Dear Parents/Guardians,

The first New York City Assessment will be administered on Tuesday, October 28th for the High School. This assessment is the first ELA Instructionally Targeted Assessment being administered to grades 9 and 10. This exam will be utilized by teachers to assess English skills that have been mastered and skills that need reinforcement.

The administration of this test will take place during periods 1 and 2 in the homeroom. The exam consists of 24 multiple choice items.

Please remind your child to bring their glasses, hearing aids, etc., if applicable. Students should also come prepared with sharpened No. 2 pencils. The best way to help your child prepare for this exam is to ensure that they are well rested the night before in order to arrive on time and eat a good breakfast.

Thank you for your support.

Sincerely,

Jeannine Giove
Director of Testing and Science
