Rosetta Stone	ELA, ELL	3/9/2009	12pm - 1pm	<p>If several teachers at the site plan to participate in the session you will need to log into WebEx on a computer only (you do not log in on every computer) and project it on a screen with an LCD projector. The audio for the session will be delivered by phone, so a speaker phone is required.</p> <p>THE TRAINING ROOM WILL NEED: (1) High Speed Internet (WiFi is acceptable, but may cause a delay in loading) (2) 1 Main Computer (all of your teachers will watch this computer, I will control this computer the whole time) (3) LCD Projector (4) Speaker Phone (this must be a loud speaker phone, not a cell phone.) You will be calling into the phone number listed below on the day of the training. Please have your meeting number (listed below) available. You will connect to a telephone conference bridge that is hosted by WebEx. This will allow us to hear one another and for you to hear the actual product.</p> <p>For assistance ----- You can contact Jennifer Frazier at: jfrazier@rosettastone.com 1-800-788-0822 5213</p>	<p>Session number: 559 372 100 Session password: trainingu</p> <p>----- To join the training session ----- 1.
