

2016 PRE-KINDERGARTEN DIRECTORY UPDATE

The 2016 Pre-K Directory Update provides additional information about pre-K options and notifications for 2016-2017 pre-K admissions. Use this update in addition to the 2016 Pre-K Directory to learn about all of your options for pre-K. **You should also use Pre-K Finder (maps.nyc.gov/upk) to research pre-K programs and find new choices before completing your application.**

Program Updates

The following program updates are included:

- **New/Returning Pre-K Program:** A full-day pre-K program for the 2016-2017 school year that was not listed in the Pre-K Directory.
- **Language Option Update:** A program will offer a Dual Language or Enhanced Language Support option. Please see the Pre-K Directory for more information about Dual Language and Enhanced Language Support.
 - **Dual Language:** A program that offers a Dual Language option for families interested in having their children become bilingual. If you wish to apply to the Dual Language *and* the general education options at this program, you must list both options on your application. Some programs will only have Dual Language seats.
 - **Enhanced Language Support:** A NYCEEC program that offers Enhanced Language Support for students and families whose native language is a language other than English.

Program Alert for Flexible Scheduling

NYCEECs are included in this update if they plan to utilize a flexible schedule, even if they were already listed in the 2016 Pre-K Directory. NYCEECs have some flexibility in how they choose to schedule program hours. A NYCEEC may choose to schedule program hours on weekends and/or holidays while continuing to meet the minimum requirement of 31 hours and 40 minutes of program instruction per week for full-day programs.

Some providers may also choose to schedule a short break in the middle of the day for non-program activities. This time will not be counted toward minimum operating hours. If a NYCEEC chooses to offer such non-program activities during this time, it is optional, and those parents who wish their children to take part must submit a form authorizing participation. Before completing your application, please contact programs directly to find out about specific scheduling policies.

Program Removals

Some programs that were listed in the 2016 Pre-K Directory actually may not provide pre-K in the 2016-2017 school year. A list of program removals is located in the back of this Directory Update.

Additional program changes, including new programs and program removals, are possible throughout the application period. For the latest information, visit Pre-K Finder at maps.nyc.gov/upk, call 718-935-2009, or visit a Family Welcome Center (nyc.gov/schools/WelcomeCenters).
