# Grade 1 Literacy: My Report about Frogs

My Report about frogs

By, G1-I-003

## Grade 1 Literacy: My Report about Frogs

These are my questions about frogs.

How do frogs get their  
color?

When do frogs sleep?

I will read a book to find the answers. Then I will write about what I learned.

## Grade 1 Literacy: My Report about Frogs

Things I learned about frogs eggs.

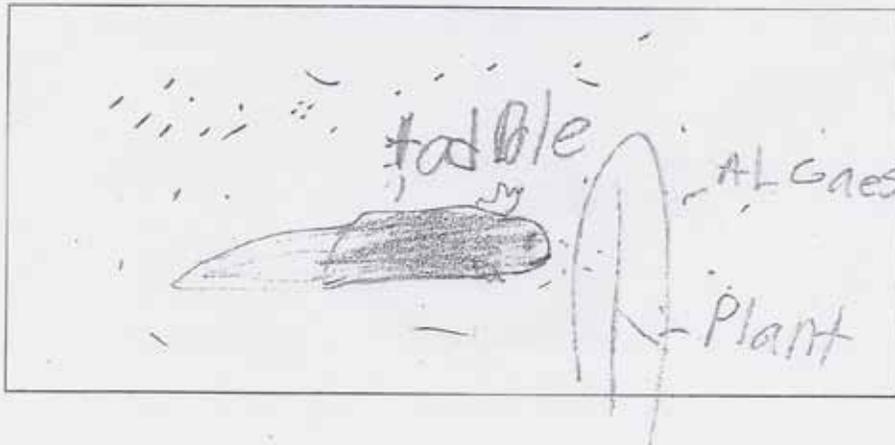

Frog frog get hot they bite  
frog eggs don't have shells.

When frogs eggs are  
to geter animals can't eat  
them But when they brack apart  
they can get eaten.

## Grade 1 Literacy: My Report about Frogs

Things I learned about Ad Poles.

I learned that Ad Poles

eat ALGAE when they  
are two months they still  
eat ALGAE.

I learned that the tadpole  
have feet and back  
feet.

## Grade 1 Literacy: My Report about Frogs

This is the most interesting thing I learned about frogs or something that I want to know more about.

I want to learn  
more about tadpoles  
because they are  
the interesting thing

My Report about frogs

By G1-I-004

## Grade 1 Literacy: My Report about Frogs

These are my questions about frogs.

1. How frogs see other animals that will eat him? How could it find food?

2. Why frogs have to grow.

Are there many frogs.

I will read a book to find the answers. Then I will write about what I learned.

# Grade 1 Literacy: My Report about Frogs

Things I learned about frog eggs.

1. the eggs are slippery like jello.

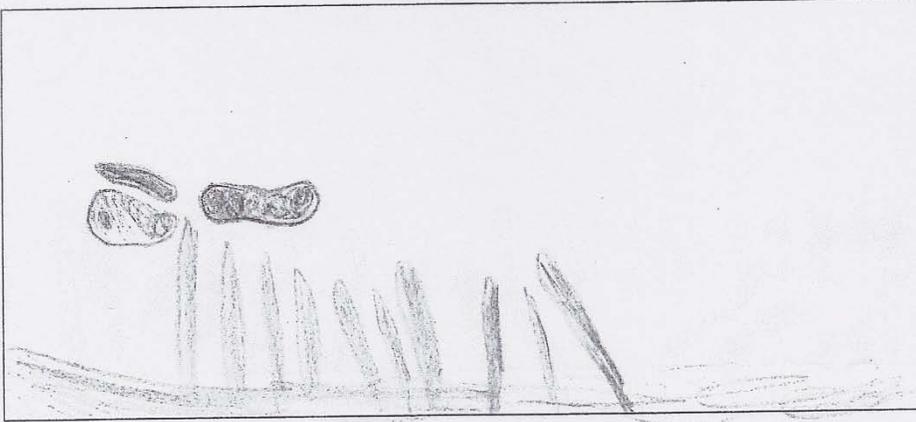

Frogs lay their eggs in water or wet places

2. Not all the eggs will survive.

They are inside jellylike coverings.

# Grade 1 Literacy: My Report about Frogs

Things I learned about tadpoles.

tadpoles are one month old. Their outside

gills have disappeared. New gills

the tadpoles breathe by getting air from

the water. through feathery outside gills

## Grade 1 Literacy: My Report about Frogs

This is the most interesting thing I learned about frogs or something that I want to know more about.

Frogs are cold blooded.

Frogs that swim use their powerful hind legs and

and webbed feet to push them through

the water.

## Grade 1 Literacy: My Report about Frogs

On land, the frogs hop about. they use their very strong hind legs to leap.

Frogs go to lily pad to lily pad.

In the springtime, when the sun begins

to warm up the ground and pond's water,

the frogs come out of hibernation.

they are healthy and hungry.

An African bullfrog can be as big as a football.

My Report about FROGS

By\_ G1-I-001

## Grade 1 Literacy: My Report about Frogs

These are my questions about FROGS.

~~Who they for to fit like a frog~~  
How do they turn into frogs?

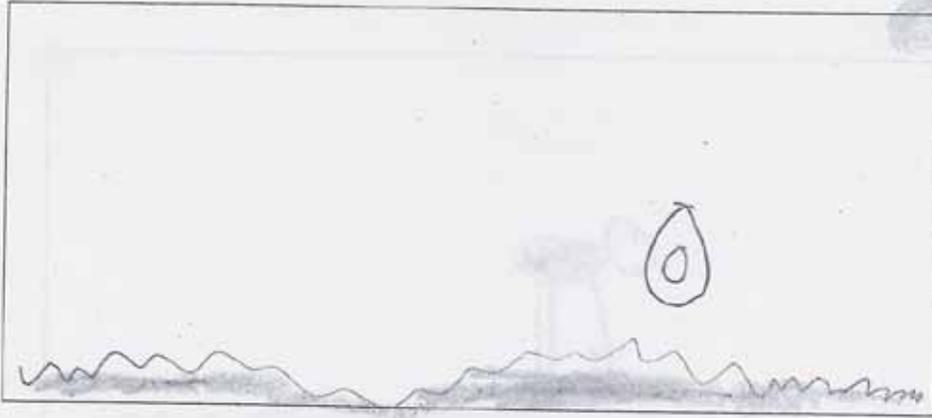

~~Who they eat to fit~~  
How do they eat so fast?

I will read a book to find the answers. Then I will write about what I learned.

16

Grade 1 Literacy: My Report about Frogs

Things I learned about Frogs eggs.

~~Some time frogs eggs get eat~~

~~by the fish~~ got eat

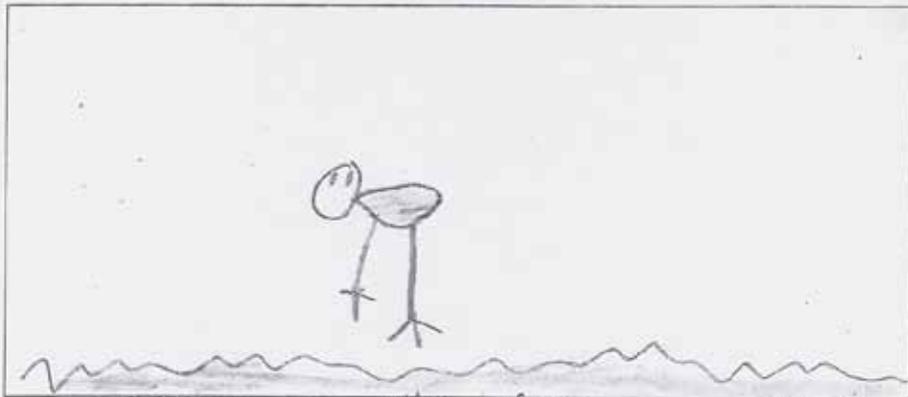

by the fish.

~~The frogs eggs gets warm~~

warm

Grade 1 Literacy: My Report about Frogs

Things I learned about tadpoles.

Tadpoles is little frogs mouth.  
Tadpoles is little. Frogs make  
- tadpoles is then they use their mouth  
to eat  
Tadpoles is when they use their  
mouth to eat.

~~tadpoles eat water with mouth~~

Tadpoles eat through their mouth.

Grade 1 Literacy: My Report about Frogs

This is the most interesting thing I learned about frogs or something that I want to know more about.

The best was The Frogs Jump

~~Ray Way~~

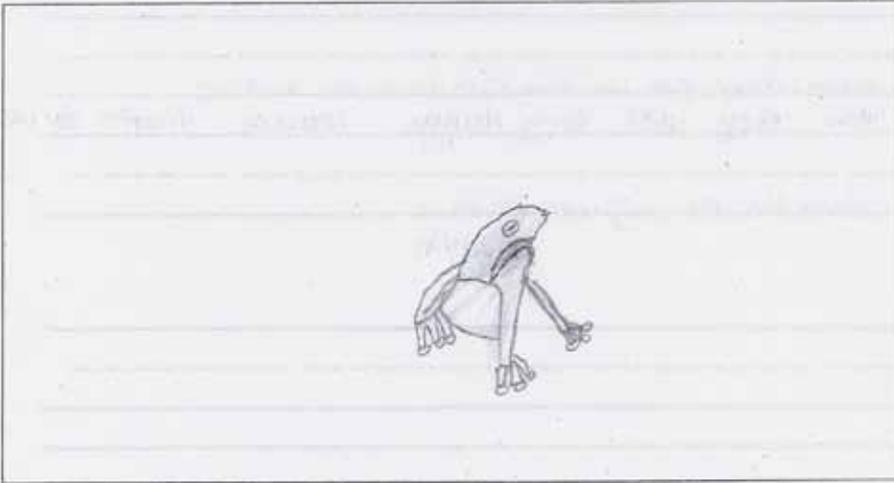

really high

~~Frogs dig in the ground to sleep~~

Frogs dig in the ground to sleep
