Dear Parents/ Guardians:

Please be informed that there are several children in our school who are severely allergic to all nuts and tropical fruits. In some cases, these allergies can be life threatening. In consideration for these children, please limit or refrain from sending any snacks that contain these items.

As always, all students are to be encouraged to keep their eating areas as neat as possible and to keep their hands clean after meals in the school.

Thank you for your anticipated cooperation in this manner.

Respectfully,

Brian O'Connell
