CLOTHES MAKES THE MAN (and WOMAN!)

BRAIN TEASER: A man walks into an art gallery and concentrates on one picture in particular. The museum curator notices this and asks the man why he is so interested in that one painting. The man replies, "Brothers and sisters have I none, but that man's father is my father's son." Who is in the painting? The first three students who come to B72 with the correct answer (and a pass!) receive a new MVB T-shirt!
