Dear Parents/Guardians,

This memo is to advise parents of the protocol and schedule for Middle School students taking Regents Exams. On the days of a scheduled Regents Exam, students will have a regularly scheduled full day of school and classes will take place. Students will report to school and be dismissed at their regularly scheduled time. Regents Exams will be administered in the student's homeroom.

Students must come to school prepared with No. 2 pencils, pens (blue and/or black ink), and a graphing calculator (if applicable). To enhance performance on Regents exams, students should be well rested and eat a nutritious breakfast on the day of a scheduled Regents Exam.

Please see below for the Regents Exam schedule for Middle School students:

June 17th, 12:15pm-3:15pm- Grade 8 Earth Science Regents Exam

June 18th, 12:15pm-3:15pm- Grade 7 Living Environment Regents Exam

June 19th, 11:15am-2:15pm- Grade 8 Integrated Algebra Regents Exam

June 22nd, 8:30am-11:30am- Grade 8 Spanish Proficiency Regents Exam

Regents Exam results will make up 10% of the students' final grade. Students who do not pass the Regents and who desire to retake it will be subject to attend a 27 hour summer session with Scholars' Staff. The summer program will begin the week of July 21st and culminate after the Regents exam which takes place during the week of August 10th. The summer session will take place at Beach Channel High School from 9:00am-12:00pm. Students will not be permitted to retake a Regents Exam without attending this summer program.

Thank you,

Jeannine Giove, Director of Testing
