Acuity Assessment Memo

English Language arts and Math Acuity assessment reports are available to parents of students in grades 6-10. Reports are available approximately 1 week after the administration window of every Acuity assessment.

You may view your child's reports from any Internet-connected computer. In addition to these reports, you will have access to educational activities appropriate to your child's needs. These activities may be accessed online from a home or public computer.

Your child's ELA teacher will provide the username and password to access Acuity. Once you log in with your child's credentials, you will see that you have several options. To view your child's reports on Acuity assessments, click ***View Reports***. To complete any assigned instructional materials, click ***Study*** or ***Take a Test***, depending on the teacher's assignment. If you have any questions please contact your child's teacher.

To utilize this tool, log onto Acuity at:
<https://nyc-acuity.mcgraw-hill.com>

Sincerely,

Jeannine Giove
Director of Testing
