Amended Educational Impact Statement: The Proposed Phase-Out of P.S. 64 Pura Belpre (09X064) Beginning in 2013-2014

I. Description of the subject and purpose of the proposed item under consideration.

On January 11, 2013, the New York City Department of Education (“DOE”) proposed to phase out P.S. 64 Pura Belpre (09X064, “P.S. 64”), an existing elementary school in building X064 (“X064”) and Temporary Classroom Unit (“TCU”) X924 (“X924”) located at 1425 Walton Avenue, Bronx, NY 10452, in Community School District 9 (“District 9”). It currently serves students in kindergarten through fifth grades and offers a Spanish dual-language program. The DOE is proposing to phase out P.S. 64 based on its poor performance and the DOE’s assessment that the school lacks the capacity to improve quickly to better support student needs. In a separate Educational Impact Statement (“EIS”) also posted on January 11, 2013, the DOE proposed to co-locate two new zoned elementary schools in building X064, 09X294 and 09X311, which will serve students in kindergarten through fifth grades when they reach full scale in 2016-2017. This proposal can be found here: <http://schools.nyc.gov/AboutUs/leadership/PEP/publicnotice/2012-2013/Mar112013PEP.htm>.

If this proposal is approved, P.S. 64 will no longer admit new kindergarten students and will no longer offer kindergarten through second grades beginning in the 2013-2014 school year. Beginning in the 2013-2014 school year, after P.S. 64’s kindergarten, first, and second grades have been phased out, P.S. 64 will will serve one less grade in each subsequent year until it completes its phase-out and closes in June 2016.

If this proposal and the related new school co-location proposal are approved, current zoned students in kindergarten and first grade—whether or not they meet promotional standards—will be served by two new, smaller zoned elementary schools, 09X294 and 09X311, that will open in building X064. The Office of Student Enrollment (“OSE”) will work with these students to determine in which school, 09X294 or 09X311, they will enroll. These two new school options are proposed in a separate EIS, which can be found at: <http://schools.nyc.gov/AboutUs/leadership/PEP/publicnotice/2012-2013/Mar112013PEP.htm>.

Current students in second grade who meet promotional standards will continue to progress at

P.S. 64. However, any students who do not meet promotional requirements will repeat second grade at 09X294 or 09X311. OSE will work with these students to determine in which school, 09X294 or 09X311, they will enroll.

Current students in third and fourth grades will continue their education at P.S. 64, regardless of whether they meet promotional standards. Current fifth-graders will proceed to apply to middle school via the District 9 Middle School Choice process, unless they do not meet promotional standards, in which case they will continue fifth grade at P.S. 64. In cases where students do not meet promotional requirements by June 2016, they will be served in 09X294 or 09X311.

In addition, due to the existing Spanish dual-language program at P.S. 64 and the high percentage of Spanish speaking English Language Learner (“ELL”) students in P.S. 64’s current zone, the DOE intends to offer a Spanish dual-language program at 09X311, though ELL programming offered at a given school is always subject to demand.

If the proposal to open 09X294 and 09X311 is approved, they will serve as new zoned elementary school options for District 9 families and replace the zoned seats lost by the proposed phase-out of P.S. 64. The new schools will offer priority to students residing in building X064’s residential zone. Future students residing in building X064’s residential zone will enroll in one of the new zoned elementary schools, 09X294 or 09X311, in accordance with Chancellor’s Regulation A-101. Families will be asked to indicate their preference for 09X294 or 09X311 on an application. If all relevant proposals are approved, 09X294 and 09X311 will be co-located in X064 with P.S. 64 as it phases out.

The EIS describing the proposal to phase-out P.S. 64 has been amended to update the eligibility status of P.S. 64 and the proposed replacement schools for School Improvement Grant funding. The amended information is provided in a Notice of Amendment for Section V. of the Educational Impact Statements and does not substantially revise this proposal.
