

## ***The Scholars' Academy***

Learning from Nature: A Student Exhibition

On View: May 31st - June 15th

Opening Reception: Sunday May 31st from 1:00- 3:00 pm

*Nature has been and continues to be a subject matter that captivates the interest of all. For many artists, it is the power, beauty, elegance and frailty of nature that inspires creativity. During this past academic year, nature has been focus and theme for the Visual Arts Enrichment class at Scholars' Academy.*
