

Where to Go When I Have a Special Education Question

School
Please contact your principal or parent coordinator. For contact information please see school's webpage.

Network Leader
For contact information please see school's webpage.

District Superintendent
For contact information please see school's webpage, or contact your District Family advocate.

Additional Assistance
For additional Assistance please call 311 and ask to be directly connected to the Special Education Call Center.

- If you are unable to resolve your issue through the contact at your school, please see the following steps to determine who to contact next.

- To find your school's webpage, please use the "Find Your School" tool on the DOE website.
