which he/she applied, the applicant will be assigned to the waitlist at his/her first choice school. Children will be offered seats in waitlist order as seats become available due to attrition. Waitlist order will be determined by a student's priority group and randomly assigned number.

Applicants are not guaranteed a placement at one of their requested schools. Students applying through this process are also encouraged to apply directly to their zoned school.
