The Proposed Opening and Co-location of New District High School (05M157) with Choir Academy of Harlem (05M469), Harlem Children’s Zone Promise Academy II (84M341), and the High School Grades of Democracy Prep Harlem Charter School (84M481) in Building M501, Beginning in 2013-2014

I. Description of the subject and purpose of the proposed item under consideration.

The New York City Department of Education (“DOE”) is proposing to open and co-locate a new Career and Technical Education (“CTE”) high school, 05M157 (“05M157”), in building M501 (“M501”) beginning in the 2013-2014 school year. Building M501 is located at 2005 Madison Avenue, New York, NY 10035, within the geographical confines of Community School District 5 (“District 5”). The proposed new high school, 05M157, will offer rigorous CTE programming, described in more detail below, which will prepare students for post-secondary education and work. If this proposal is approved, 05M157 will be co-located with Choir Academy of Harlem (05M469, “Choir”), an existing secondary school serving students in grades six through twelve, Harlem Children’s Zone Promise Academy II (84M341, “Promise Academy II”), an existing public charter school serving students in grades kindergarten through eight, and the high school grades of Democracy Prep Harlem Charter School (“Democracy Prep Harlem High School”) if approved by the Panel for Educational Policy (“PEP”). Promise Academy II’s seventh and eighth grades are temporarily co-located in M501 for one year. The temporary expansion of the co-location of Promise Academy II’s seventh and eighth grades in M501 was proposed and approved by the PEP on March 23, 2011. Beginning in the 2013-2014 school year, Promise Academy II will only serve students in kindergarten through sixth grades in M501, as the seventh and eighth grades of Promise Academy II will move to private, non-DOE space. In addition, building M501 houses a high school level Alternative Learning Center (88M993, “ALC”).

In another Educational Impact Statement (“EIS”) posted on January 18, 2013, the DOE has proposed to co-locate the high school grades of Democracy Prep Harlem Charter School, Democracy Prep Harlem High School, in building M501 beginning in 2013-2014. Democracy Prep Harlem Charter School (84M481) is an existing charter school serving students in grades six through eight in private, non-DOE space in District 5.

In a separate EIS also posted on January 18, 2013, the DOE is proposing to phase out and eventually close Choir after an extensive review of data and community feedback indicating that the school is unable to turn around despite numerous efforts to improve instruction and school organization. Both of these EISs can be accessed on the DOE's Web site at: <http://schools.nyc.gov/AboutUs/leadership/PEP/publicnotice/2012-2013/Mar112013PEP.htm>.

If the PEP approves the proposal to phase out Choir, Choir will concurrently phase out its middle and high school grades such that in 2013-2014, the first year of phase out, Choir will no longer serve students in sixth and ninth grades; in 2014-2015 Choir will no longer serve students in seventh and tenth grades; in 2015-2016 Choir will no longer serve students in eighth and eleventh grades; and after the conclusion of the 2015-2016 school year, Choir will close. However, current middle school students will be supported as they progress towards middle school graduation, and current high school students will be supported as they progress towards high school graduation.

In the event that the phase-out of Choir is not approved, the DOE will re-examine the availability of space in the building, and may, as appropriate, revise the proposal to co-locate 05M157 and Democracy Prep Harlem High School in M501. Such revised proposals will be described in revised EISs and a revised BUP.

If this proposal is approved, 05M157 will open in M501 as a new district CTE high school. In the 2013-2014 school year, 05M157 will serve students in ninth grade. 05M157 will then expand to serve one additional grade level each year until it reaches full scale in 2016-2017 and serves students in grades nine through twelve.

The proposed opening and co-location of 05M157 in M501 is part of the DOE's central goal to create new school options that will better serve future students and the community at large. 05M157 will offer a rigorous academic program with a career and technical education component that will be open to students through the Citywide High School Admissions Process and will have a limited unscreened selection method giving priority to students residing in Manhattan. (Detailed information about the High School Admissions Process, over-the-counter admissions, and the proposed school's admissions criteria can be found in Section III.A of this proposal.)

If this proposal is approved, the new school will open during the 2013-2014 school year, when it will serve approximately 75-85 students in the ninth grade. 05M157 will gradually phase in by adding one grade per year. The school is expected to reach full scale in 2016-2017 and will serve approximately 360-460 students in grades nine through twelve.

If the proposals to phase out Choir, to co-locate Democracy Prep Harlem High School, and to open 05M157 are approved, in 2016-2017, once Choir has completed its phase-out and 05M157 and Democracy Prep Harlem High School have reached full scale, it is projected that there will be approximately 1,215-1,515 students served in M501, thereby yielding a utilization rate of approximately 92%-115%.

If this proposal is approved, 05M157 will replace the high school seats that will be lost as a result of the phase-out and eventual closure of Choir and will provide a new educational option for families in District 5. As described below and in the EIS regarding the proposed co-location of Democracy Prep Harlem High School, Democracy Prep Harlem Charter School will also offer additional high school seats in M501, if that EIS is approved.
